The Educational Services' Professional Development Department is very proud to announce a new online professional development registration system…

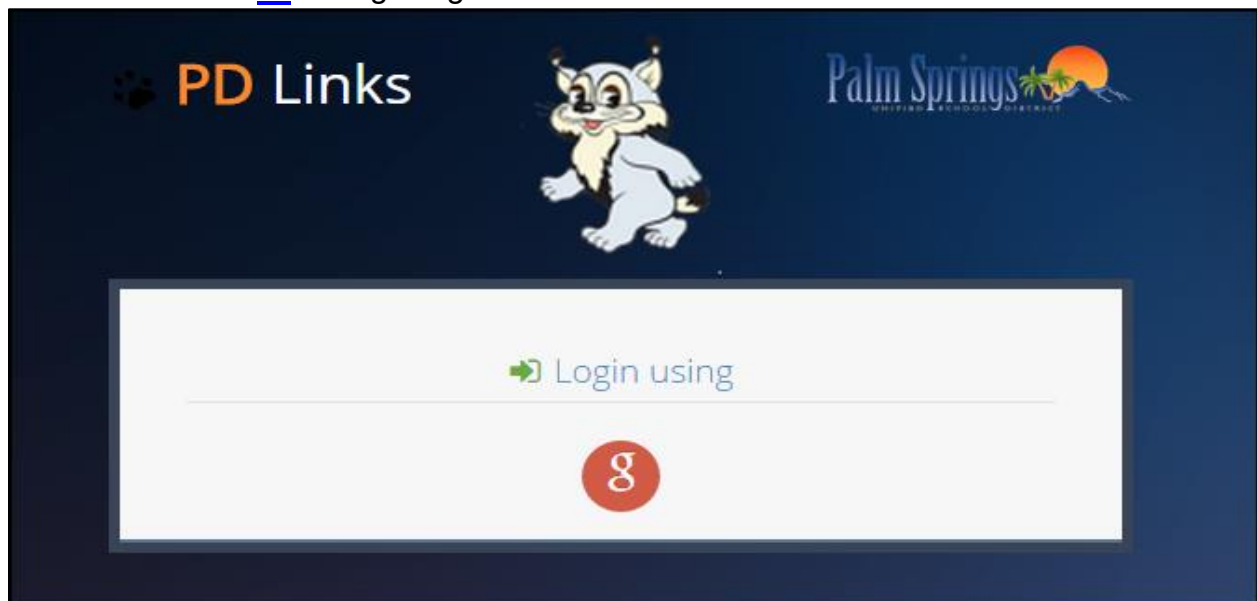

You will be able to find PD Links at
pdlinks.us

To open pdlinks.us you will need to use either your Google or FireFox browser; PD Links will not work on the Safari browser
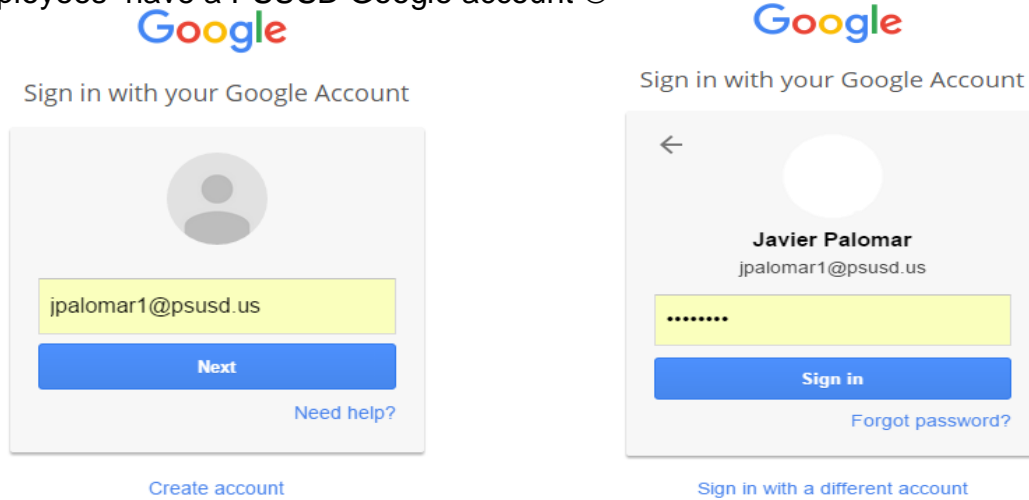

