INTRODUCTION

[\[Back to TOC\]](#)

PD Links was created by *AlpenSpruce™* for PSUSD. It was conceptualized by members of the PSUSD staff. Working alongside our ETIS and Professional Development departments, *AlpenSpruce™* was able to create an online professional development management system that main streams our trainings and meetings under one easy to use online program. Going live on July 1, 2015, it continues to be accessed daily and it has over 1800 users in our district. The great thing about this program is that it's available were ever you have access to the web whether it's on your phone, tablet, laptop, or computer. If you have **Staff** access you can easily; register for trainings, consult a Room Calendar to see where a particular event is taking place, be reminded of an upcoming event you have registered for, set up *My subscriptions* to be notified of an event that might interest you, view an *Attendee Task* in our **FLiPD** learning part of **PD Links**. If you have **Facilitator** access you can; create events, request a service like room set up or catering, request subs, manage your registration list and even run reports on your sessions.

In this manual we will discuss those two access levels: **STAFF** & **FACILITATOR**. Since this is a growing system, we will be able to incorporate other features as we see fit to benefit our school district. We are excited you are using this system, and we thank you for it. So with no further ado we welcome you to the future of professional development ... to **PD Links**.

GETTING STARTED (STAFF ACCESS)

[\[Back to TOC\]](#)

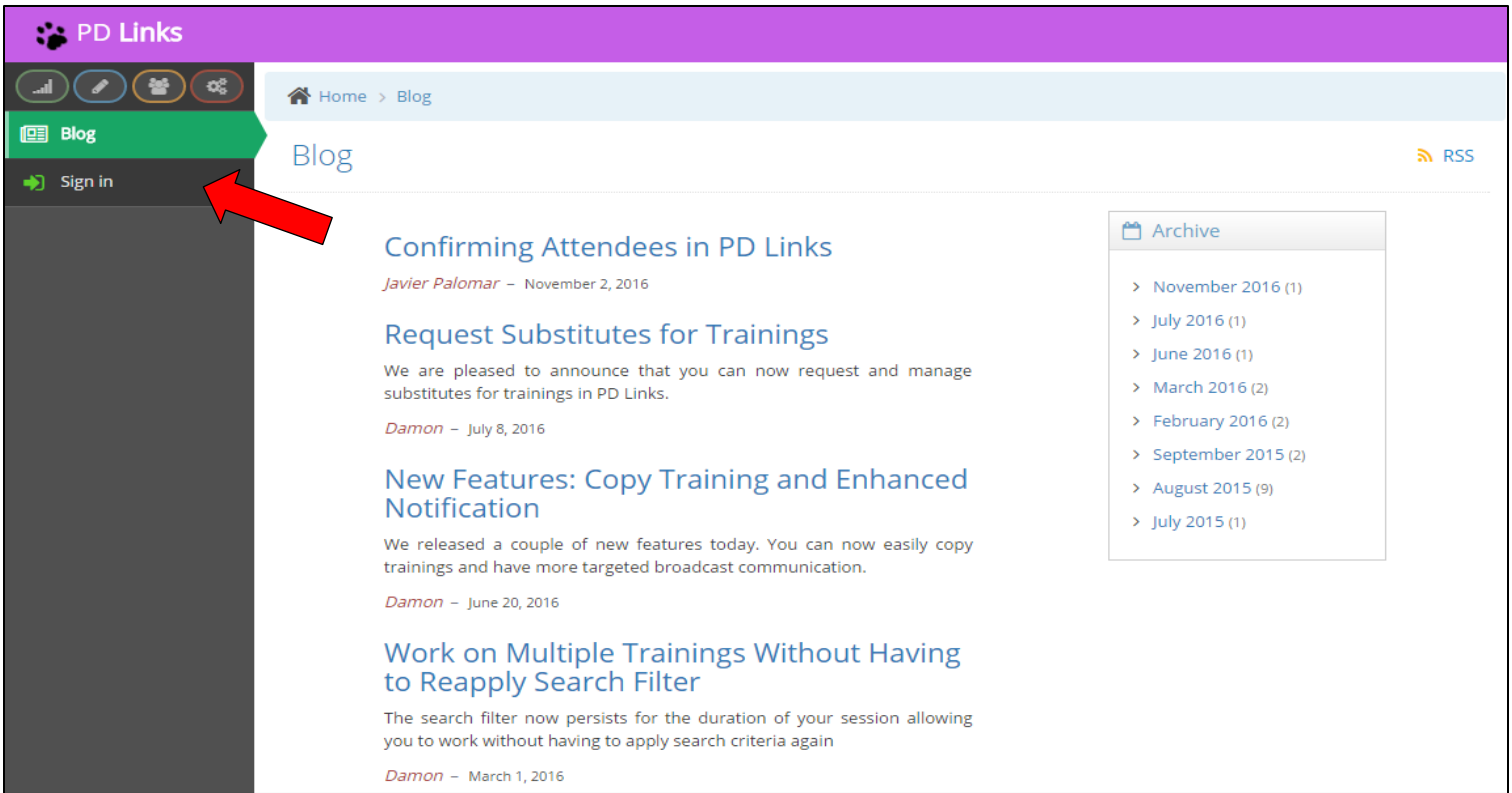

If you have never logged into PD Links before, please follow the instructions below:

LOGGING INTO PD LINKS FOR THE FIRST TIME

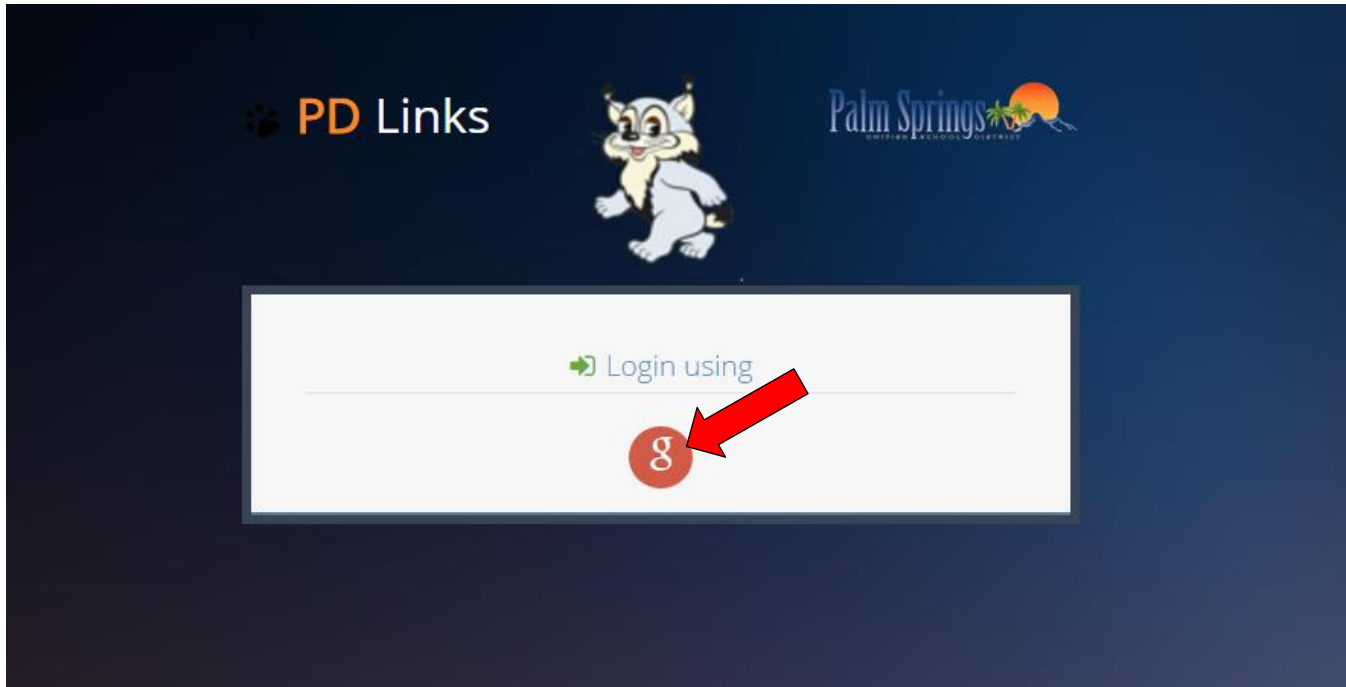

[\[Back to TOC\]](#)

Go to PD Links. You'll find PD Links at pdlinks.us

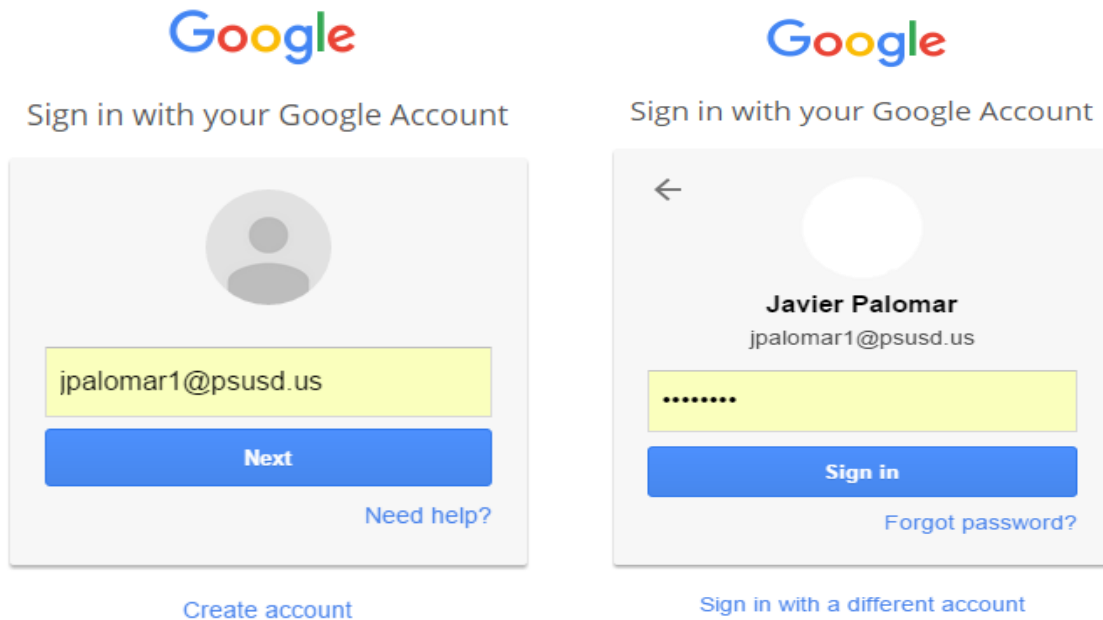

1. Click on *Sign In* tab on upper left hand corner.

2. Click the red “G” Google logo

3. You will then be asked to sign into your PSUSD Google account... all permanent employees have a PSUSD Google account 😊

It's your email address, and if you have never utilized this account then the generic password is **psusd123** ... you will need to change this once you are in.

