The PSUSD Desert Hot Springs Common Parent Handbook

The PSUSD Desert Hot Springs Common Parent Handbook represents the common school policies shared by the elementary schools within Desert Hot Springs. The policies and structures described within this handbook

are developed through the collaborative work done by the elementary schools within Desert Hot Springs. Policies align with California Education Code, PSUSD Board Policies, and best practices at the school sites.

Parent Handbooks are electronically distributed at the beginning of each school year and upon enrollment at a school site. Additional copies of the Parent Handbook can be requested from each school site office during the school year.

Questions regarding the Parent Handbook can be directed to the administration office at any of the PSUSD Desert Hot Springs elementary school sites.

Student Attendance

Making every effort to have your child in school on time, every day, all day is one of the greatest contributions a parent can make to their child's education.

Compulsory laws mandate that children between the ages of 6 and 18 must attend school. The definition of "truancy" is any student who is absent or tardy from school without a valid excuse. Students who are tardy in excess of 30 minutes on any three days, in one school year, will be considered truant. Attendance interventions will be put into place for students who become classified as truant. Excessive early dismissals will also be given this classification. The compulsory attendance laws of the State of California determine whether or not an absence may be excused.

Please call the school office on the day of absence, submit the online form where available, or send a note to explain the absence. State law requires schools to have communication from the home for each absence. Reasons for absences must be reported and verified within two weeks of the date of absence.

If absences, tardy notations, and truancy become excessive, a family will need to attend a School Attendance Review Team (SART) meeting with site administration or designee. Should attendance not improve following the SART meeting, a SART meeting is missed by a family, or the attendance issues are considered egregious, the case will be referred to the Palm Springs Unified School District School Attendance Review Board (SARB) for further action. Parents of students who have habitual absences, regardless of reason, may be referred to the Riverside County District Attorney by the Child Welfare and Attendance Office.

Please remember that when you arrive late or pick up your child early it disrupts the entire class.

The compulsory attendance laws of the State of California determine whether or not an absence may be excused. The only reasons for absences to be excused are:

1. Illness (doctor's note is required for absences of more than three days)
2. Quarantine by health officer
3. Medical, dental, optometric, or chiropractic services for the student
4. Funeral for a member of the immediate family

Assignments for absences and Short Term Independent Study (STIS)

Palm Springs Unified School District mandates if a child is absent for five or more days, the child's parents sign a Short-Term Independent Study Plan Contract to ensure the education process is continued during the extended absence. Please inform the office **at least one week prior** to the start of the proposed Short-Term Independent Study period.

Parents of students absent due to illness for three or more consecutive days may request assignments through the office. Teachers will make every effort to respond to the request by the following day. Students and parents should contact their school site for more information.

Arrival at School

Students must not arrive at school prior to the opening of the school site gates. Supervision is **NOT** available at any school site until the designated opening time. Students should enter campus upon arrival and not linger outside the gates.

Students Who Are Tardy

If your child is being dropped off after the bell has rung, your child must check into the office and receive a tardy pass. Remember that being tardy affects your child's attendance, which can lead to a revoke in transfer or other actions taken by the school and district.

Early Dismissal/Leaving Campus During School Hours

Once students arrive, they may not leave the campus until dismissal except for a legally excused reason. Parents are urged to make every effort to schedule doctor or dental appointments during non-school hours. When early dismissal is necessary, a parent or guardian must come into the office to sign the release for a student and document the reason for the early removal from school. Completion of the early excusal form is required for early release. Students will not be released within the 15 minutes prior to dismissal due to security reasons. Students being released during recess and lunch may have an extended wait. This ensures that all adults supervising the students are able to remain in their designated areas, keeping students safe. Excessive early dismissals will result in referral to the district SARB process regarding attendance.

Student Dismissal

During student dismissal, safety is of primary concern. Following all school staff directives and dismissal plans is vital to ensuring the safety of students, family members, and staff. Students will not be released from any DHS school site 15 minutes prior to dismissal. In addition, parents or other family members MAY NOT wait in the office until the bell rings or walk through the office when the bell rings. Given that we are a closed campus, anyone on campus to pick up a student must be outside the main gates.