1. Click on sign in on upper left hand corner.

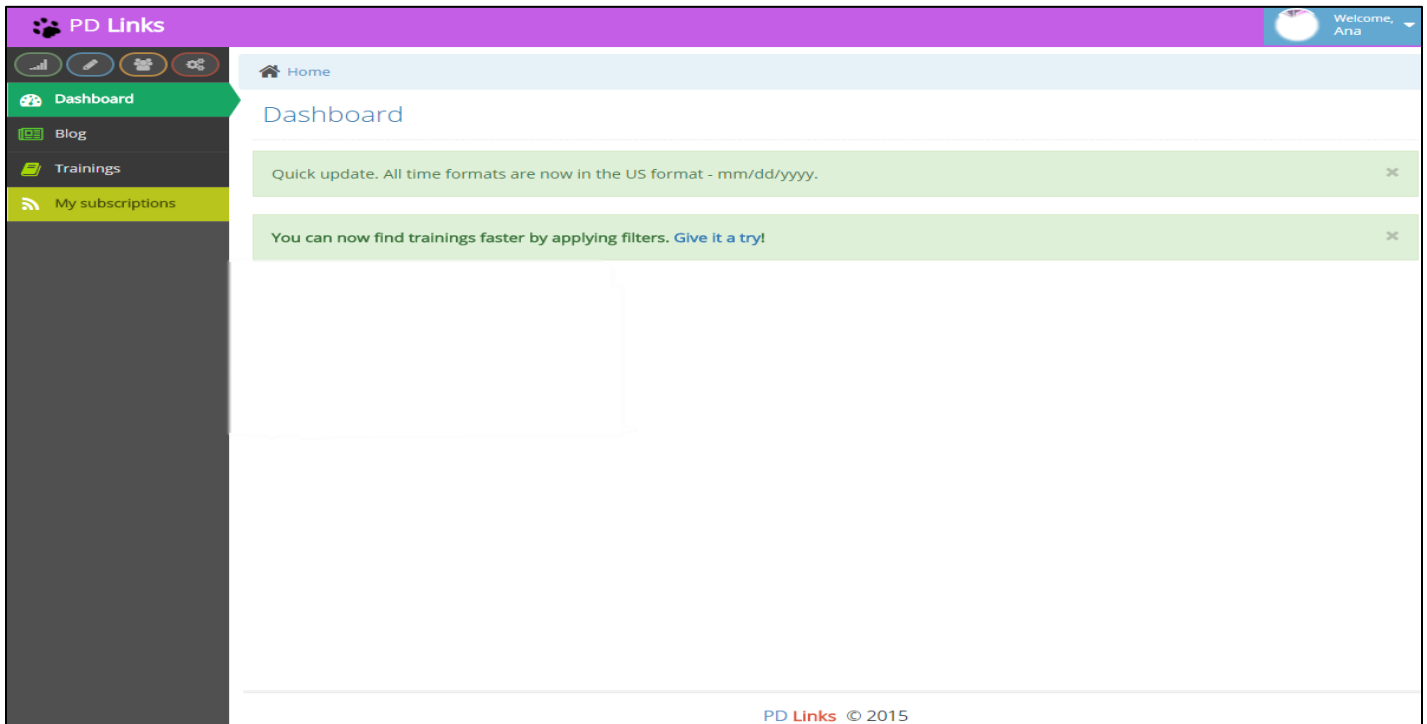

2. Click the red "G" Google logo

3. You will then be asked to sign into your PSUSD Google account… all permanent employees have a PSUSD Google account ☺

It's your email address and password. If you have never utilized this account then the generic password will be ***psusd123*** … you will need to change this once you are in.
If you cannot get past this Google account step please send me an email at jpalomar1@psusd.us for assistance.

4. Voila! You are in!

Even if you are not going to sign up for a training we need you to please sign into PD Links so your account can be activated. Thank you kindly.