If you cannot get past this Google account step please send me an email at jpalomar1@psusd.us for assistance.

4. Voila! You are in!

SETTING UP MY SUBSCRIPTIONS

[\[Back to TOC\]](#)

Once you're in, it would be advisable to set up your subscriptions. You can always go back and do it later. To set them up simply click on *My Subscription* tab:

Then just click on the topics that interest you or pertain to your field so you can be notified by email when any trainings in your selected subscriptions have opened up in **PD Links**.

The screenshot displays the 'My subscriptions' page in the PD Links application. The interface includes a purple header with the 'PD Links' logo and a user profile 'Welcome, Ana'. A dark sidebar on the left provides navigation for Dashboard, Blog, Trainings, My subscriptions (highlighted), and Room calendar. The main content area shows a list of 25 topics, each with a checkbox for selection. The topics listed are:

FINDING AND REGISTERING FOR A TRAINING

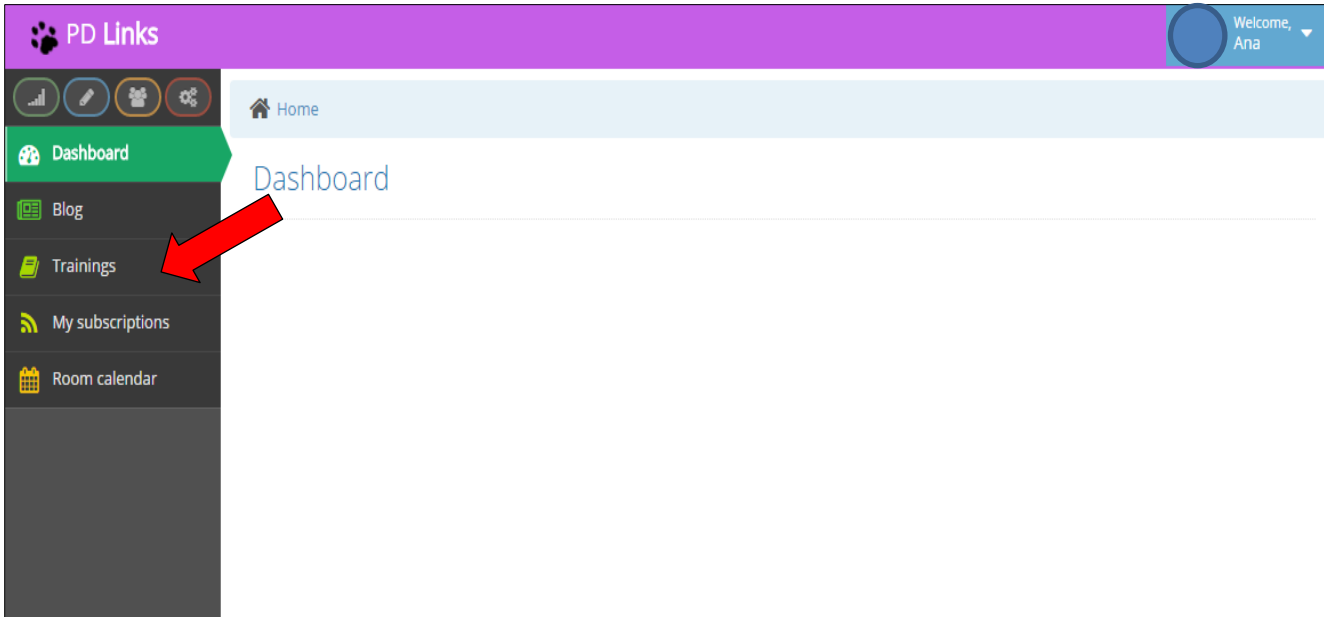

[\[Back to TOC\]](#)

FINDING A TRAINING

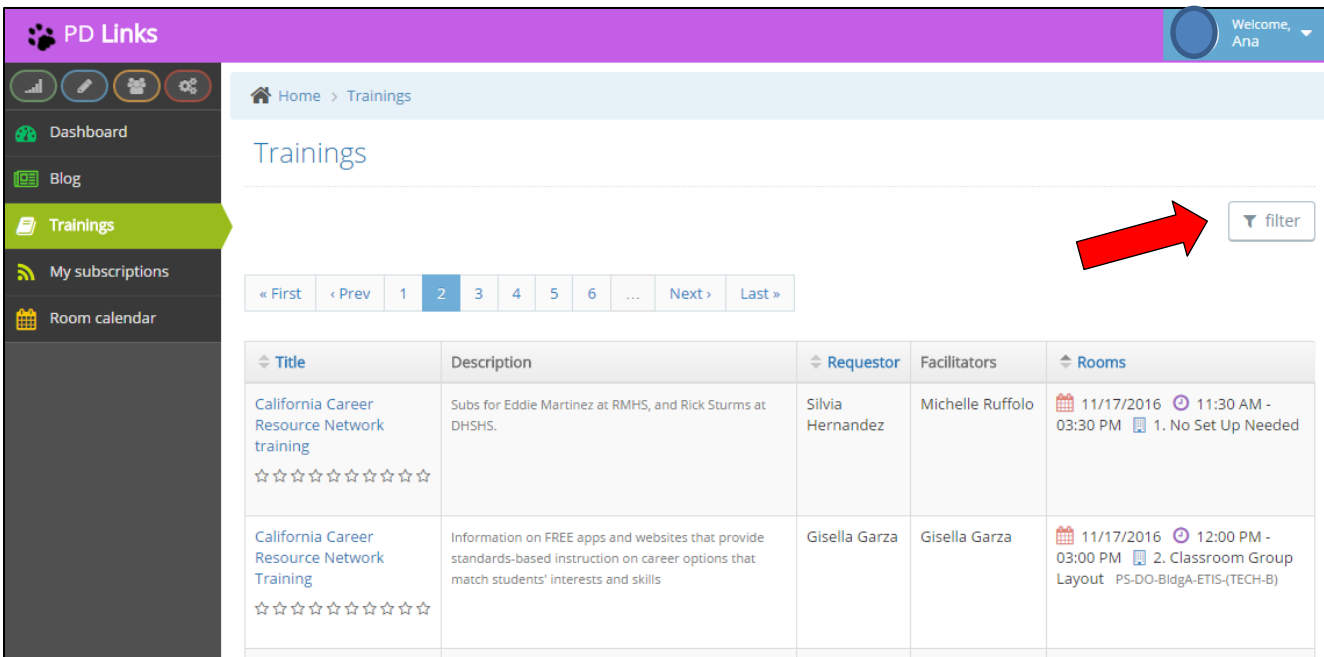

[\[Back to TOC\]](#)

Once you've logged in:

1. Click on the *Trainings* tab

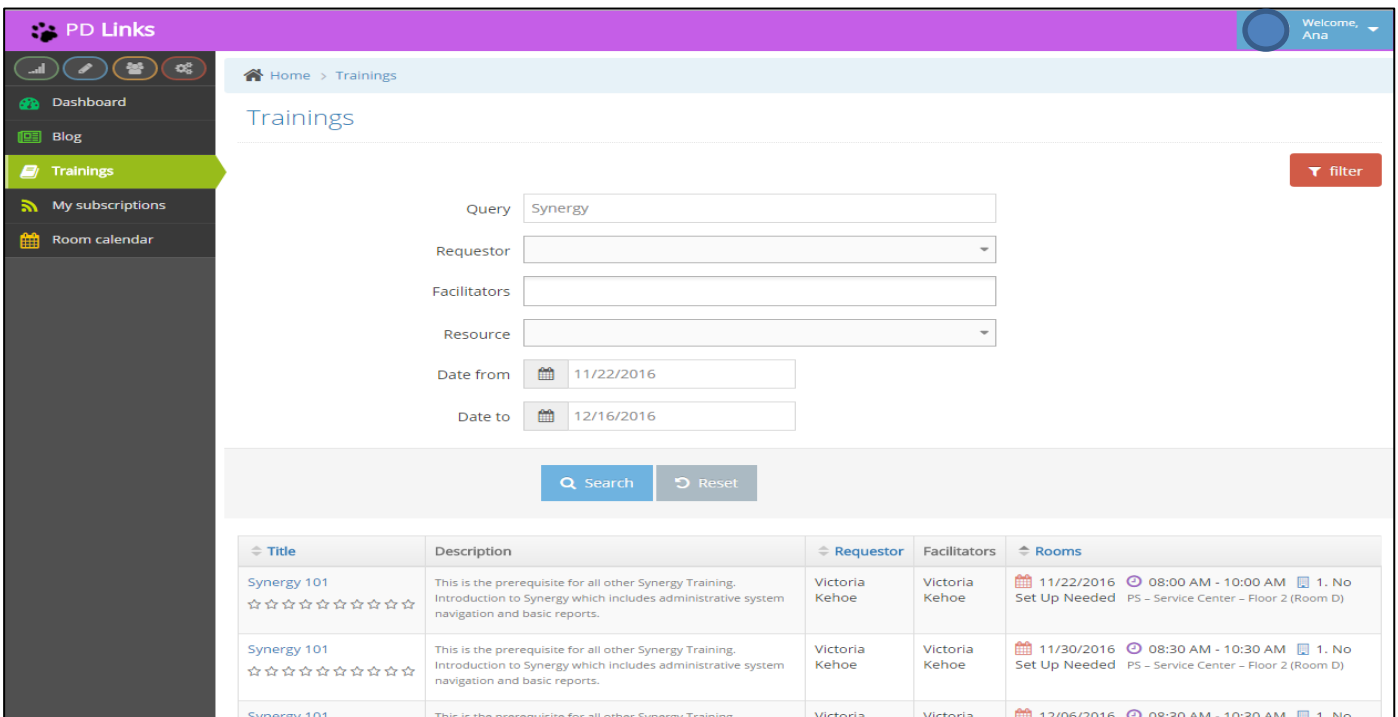

2. Click on *Filter*

3. You can look trainings up by *Query* (title), *Requestor* or *Facilitator* (person that created the event), *Resource* (training room), or *Date From & Date To*. You can also do a combination of any of these. Then click *Search*

4. You will then get a list of trainings fitting your search parameters. *If a training no longer appears in the search it's because the training is full, the registration period has lapsed, it has been removed from PD Links or its restricted to a specific audience)*

REGISTERING FOR A TRAINING

[\[Back to TOC\]](#)

Once you find a training, to register:

1. Click on the title of the training

* This action will automatically take you to the main page of the training. There you'll be able to see all details on the training like; *Guest Speaker*, *Description* of the training, *Intended audience*, *Materials To Bring*, if it's a paid training, if subs will be provided, who's the person that requested or will be the facilitator of the event so you can reach if you have any questions. Also under *Attachments*, you'll even be able to download agendas or worksheets, if any, that you'll need for the training. (See picture on the next page)

2. Click green *Register!* button

The screenshot shows the PD Links interface for a training event titled "Synergy 101". The page includes a navigation sidebar on the left, a breadcrumb trail (Home > Trainings > Synergy 101), and a main content area. A red arrow points to a green "register!" button. Yellow arrows point to various sections: "attendees list", "Description", "Intended audience", "Materials to bring", and the "Attachments" table.