When picking up a child, remember to:

- Park in appropriate/legal places to walk and meet your child.
- Pick your child up at the curb per the plan issued by your child's school site. Please pull forward along the curb to pick up your student in any loading zones.
- Parking in the loading zone, fire lane or handicap parking spaces is prohibited and can result in a citation and fine. Handicap parking is designated for cars with displayed placards only.
- Crosswalks are expected to be used when crossing the street. Do not allow your child to cross in front of or between any vehicles. Parent support in demonstrating use of crosswalks is appreciated.
- Avoid blocking any school bus and/or crossing area.
- Demonstrate courtesy and safe driving while on or near our school grounds.
- Students must be picked up within 15 minutes of the dismissal bell.
- Students who have after school programs (such as interventions, clubs, or athletics) must report to their designated activity immediately following the school day.
- Late pickups are monitored by the main office. Excessive late pickups will lead to SART or Child Protective Services referrals.

Students Who Are Picked Up Late

Dismissal is 3:30 on Mondays, Tuesdays, Thursdays, and Fridays. Wednesdays and minimum day dismissal is 1:05pm. The office is open until 4pm daily. If a student remains after school for more than 30 minutes, security and/or DHS Police/Sheriff will be contacted. Students who are continually picked up late will be tracked and a report will be filed with CPS. If you know you are going to be late due to an emergency, please call the office and we will be happy to work with you.

Student Dress Code

All schools enforce the Palm Springs Unified School District's Dress Code Policy. Students will be required to follow the dress code listed below at all times. Students should come to school properly prepared for participation in the educational process. Questions regarding this policy should be directed to site administration. Appropriateness of any clothing item will be determined at the discretion of site administration. See PSUSD Dress Code for more information.

1. Shoes must be worn at all times. Sandals must have heel straps. Flip-flops, backless shoes, or sandals are not acceptable.
2. Clothing, jewelry, and personal items (backpacks, fanny packs, gym bags, water bottles etc.) shall be free of writing, pictures or any other insignia which are crude, vulgar, profane, or sexually suggestive, which bear drug, alcohol, or tobacco company advertising, promotions and likenesses, or which advocate racial, ethnic, or religious prejudice.
3. Hat wearing privileges may be revoked for any student at any time when it is not conducive to the learning environment at the discretion of site administration.
4. Clothes shall be sufficient to conceal undergarments at all times.
5. Glasses must be appropriate for the classroom setting; prescription sunglasses which are prescribed for indoor use may be worn in class. Other types of sunglasses may be worn on campus outside of class.
6. Because gang-related symbols are constantly changing, items that are perceived to be gang-related apparel are prohibited.

The importance of parent participation in preventing gang violence cannot be emphasized enough. A "no-nonsense" attitude has been adopted by staff and administration to keep our schools safe and orderly. Students who may not be involved with gangs may be mistakenly associated with them by the clothing they wear. Therefore, decisions regarding acceptable dress will be made consistently and equitably on campus.

Styles of clothing may vary from school to school, and may change from year to year. Consequently, prior to disallowing the wearing or displaying of the questionable clothing, each school reserves the right to make the determination that particular styles may, in fact, disrupt the educational environment.

Violation of the dress code may warrant one or more of the following actions: parents/guardians being notified, shirts being loaned to students in lieu of inappropriate attire, and/or shirts being worn inside-out or covered with an outer garment.

Student Discipline

Students are held responsible for their actions. If a student continues to exhibit unacceptable behavior at school, progressive corrective alternatives will be considered that may include suspension from school. This

includes any and all actions taking place from the time that the student leaves home until they return home in a timely manner following completion of the school day.

Interventions to support appropriate student behavior might include but not limited to:

- Counseling by the classroom teacher, another teacher, school counselor, mental health therapist, or administrator.
- Loss of privileges (e.g. loss of recess, assemblies, etc.) and/or assignment of added responsibility.
- Required participation in a structured behavior plan. Each plan will be customized to the specific need of the student in question.
- Referral to a Student Success Team to review concerns and to develop a structure for student improvement.

Things to remember...

