

RAYMOND CREE MIDDLE SCHOOL

"Cree-ating Excellence in Education"

Raymond Cree Middle School's Academic Interventions

1. **Conferences** – Contact your student's teachers to meet regarding grades and academics and your student's counselor to meet regarding personal/social and/or academic concerns.
2. **Classroom Visits** – Parents may visit their student's class by request or per teacher request. Parent should inform office of request and/or specific teachers prior to visit
3. **Ahead of the Game Tutoring** – Small group and individual after school tutoring in the library with staff and teachers. After school and lunch tutoring also available.
4. **Strategic/Intervention math classes and math bootcamp** – Students are placed in specific math classes to grow their skills. In Math boot camp, students work in small groups to understand specific standards. Students selected based on formative assessments.
5. **ASES Tutoring** – Qualifying students will be offered tutoring services while attending the ASES program.
6. **FEV Online Tutoring Services** – This service is geared to support students in both English and Math. FEV tutors enable students to work 1:1 with virtual professional tutors.
7. **Daily Student Agenda checks** – students may ask their teachers to check and initial their agendas for completeness and accuracy; parents would check that assignments are complete.
8. **ParentVue** – Parents will be able to view their child's grades, assignments, attendance, contact teachers and more. Obtain access from registrar's office.
9. **Lunch Bunch** – Supports students with a grade point average of 1.5 – 1.9 based on trimester progress reports and trimester grades. Students are cycled through grading periods and given academic and personal/social support with an emphasis on growth mindset. Students are assigned to this program by their counselors
10. **Newcomer Tutoring support** – Designed to support English Language Learners and introduce robotics and engineering literacy to English learners.
11. **Student Study Teams Referral (SST)** – formal meeting to discuss any problems or concerns that a parent or staff member has regarding a student, and to brainstorm interventions and create possible solutions. SST meetings are scheduled only after individual meetings and classroom interventions have been attempted. All referrals for consideration of a Special Education Assessment and/or Section 504 Plan begin with an SST meeting.
12. **Outreach Centers** – Students may access homework support and/or tutoring at the following locations:
 - James O' Jessie Unity Center (Palm Springs)
 - Casa Del Sol/Cork Hill (Desert Hot Springs)
 - Boys and Girls Club (Cathedral City)
 - Farrell Building (Palm Springs)