3. You'll then see a confirmation as the one shown here

You can also see any training you've attended or are registered to attend by clicking on the *Dashboard* tab. You will also get an automatic email before the event reminding you of your upcoming training.

UNREGISTER FROM A TRAINING

[\[Back to TOC\]](#)

To unregister from a training:

1. Simply go to your *Dashboard* tab and click on the green *attending* ribbon.

2. This will take you to the main page of the training where you will simply click the orange *unregister* button to unregister.

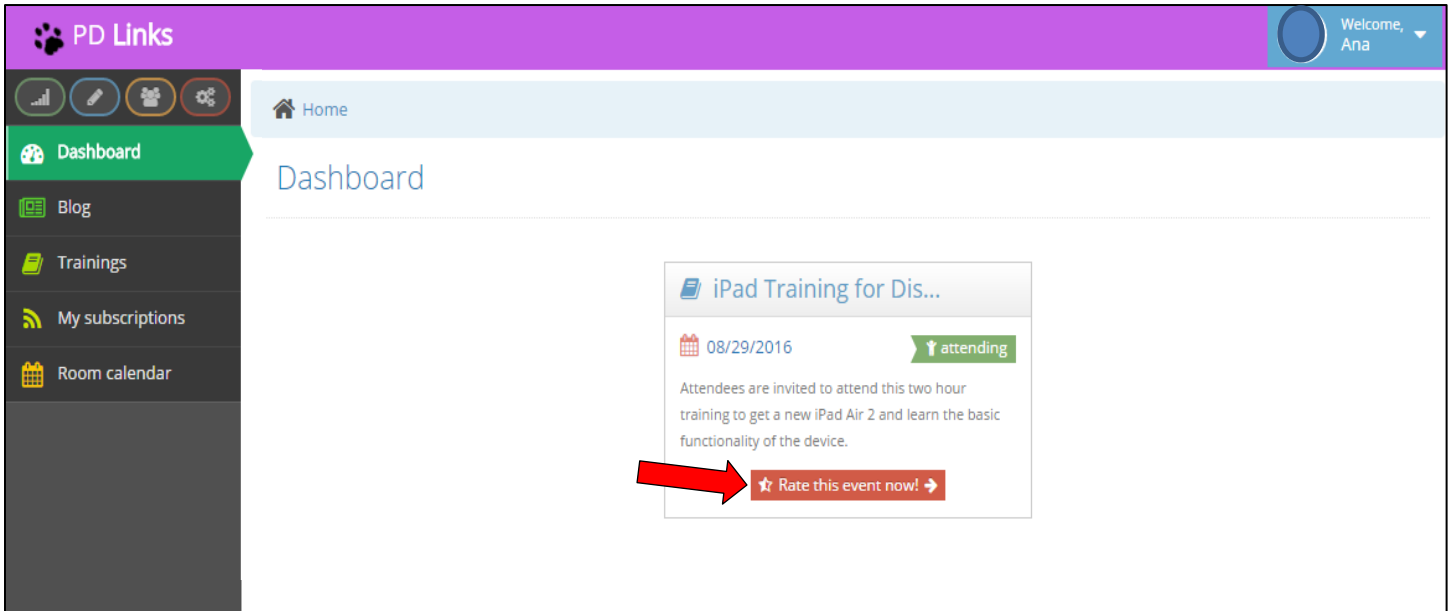

- You'll then see a confirmation as it's shown below (you will also receive an email confirming you have unregistered). The training will also disappear from your *Dashboard*.

RATING YOUR TRAINING

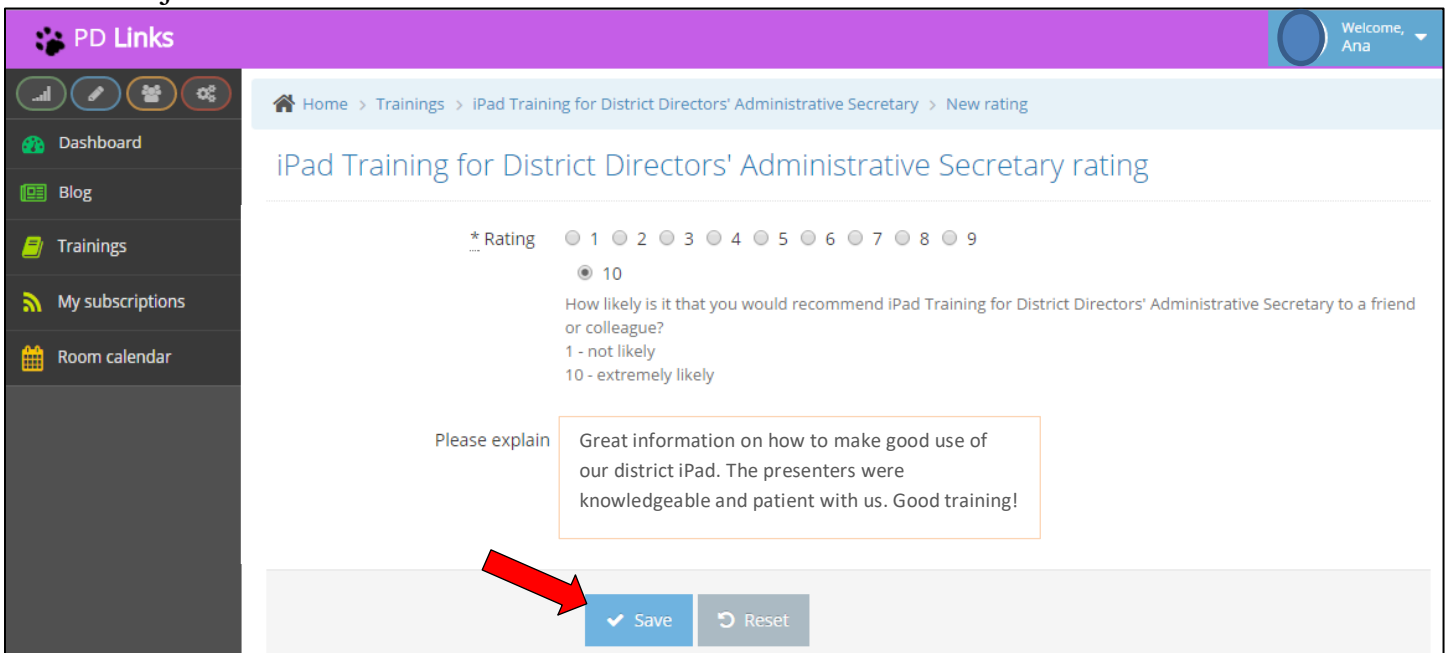

[\[Back to TOC\]](#)

It is important to rate all trainings you attend. This will help our presenters, facilitators and our Professional Development Department better serve your needs. Rating of a specific training is available after set training has been held. So please don't forget to go to your Dashboard tab and follow these simple steps:

1. Go to your *Dashboard* tab and click on the red **Rate this event now!** button.

2. Then rate it by choosing a 1 through 10 and adding an explanation if you would like, after that just click the **Save** button

ROOM CALENDAR

[\[Back to TOC\]](#)

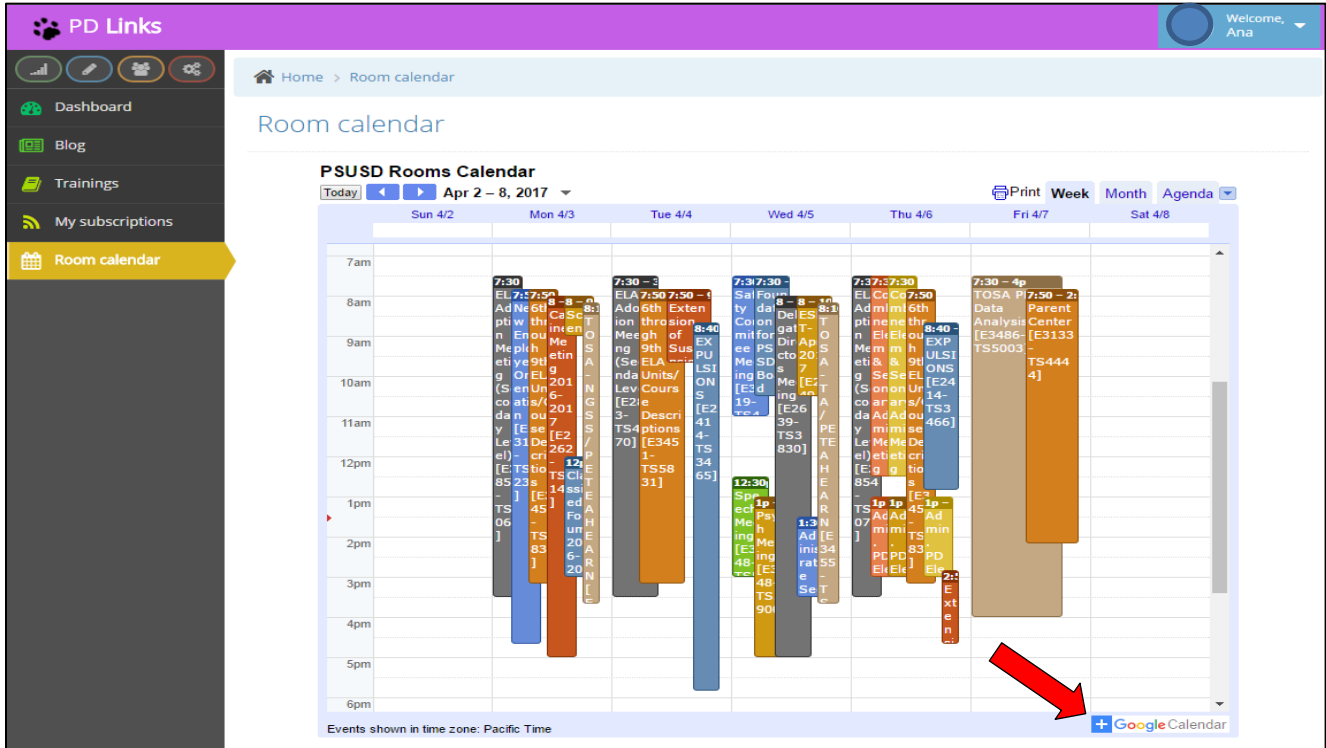

You can see all the events booked in PD Links at any given week or month simply by clicking the *Room Calendar* tab

To know what each color represents, just click on agenda (*this is only an informational tool, no registration or room booking can be done on this tab*).