- Students are to stay in their assigned grade level areas. Safety cannot be monitored for students leaving their designated areas without permission.
- Students will show respect for others, use good manners, play fair, and use acceptable language, and follow the directions of all school personnel.
- Students will keep their hands, feet, and objects to themselves.

- The CARES/isolation room will be a separate space from the student health office to ensure that well children are not interacting with potential COVID positive students
- A trained staff member will always supervise the students to ensure safety
- Students will be required to wear a mask, if able. A mask will be provided to the student if necessary. Staff will wear appropriate PPE as required by Cal-OSHA.
- No parents or unauthorized persons will be allowed to enter the CARE room

Student Illness or Injury

If your child becomes ill or injured at school, the school will contact you to pick up your child for your own observation or examination by your family physician. If we cannot reach a parent and or guardian, the student will be discharged to a person named on the emergency card. Ill or injured students cannot remain at school. Under emergency circumstances, the school may contact emergency services to tend to the child. ***It is important for parents to keep medical emergency cards up to date in case a parent or designated alternate adult needs to be called.***

Breakfast/Lunch Conduct

Throughout Desert Hot Springs schools, proper student conduct is expected during breakfast and lunch periods. General rules are as follows:

- Students are to sit in designated and approved locations.
- Students are to clean up all trash and debris after eating.
- Students should eat their own food and not share with others.
- Students are expected to act safely, responsibly, and respectfully with adults and peers.
- Once dismissed from the eating area, students must remain in designated areas through the completion of the breakfast or lunch period.

Rules for cafeteria conduct are posted at each site. Rules regarding mealtimes are reviewed with students throughout the school year.

Playground and Blacktop Rules

For elementary school playgrounds and blacktop areas, rules must be followed to ensure student safety. Supervision is provided in these areas to monitor student interaction. General rules regarding playground and blacktop areas are as follows:

- Students must stay in designated areas for all playground and blacktop usage times.
- Students must follow all directions from supervisory staff (security, supervision aides, teachers, etc.).
- Playground and blacktop equipment must be used in a safe and appropriate manner. Unsafe use of playground or blacktop materials will result in behavior management through progressive discipline.
- Respectful conduct is expected between all students at all times. Conflicts and disagreements must be brought to the attention of supervisory staff immediately.

Rules and policies specific to each school due to the configuration and structures in playgrounds and blacktop areas are reviewed regularly with students. Please speak with administration office staff or your child's teacher with questions regarding site specific rules.

Emergency Cards and Information

Each year parents/guardians must complete a new emergency card, which is filed in the school office. Current addresses assure delivery of information from the District Office, important notices, etc. Current telephone numbers enable the school to contact parents or guardians for emergency purposes, to clear absences, or other circumstances as needed.

It is essential that the information on the card is kept current throughout the school year for the school to contact parents when necessary.

In an emergency, parents/guardians will be the first person called. When parents/guardians are unavailable, the emergency numbers will be used. If you or the emergency contacts cannot be reached, the only option is to use site administrator judgment in obtaining medical attention for a seriously ill or injured child.

Emergency Situations

In the event of an emergency situation, students will be moved to a safe assembly area. Communication from the school will be authorized by PSUSD and made to parents once student safety has been assured. No communication will originate from the school site until such authorization has been granted. Parents must not enter campus during emergency events, as this can compromise student safety. Parent patience during emergency situations is appreciated. Parents arriving to pick up students will report to a check-in location. Parents will not be allowed in the Emergency Assembly Area. A staff member will take a name request from the parent and send for the student. **Parents will be required to show government issued identification during emergency pick-up routines.** This process is intentionally slow and methodical, allowing the school to ensure student safety throughout the process.

Digital Citizenship:

Technology and Internet Usage

Palm Springs Unified School District has stringent policies regarding the appropriate use of technology and internet access. All students have the opportunity to access programs and information from the internet. Parent permission via signed consent and student training is required before access to the internet and/or device is granted. Teacher training and monitoring policies and procedures are in place. Violations of acceptable and instructional use of district provided technology or internet access will result in loss of technology privileges and possible further consequences through progressive discipline processes. Unapproved personal technology usage may lead to consequences regarding further use of site technology resources.
