

## Board of Education President Commends District's Class of 2017

On behalf of the Palm Springs Unified School District Board of Education, it is my honor and pleasure to congratulate our 2017 PSUSD graduates! We are extremely proud of each and every one of you and all that you have accomplished during your years here in our District.

We know that for many it certainly wasn't an easy task to get to this point. You had to juggle your studies along with family obligations, possibly a job and some extracurricular activities, and, hopefully, some kind social life as well. But you have done it, and

we share the pride that your families, teachers, counselors and principals are feeling today.

Remember that as you close the pages on your PSUSD education, you are opening brand new pages to the next chapters in your book of life. We hope that whether you are choosing post-secondary education at a university, college or trade school, military service or heading out into our work force, you will take the skills and talents you have amassed with you and succeed in turning all of your dreams into reality. If we can

ever be of assistance to you, please don't hesitate to ask.

We wish you the very best of success in your future and congratulate you again on a job well done! You have made your Palm Springs Unified School District family very proud!

### Message from the Superintendent

## Congratulations to Our PSUSD Class of 2017

Graduation is always an exciting and joyful time for our high school

administrators and teachers, as well as our Board of Education members, as we congratulate our seniors for their dedication and hard work and wish them well as they walk across the stage and receive their diplomas. This year's graduation ceremonies will always hold an extra special place in my heart as they are my first as the Superintendent of Schools for the Palm Springs Unified School District.

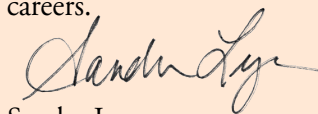

PSUSD's class of 2017 has over 1,500 students from our four comprehensive high schools, alternative high school and virtual school. I have had the honor and pleasure of accepting each site's graduates and

shaking the hands of our graduates as their names were called at each of their site ceremonies. Each ceremony had its own unique style and appeal. What was similar at each event was the aura of pride and achievement exuded by the graduates, their families and friends, their teachers, their counselors and their principals.

Standing at those ceremonies, offering handshakes of congratulations, I, along with each of the members of our Board of Education, felt similar emotions about what we were experiencing. Our graduates have worked long and hard to get to this point, and we are so very proud of

what they have accomplished and will accomplish in the next phases of their lives.

To the PSUSD class of 2017, I want to congratulate you on a job well done and wish you the very best of success as you move forward to higher education, military service or career. We hope you will keep in touch and let us know how you are doing and put your talents to work right here in our community when you begin your careers.

Sandra Lyon  
Superintendent of Schools