To have a larger view of this calendar simply click the +Google Calendar button on the bottom right hand corner to link this calendar to your Google Calendar.

This will allow you to have a day by day look by clicking on the day and change the colors of the rooms for your own reference.

CREATING EVENTS, RESERVING ROOMS, REQUESTING SUBS, & OTHER SERVICES IN PD LINKS (FACILITATOR ACCESS)

[\[Back to TOC\]](#)

PD Links was conceptualized to mainstream our Professional Development events under a one stop shop. As we continue to expand, more services will be added.

We will now review our step by step process on how to use this program and its features to its full potential.

CREATING EVENTS: MEETINGS

[\[Back to TOC\]](#)

The *Meetings* tab has the purpose of reserving a location to meet. It's also used when you need to reserve subs for an event taking place at a school site (see page 64 for instructions on *School Site Sub Request*). We will now go through step by step on how to use this tab:

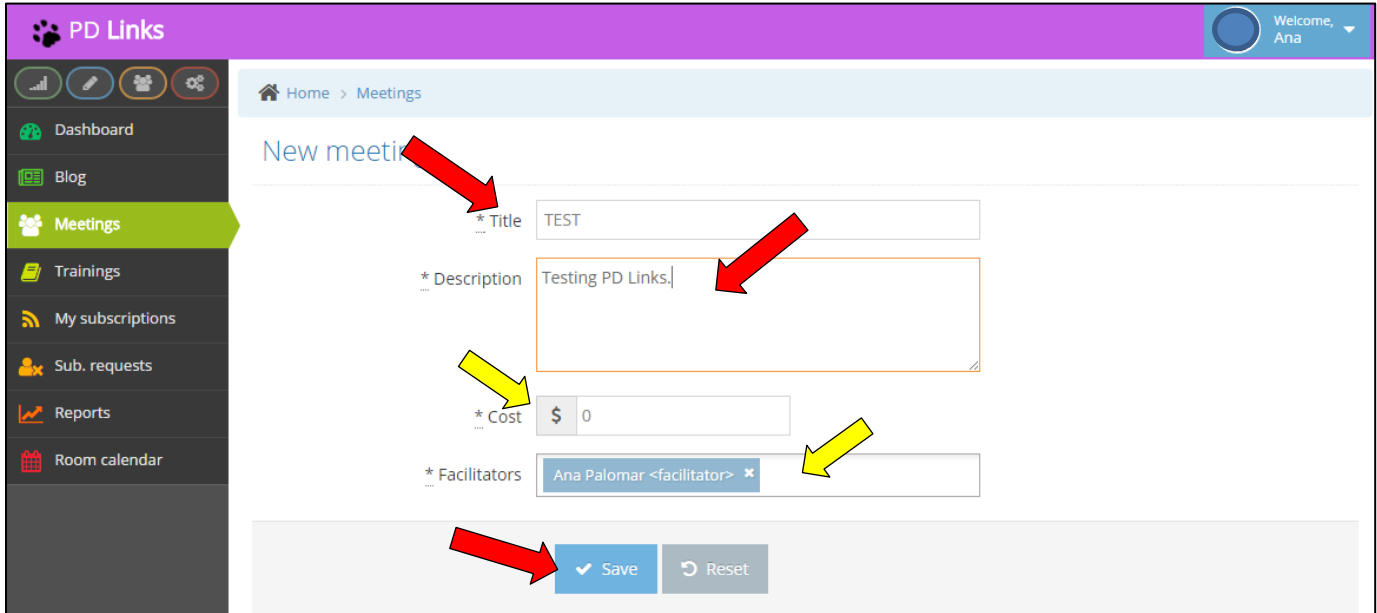

1. Click the *Meetings* tab then click the *Add* button

The screenshot shows the PD Links interface. The left sidebar contains navigation options: Dashboard, Blog, Meetings (highlighted with a red arrow), Trainings, My subscriptions, Sub. requests, Reports, and Room calendar. The main content area is titled 'Meetings' and includes a breadcrumb 'Home > Meetings'. In the top right corner of the main area, there is an 'add' button (with a red arrow pointing to it) and a 'filter' button. Below the header is a pagination bar showing page 1 of 5. The main content is a table with the following data:

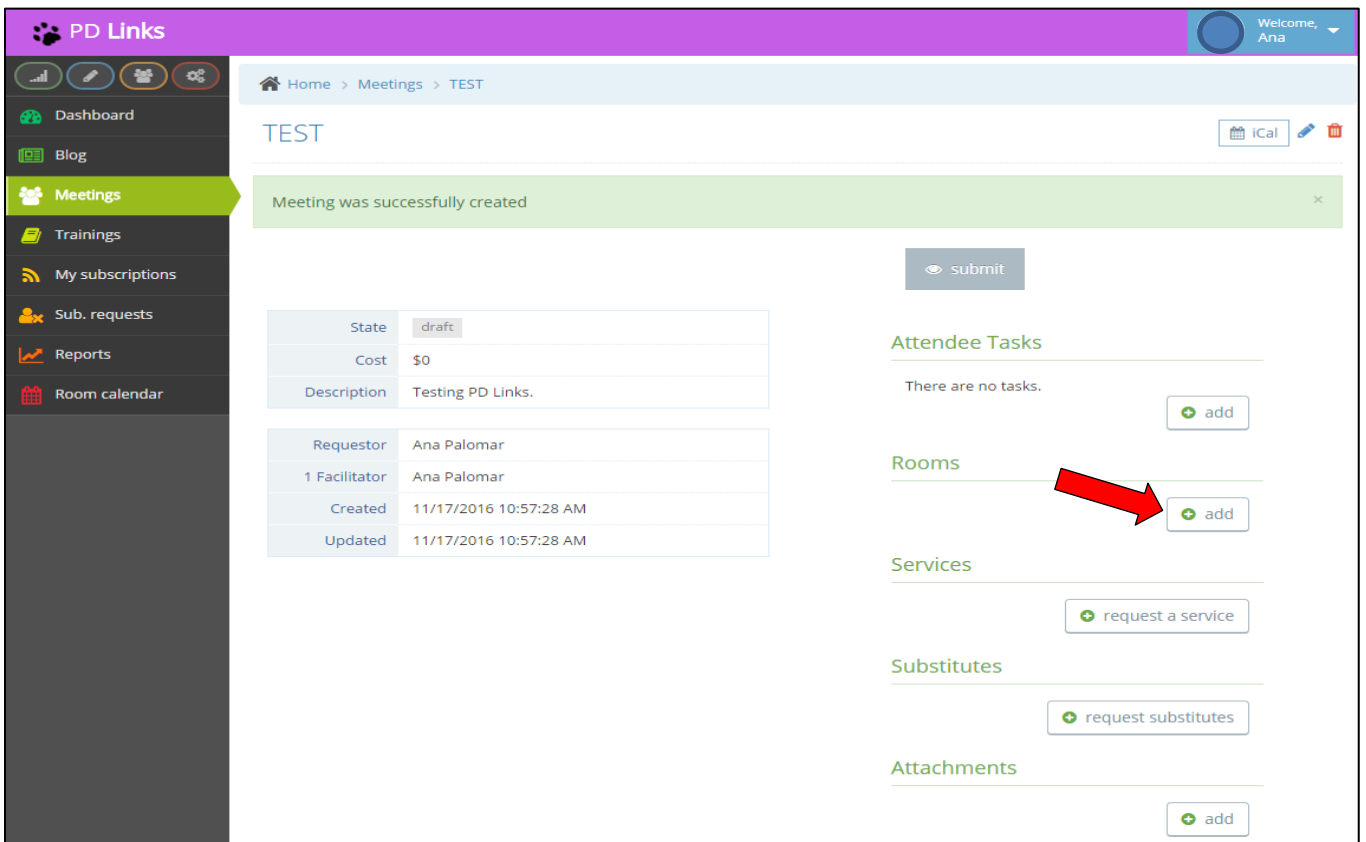

Title	Description	Status	Requestor	Facilitators	Rooms

2. Fill out the required fields then click the *Save* button.

Cost can help you keep track of cost to your department if any; this field is optional. Additional Facilitators can be added to the meeting, facilitators have access to edit description and add services at any time prior to the event taking place.

3. Under *Rooms*, click *add* button

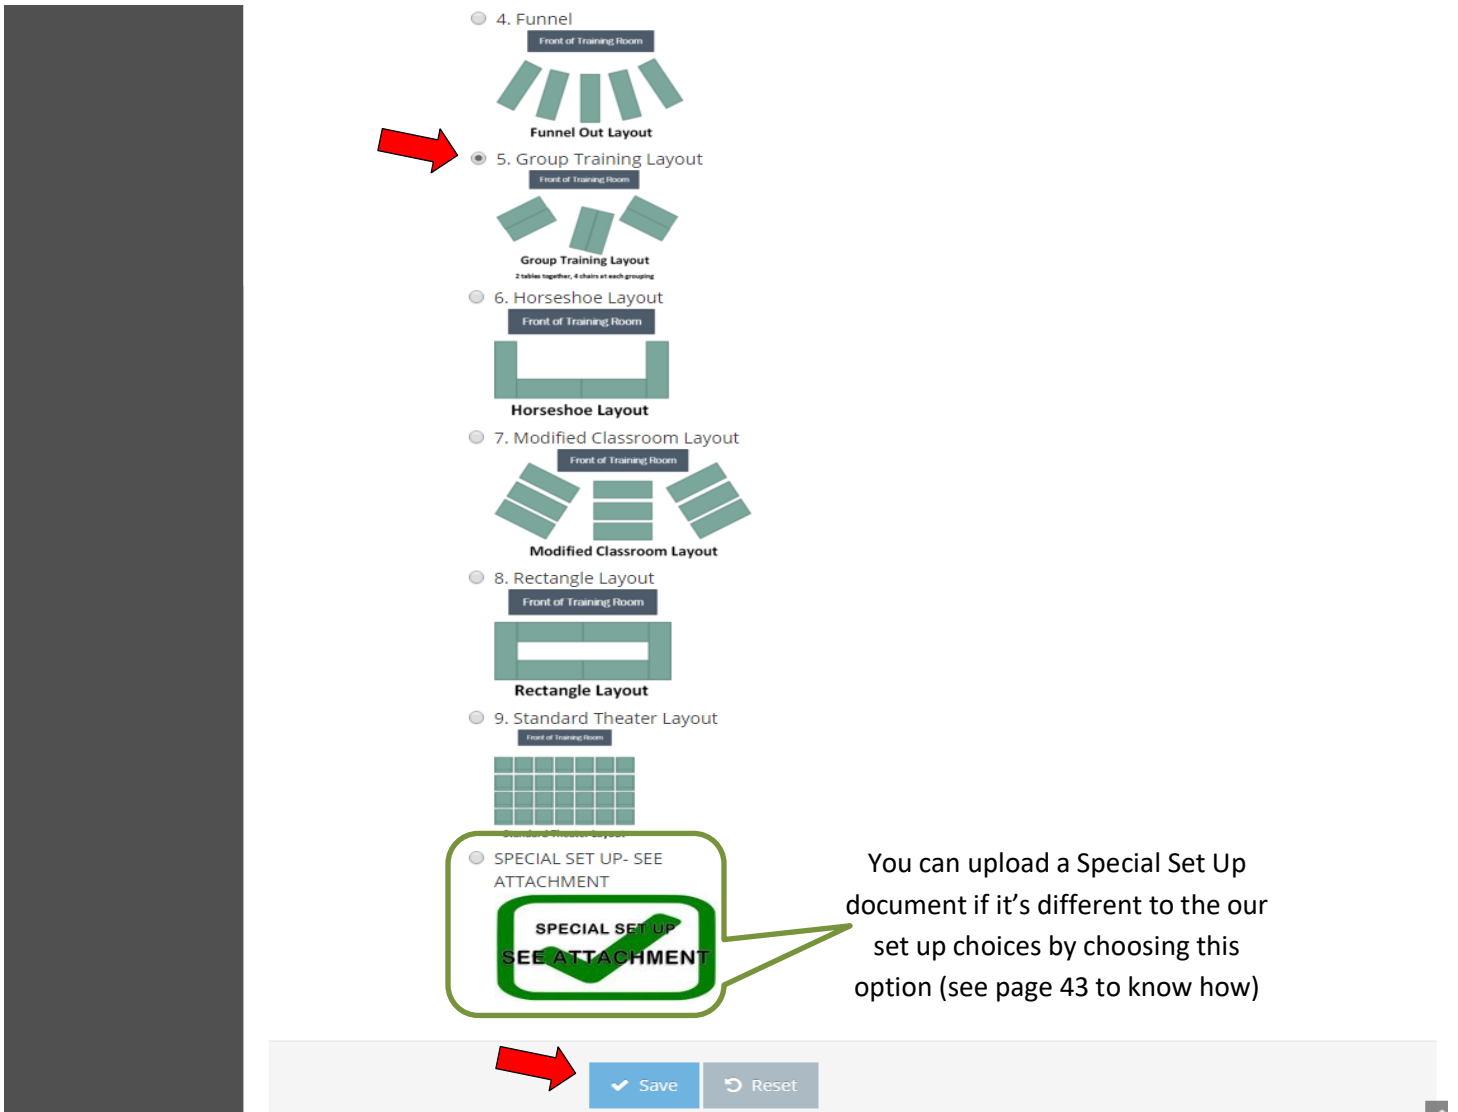

4. You will now fill out all required fields, Date, Start time, Duration, Set up & Teardown Duration are all required. Set up & Teardown are to reserve the room before or after your start and end time. If you don't need extra time, enter 0:00 in those fields. Available rooms will be in green; rooms not available will be in red.

7. Choose an *Event Service*

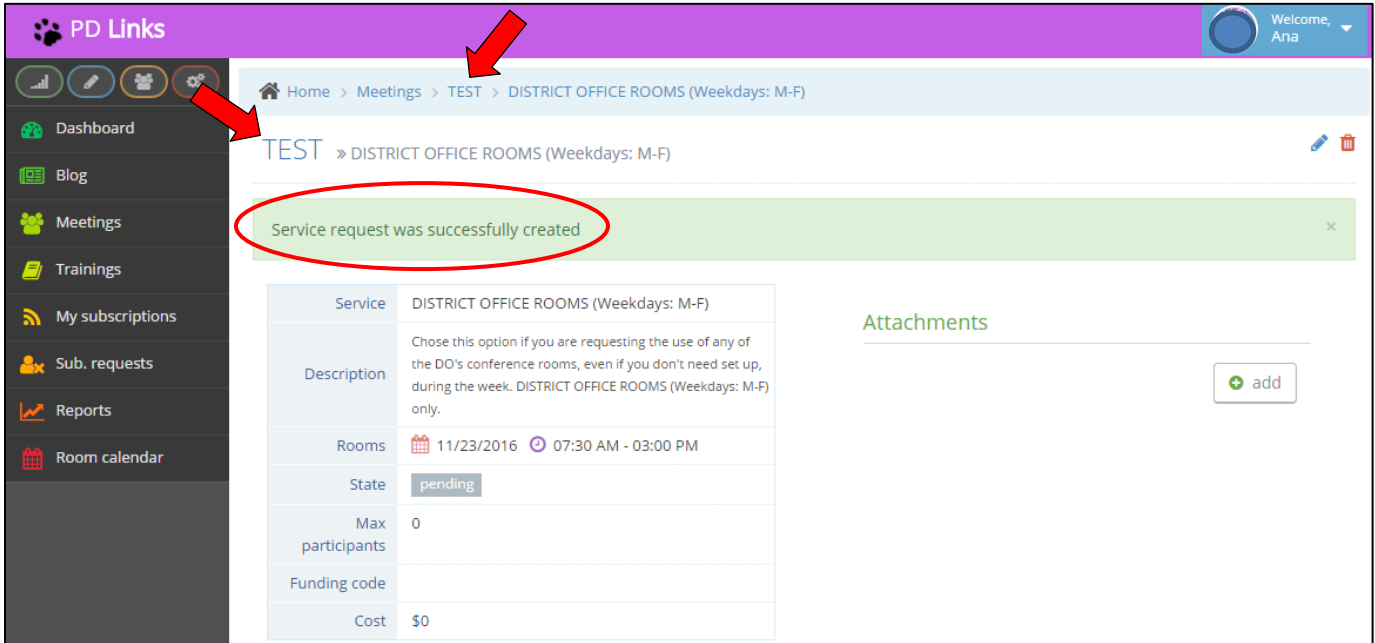

- Choose **DISTRICT OFFICE ROOMS (Weekdays: M-F)** if you are requesting the use of any of the DO's conference rooms during the week, even if you don't need set up.
- Choose **DO ROOMS WEEKENDS & ANY DAY SERVICES CENTER AND FARRELL** if you are requesting the use of any of the Service Center and Farrell conference rooms or any of the DO's conference rooms on the weekend, even if you don't need set up.

The screenshot shows the 'New service request' form in the PD Links system. The 'Event service' dropdown is selected, showing a list of options. The 'Rooms' field is currently empty. The 'Instructions' and 'Funding code' fields are also empty. The 'Save' and 'Reset' buttons are visible at the bottom of the form.

8. Choose the *Rooms* (date and times) this set up is for. In *Instructions* include any other pertinent information for this set up. Then click the *Save* button. (*Instructions* and *Funding Code* are not required fields)

The screenshot shows the 'New service request' form with several annotations. A red arrow points to the 'Event service' dropdown, which is set to 'DISTRICT OFFICE ROOMS (Weekdays: M-F)'. Another red arrow points to the 'Rooms' field, which is set to '11/23/2016 07:30 AM - 03:30 PM'. A red arrow points to the 'Save' button. Yellow arrows point to the 'Instructions' field, which contains the text 'Please have a table at the door for handouts.', and the 'Funding code' field.

9. You'll then get a confirmation of your request like the one shown below. To go back to the main page of your event, click on the title of your meeting (on either place).

The screenshot shows the PD Links interface. At the top, there's a purple header with 'PD Links' and a user profile 'Welcome, Ana'. Below the header is a navigation bar with 'Home > Trainings > Test Training > DISTRICT OFFICE ROOMS (Weekdays: M-F)'. A red arrow points to 'Test Training' in the breadcrumb. Another red arrow points to a settings gear icon in the top navigation bar. A green notification box says 'Service request was successfully created'. Below this is a table with details for the service request.

11. Confirmation of submission

The screenshot shows the 'Test Training' page in the PD Links system. A green notification bar at the top states 'Training was successfully submitted'. The page includes a sidebar with navigation options like Dashboard, Blog, Meetings, and Trainings. The main content area displays event details such as state (submitted), attendance, ratings, cost, and options. A callout box points to the 'Topics' field, stating: 'If applicable, the request will change to approved or rejected once it's reviewed'. Other callouts highlight the 'Services' section (with a note: 'You can request substitutes for your meeting here (see page 59 to learn how)'), the 'Substitutes' section (with a note: 'You can request substitutes for your meeting here (see page 59 to learn how)'), and the 'Attachments' section (with a note: 'You can upload agendas or documents for your meeting here (see page 51 to learn how)').

EDITING EVENT CONTENT

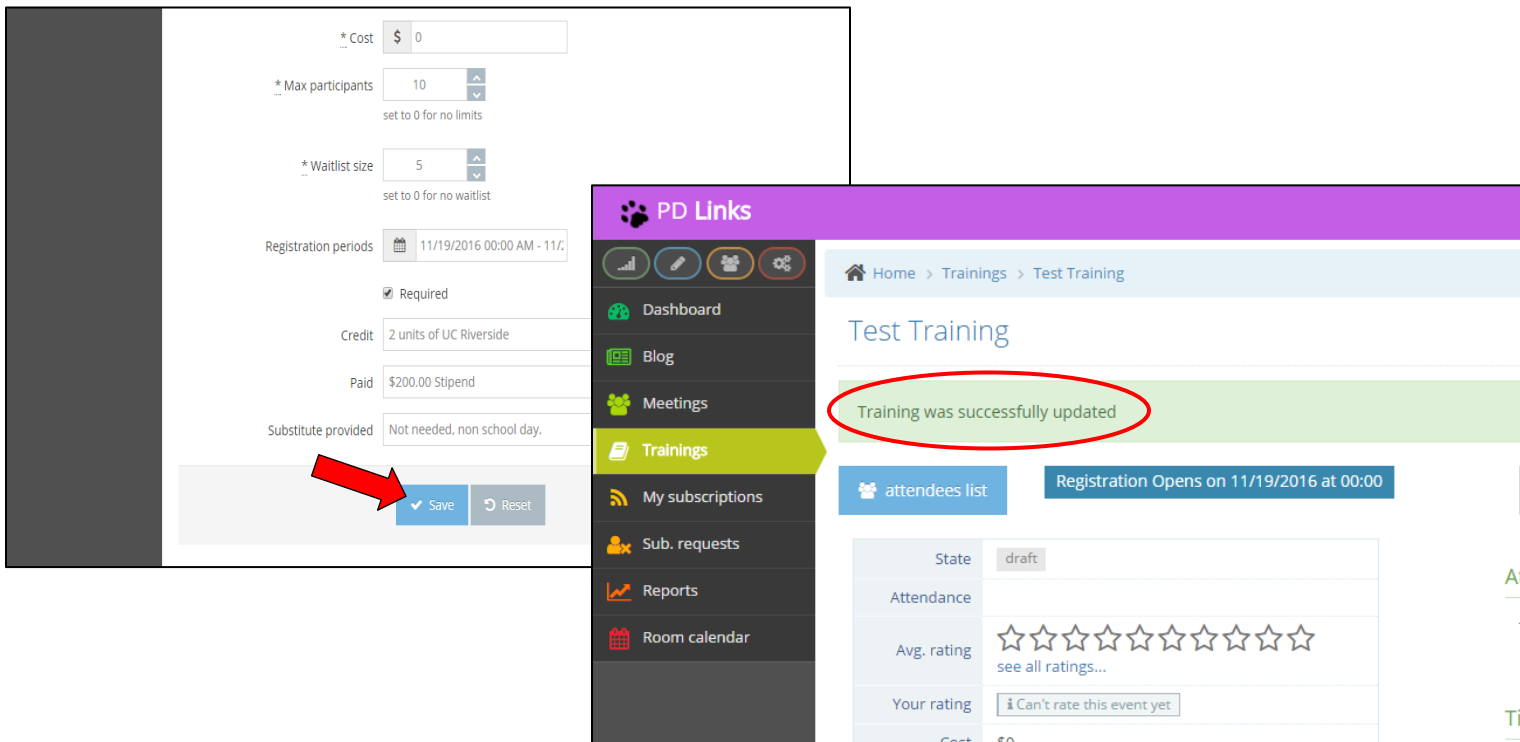

[\[Back to TOC\]](#)

You can always go back and edit your event content before it takes place, whether it's submitted or not, by simply clicking the pencil on the upper right hand corner.

After submitting your event, any changes to the time or location can only be done by contacting one of the program's administrators. – see page 94 for contact information.

After making all the desired changes, don't forget to click *Save*. You'll then get a confirmation as shown below.

COPY TRAINING

[\[Back to TOC\]](#)

This feature will allow you to copy an event’s information without having to start all over. This comes in handy when you are programing a series of trainings that are very similar to each other. The *Copy Training* button will make a copy of the main page content of your training that you will be able to edit. Here’s how it’s done:

1. On the main page of your training you’ll find the *Copy Training* button, click it.

The screenshot shows the PD Links interface for a training titled "Test Training". The interface includes a sidebar with navigation options like Dashboard, Blog, Meetings, and Trainings. The main content area displays training details in a table and several action buttons. A red arrow points to the "Copy Training" button.

SUBSTITUTE REQUEST

[\[Back to TOC\]](#)

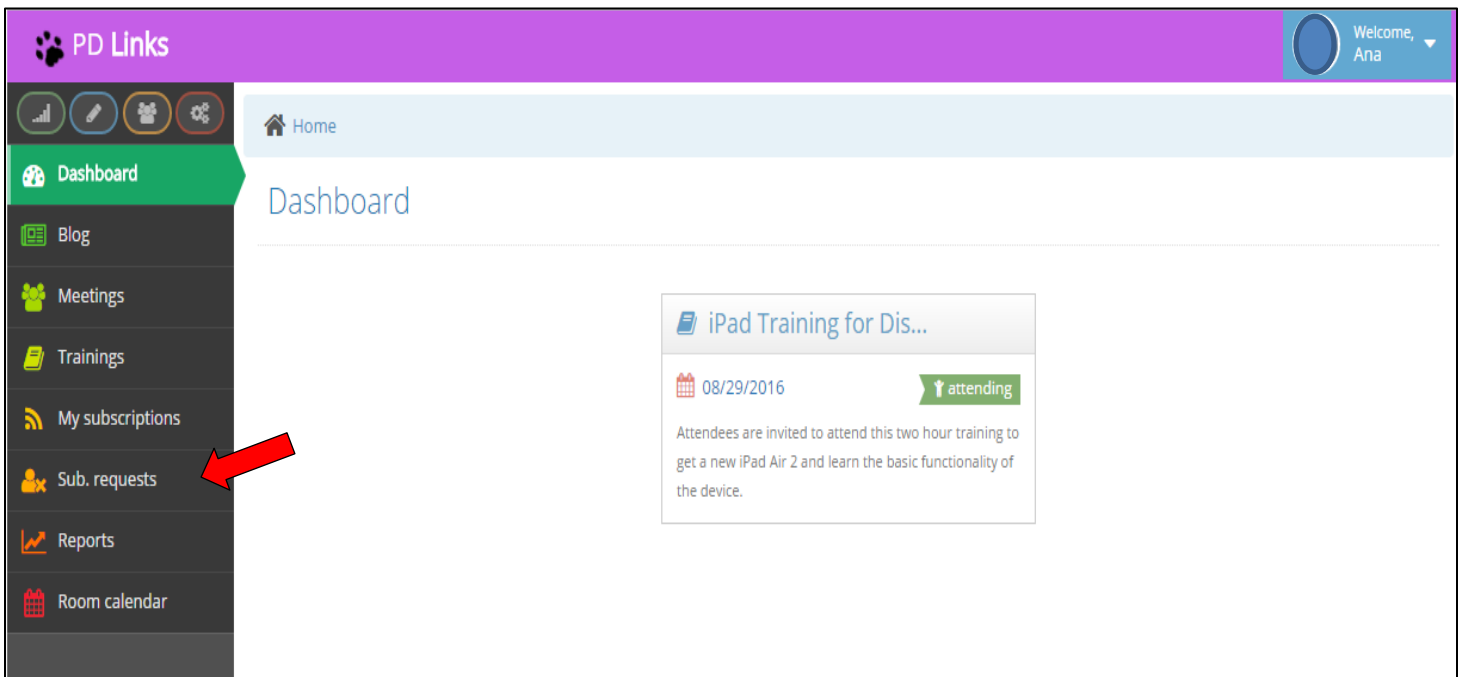

PD Links will also allow you to request a specific number of substituted for your event. The individual assignments still need to go through AESOP Online (www.aesoponline.com), but through PD Links you'll be able to set aside the needed number of substitutes for your event. You can also see how many subs are available or if a particular request has been approved by clicking on the *Sub. Request* tab. (For contact information on approver, see page 94)

SUB. REQUESTS TAB

[\[Back to TOC\]](#)

This is an informational tab where you can check on how many subs are available for school business at any given day or the status of a particular request. Here's how:

1. Click on the *Sub. Request* tab

2. Here you will be able to see any request you have entered and their status. To see if there's any subs available for your particular day, click *Calendar*

The screenshot shows the 'Substitute requests' page. The left sidebar contains navigation options: Dashboard, Blog, Meetings, Trainings, My subscriptions, Sub. requests (highlighted), Reports, and Room calendar. The main content area has a breadcrumb 'Home > Substitute requests' and a title 'Substitute requests'. Below the title is a table of requests with columns: Date, Day of week, Period, Subs., Quota, Status, Event, and Requestor. A red arrow points to a 'calendar' button and a 'filter' button located above the table.

Date	Day of week	Period	Subs.	Quota	Status	Event	Requestor
07/18/2016	Monday	whole day	10	0.0%	canceled	Sub request test	Javier Palomar
07/25/2016	Monday	whole day	10	0.0%	canceled	Sub request test	Javier Palomar
08/15/2016	Monday	whole day	20	50.0%	approved	Tier II PD-Literacy & ...	Barbara Anglin
08/15/2016	Monday	morning	1	50.0%	canceled	test	Rosa Tapia
08/16/2016	Tuesday	whole day	20	50.0%	approved	Tier II PD-Literacy & ...	Barbara Anglin

3. This calendar will allow you to see how many substitutes are still available for any given day.

- **Red** means the day is close to or has maxes out for subs available.
- **Yellow** means its half way to being maxed out for.
- **Green** means there are plenty of subs available

The screenshot shows the 'Substitutes calendar' page for November 2016. The left sidebar is the same as in the previous screenshot. The main content area has a breadcrumb 'Home > Substitutes calendar' and a title 'Substitutes calendar'. Below the title is a calendar grid for November 2016. Navigation arrows are visible at the top right. Annotations include: 'Go forward or back by month' pointing to the navigation arrows; 'Morning' and 'Afternoon' pointing to specific cells; and 'Number of subs requested so far' and 'Number of subs available for the day' pointing to the top and bottom numbers in a cell respectively.

You still have to submit your training or meeting request on the main page.

4. Your request will be reviewed and then you'll see a response on the main page of your event.

The screenshot displays the PD Links interface for a meeting request titled "TEST". The left sidebar contains navigation options: Dashboard, Blog, Meetings (highlighted), Trainings, My subscriptions, Sub. requests, Reports, and Room calendar. The top navigation bar shows "Home > Meetings > TEST" and a user profile for "Ana".

The main content area is divided into several sections:

- Request Summary:** A table showing the request's status as "approved", cost as "\$0", and description as "Testing PD Links".
- Requestor Information:** A table listing the requestor as Ana Palomar, 1 facilitator as Ana Palomar, and various dates for creation, updates, submission, and approval.
- Attendee Tasks:** A section stating "There are no tasks."
- Rooms:** A section for "Day 1" showing a room for 11/23/2016 from 07:30 AM to 03:00 PM, titled "5. Group Training Layout". It also lists an overlapping event for "Palm Springs Regional Association of Realtors" from 07:30 AM to 09:00 AM.
- Services:** A section for "DISTRICT OFFICE ROOMS (Weekdays: M-F)" showing an approved request for 40 people on 11/23/2016.
- Substitutes:** A section showing "10 substitutes" with a pending request for a whole day on 11/30/2016.
- Attachments:** A section with an "add" button.

Two callouts provide additional context:

- A green callout points to the "approved" status in the request summary, stating: "The request will change to approved or rejected once it's reviewed".
- A red callout points to the "pending" status in the substitutes section, stating: "The entire request will not be approved or rejected until your sub request has been approved or denied by the H.R. Specialist".

MANAGING REGISTRATIONS FOR YOUR TRAINING

[\[Back to TOC\]](#)

This feature will allow you to add or delete registered participants before or during your training, according to your trainings criteria.

You can also take attendance electronically during your event. This will allow you to keep a permanent record on each of your trainings reports to be run that include your training, and participants to have record of what training they have attended themselves. Here’s how it work:

ADDING OR REGISTERING PARTICIPANTS TO YOUR TRAINING

[\[Back to TOC\]](#)

1. On the main page of your training, click on *Attendees List*

Ideally, each participant would have to register them self, but if for some reason they did not, you can register them either before or at the training. You would have to be linked to the training as a facilitator- *see page 30*

The screenshot shows the PD Links interface for a training titled "Test Training". A red arrow points to the "attendees list" button. The training details table is as follows:

CONFIRMING ATTENDANCE

[\[Back to TOC\]](#)

1. On the main page of your training, click on *Attendees List* (this would usually happen towards the end of your training)

2. Then simply click the *Confirmed* button for each participant that attended. You don't have to click anywhere else; this action automatically certifies their attendance. You can then just click back to the main page of your event.

MANAGING YOUR WAITLIST

[\[Back to TOC\]](#)

As you're creating your training you can limit the number on your waitlist (*see pages 30 & 31*) to manage this list:

1. Simply click on *Attendees List*

The screenshot shows the PD Links interface for a training event titled "Test Training". The left sidebar contains navigation options like Dashboard, Blog, Meetings, and Trainings. The main content area displays event details in a table format. A red arrow points to the "attendees list" button, and a red circle highlights the "Waitlist size" field, which is currently set to 5. Other details include a state of "approved", a cost of \$0, and a maximum of 10 participants. The "Attendee Tasks" section is empty, and the "Time and Rooms" section shows the event on 12/24/2016 from 07:30 AM to 03:30 PM in room PS-DO-Purchasing-Floor1-(CR-102). The "Services" section includes a "ONLY FOR TESTING" service for the same date, which is also approved.

- You can then: move participants down to the waitlist by clicking their **arrow**. This will automatically move the first person from the waitlist up to the main list. To delete any participant just click their **trash** icon. You can also add participants to waitlist by clicking on the *Add User To Waitlist* button.

The screenshot shows the PD Links interface with a sidebar on the left containing navigation options like Dashboard, Blog, Meetings, Trainings, My subscriptions, Sub. requests, Reports, and Room calendar. The main content area is titled 'Test Training > Attendees' and features three buttons: 'print list', 'print badges', and 'add user to waitlist'. Below these buttons is a table of attendees with columns for First name, Last name, Joined, and a date '12/24/2016'. Each row includes a 'confirm' checkbox and a set of action icons (a downward arrow and a trash icon). A yellow arrow points to the 'add user to waitlist' button. A blue arrow points to the downward arrow icon for the first attendee, Barbara Anglin. Below the attendees table is a 'Waitlist' section with a similar table structure. A red arrow points to the trash icon for the first attendee in the waitlist, Javier Palomar.

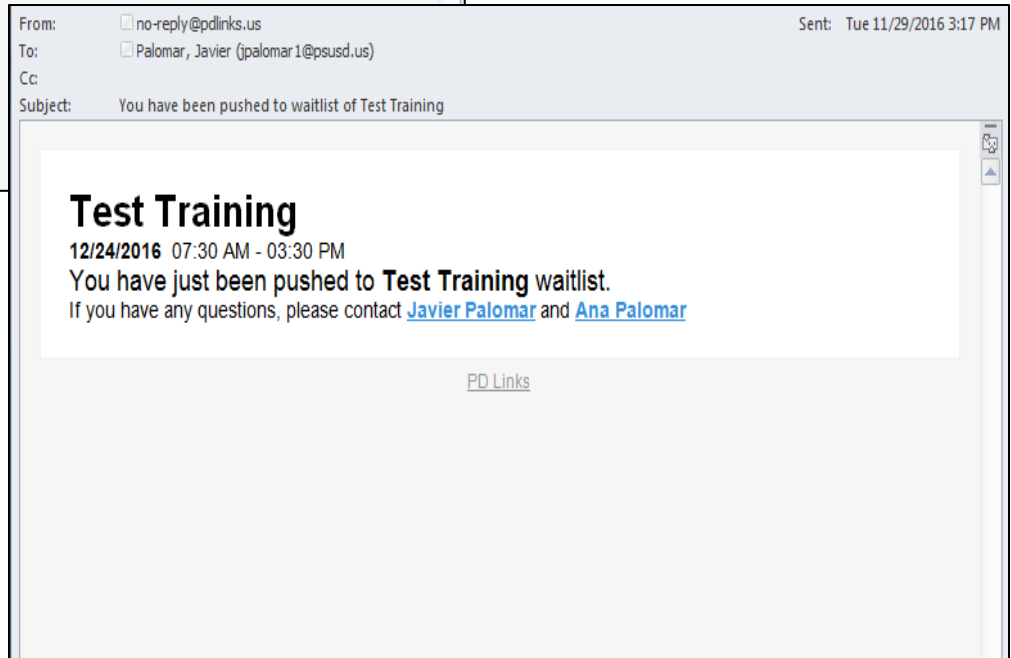

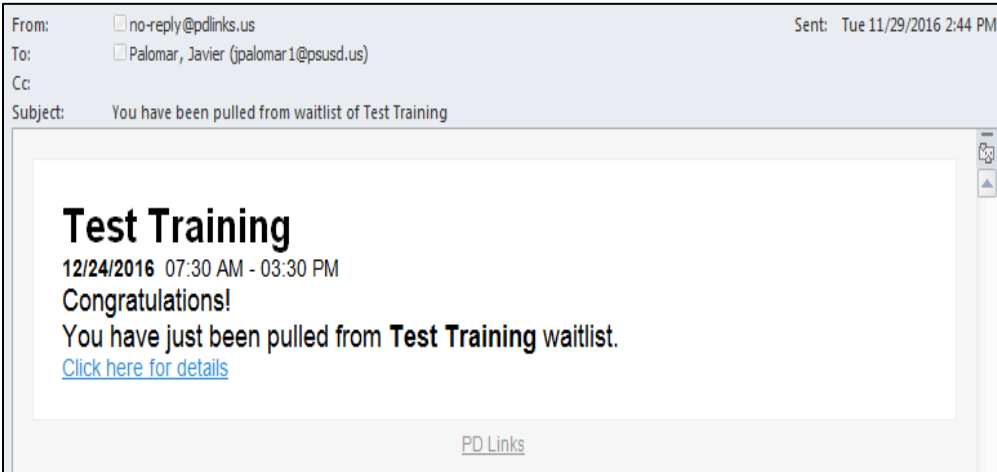

This icon will move the participant down to the Waitlist, and move the first person on the Waitlist to be registered training.

This icon will unregister the participant from the training

BROADCAST

[\[Back to TOC\]](#)

This feature will allow you to send a message (email) to your participants before or after your training takes place. This can be helpful to send out final reminders or to follow up with previous participants of past trainings. Here’s how you do it:

1. On the main page of your training, click on the **Broadcast** button

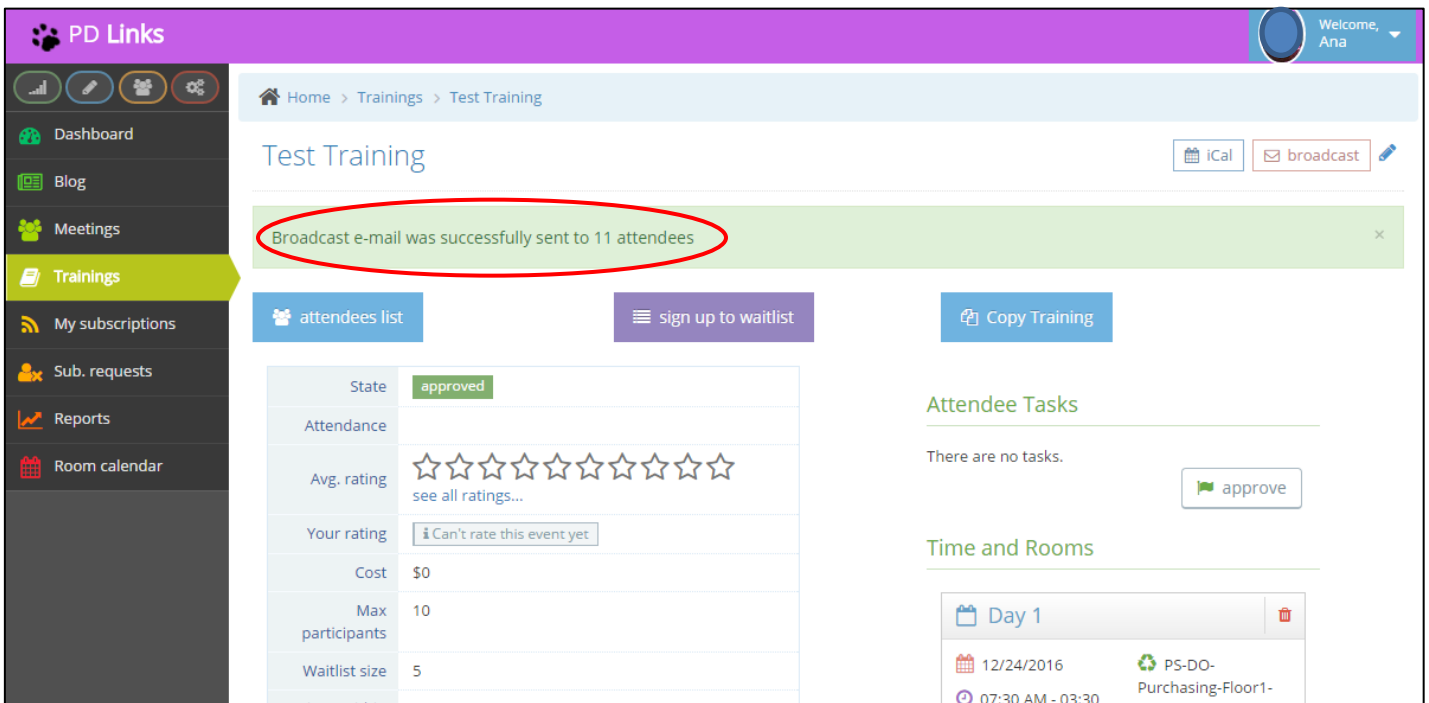

The screenshot shows the 'Test Training' page in the PD Links system. The page includes a sidebar with navigation options like Dashboard, Blog, Meetings, and Trainings. The main content area displays training details such as State (approved), Attendance, Avg. rating, and Register within. A red arrow points to the 'broadcast' button in the top right corner of the page content area.

Another feature you might find helpful is our *Reports* tab. This tab will; help you keep track of your past trainings, allow reports that are run to include your training and allow participants to have of training they attended. Here’s how it works:

1. Click on the *Reports* tab, then Attendance

2. To *Filter* out the results, use the *Query* or the *Date From / Date To* options then click the *Search* button. In *Query*, you can type in name of participant, title of training, or school site to narrow your results. Once you get your results, you can download them in CVS format which you can then modify as an Excel document.

We are happy to introduce a brand new tool in PD Links that will enhance your Professional Development experience. It's PSUSD's very own **FLiPD Learning!**

FLiPD stands for **FL**ipped **i**ndividualized **P**rofessional **D**evelopment. The idea behind it is to have another professional development format for [STAFF](#) & [FACILITATOR](#) to take advantage of the great PD opportunities offered to them through **PD Links**.

Here's how it works, a training can be offered in two parts: 1) Instruction 2) Collaboration. For Instruction, **FLiPD Learning** will allow a Facilitator to add an *Attendee Task* to any particular training. The **Staff** member that registers for that training will then have access to that task which he or she will have to complete before attending the collaboration part of the training. They will be able to upload evidence of completion of the task in the training's main page. This will then be reviewed by the **Facilitator** who will *Approve* or *Deny* the evidence provided, giving feedback to the participant. This will minimize the time that the participant will have to give up of their time since the first part (Instruction) can be done on their own time, at home after work hours.

We will now review how [STAFF](#) & [FACILITATOR](#) to take advantage of this feature:

You can also click on the following link to see a how-to video:

[*Flipped Learning - Staff Member Completes an Activity*](#)

1. On the main page of the training you've registered for (*you can get there by clicking attending ribbon in the training box, in Dashboard Tab*), under Attendee Task click on *Perform*

- You will then see instructions on what is required to do this task. You will then need to include evidence under *Task Evidence*. Write in a description of your evidence. Then upload your file in *Attachment* (you will have to of saved it in your computer or a USB for you to choose it from and upload it). Then just click the *Save* button.

What is a screenshot?

But first, what exactly is a screenshot? A screenshot or screen capture is a picture taken by a computer, mobile or tablet user, using the device in question, to record the visible items displayed on the screen. The image is stored as a graphic file. Screenshots can be taken using various programs or by using particular keyboard/button short cuts.

How to take a screenshot on a computer

Windows

- Hit the **PrtScn** button to take a screenshot of the entire screen: When using Windows, pressing the Print Screen button (located in the top right of the keyboard) will take a screenshot of your entire screen. Hitting this button essentially copies an image of the screen to the clipboard. You'll then need to paste the image into Word, Paint or some other image editing program to view, edit or save the image. If you'd like to capture only the active window press the **Alt** and **PrtScn** buttons together.

Use the Snipping Tool program to take a screenshot of a portion of the screen.

Snipping Tool. Snipping Tool is a program in Windows Vista and a number of other Windows versions that allows you to take screenshots. You can then edit the screenshots and save them. It is useful in taking screenshots.

- Some laptops in particular mightn't have a dedicated Print Screen button. In these cases, you can use combinations that can be used for taking screenshots.

- You'll then get a confirmation like the one shown below and wait for it to be reviewed by the Facilitator of the training. (You can always go back and *Edit* or *Delete* your evidence if you need to modify your entry.)

** If your submission is denied, you can always resubmit. See page 88 to learn how.*

FLIPD LEARNING FOR FACILITATOR - ADDING A TASK

You can also click on the following link to see a how-to video:

[*Flipped Learning - Facilitator Creates an Activity*](#)

1. On the main page of the training you've created, ***BEFOR YOU SUBMIT*** your event, under *Attendee Task* click on *Add*

The screenshot displays the PD Links interface for a training event titled "Test Training". The interface includes a sidebar with navigation options like Dashboard, Blog, Meetings, and Trainings. The main content area shows training details such as State (draft), Attendance, Avg. rating (5 stars), Your rating (Can't rate this event yet), Cost (\$0), Max participants (15), Waitlist size (5), Register within, Options (Required), Credit (2 units of UC Riverside), and Paid (\$200.00 Stipend). The "Attendee Tasks" section shows "There are no tasks." with "approve" and "add" buttons. A red arrow points to the "add" button. The "Time and Rooms" section shows "Day 1" on 12/31/2016, with time 07:00 AM - 03:00 PM and location PS-DO-Purchasing-Floor1-(CR-102). A red circle highlights the "Paid" field, and a red "X" is over the "submit" button.

Before setting a stipend for your **FLIPD Learning** training, please consult with our PD Department.

- You will then be able to insert any information and instructions on the *Attendee Task* you wish your attendees to complete for your event. *Name* (title) and *Description* are required fields. Make sure that the box for *Evidence Required* is checked. After you are satisfied with your entry, simply click *Save*.

The screenshot shows the 'New task' form in the PD Links application. The form is titled 'Test Training > New task'. It contains the following elements:

- Name field:** A text input field containing 'Take a Screenshot'. A red arrow points to it with the label '* Name'.
- Description field:** A rich text editor containing the text 'What is a screenshot? But first, what exactly is a screenshot? A screenshot or screen capture is a picture taken by a computer, mobile or tablet user, using the device in question, to record the visible items displayed on the screen. The image is stored as a graphic file. Screenshots can be taken using... How to take a screenshot on a computer Windows' and a bulleted list: 'Hit the PrtScn button to take a screenshot of the **entire screen**: When using Windows, pressing the Print Screen button (located in the top right of the keyboard) will take a screenshot of your entire screen. Hitting this button essentially copies an image of the screen to the clipboard. You'll then need to paste the image into Word, Paint or some...'. A red arrow points to the description field with the label '* Description'.
- Rich Text Editor Icons:**
 - An image icon (labeled 'This icon is for inserting images').
 - A video icon (labeled 'This icon is for inserting videos').
 - A table icon (labeled 'This icon is inserting tables').
- Evidence required:** A checkbox labeled 'Evidence required' which is checked. A red arrow points to it.
- Buttons:** 'Save' and 'Reset' buttons at the bottom. A red arrow points to the 'Save' button.

3. You will then get a confirmation like the one shown below. To check what it will look like for your participants, click on *Perform* under *Attendees Task*

- Use the Snipping Tool program to take and edit screenshots: If you're having difficulty locating or using the Print Screen key you might prefer to use

- Snipping Tool. Snipping Tool is a program that is included for free with Windows 7, Windows Vista and a number of other Windows products. It allows you to take screenshots easily by clicking New and then selecting the area that you'd like to screenshot. You can then edit the screenshot, using highlighter and pen tools. Snipping Tool is just one of numerous tools available to assist you in taking screenshots.
- Some laptops in particular mightn't have a PrtScn key. The user manual that came with your machine should have instructions on different key combinations that can be used for taking screenshots.

4. When you return to the main page, and only if your done with modifying your event, click the *Submit* button to set your task

The screenshot shows the PD Links web application. The top navigation bar includes 'PD Links' and a user profile 'Welcome, Ana'. The left sidebar contains navigation links: Dashboard, Blog, Meetings, **Trainings**, My subscriptions, Sub. requests, Reports, and Room calendar. The main content area is titled 'Test Training' and includes a breadcrumb 'Home > Trainings > Test Training'. Below the title are buttons for 'attendees list', 'submit', and 'Copy Training'. A red arrow points to the 'submit' button. The 'submit' button is located to the left of the 'Copy Training' button. Below these buttons is a table with details for the training event, including State (draft), Attendance, Avg. rating (10 stars), Your rating (Can't rate this event yet), Cost (\$0), Max participants (15), Waitlist size (5), Register within, and Options (Required). To the right of the table is a section for 'Attendee Tasks' with a table listing tasks like 'Take a Screenshot' and 'Perform'. Below that is a 'Time and Rooms' section showing 'Day 1' with dates and room information.

PD Links

Palm Springs Unified Professional Development management procedure before **PD Links**, was really a multi-step process. The Department / Facilitator putting the event together would have to reserve a location in a paper calendar. Once that was secured, it would then have to go to an online PD management program for teachers to register for that training. An electronic (district email) invitation would then go out to the staff for them to look up any given event. All other services would have to be negotiated individually.

That has all gone away with **PD Links**. This is a one stop shop for all of our Professional Development management needs! We are so proud of our district for supporting our vision of an online managing program that would meet all our needs. What is even more exciting about this tool is that it's a growing system. So as our needs change or grow, we'll be able to add or modify this amazing program.

Our previous way of arranging and managing PD served its purpose. It was time for an upgrade and that's what **PD Links** did for us. **PD Links** is an end-to-end, cloud-based PD management solution. **PD Links**; manages training and training approval, manages district resources and services, automatically promotes professional development to teachers and staff, and integrates with the district ETIS infrastructure. In **PD Links** training requests are created and submitted to the PD department for approval. Once approved, rooms are automatically booked and services automatically requested. Teachers are notified based on training interests of upcoming professional development. Attendance for each session is tracked and reported directly in **PD Links**. Teachers review training and the feedback is shared with facilitators and the Professional Development department for the purpose of improving future training.

We are proud to say that PSUSD is on the forefront of using technology to enrich our student's education and enhance our staff's professional development. **PD Links** was developed with this goal in mind. So, welcome to the future of Professional Development...
