### **E. FIGHTING AND WEAPONS**

The Palm Springs Unified School District has a zero-tolerance policy for violence at school. Students who fight or bring weapons to school can be suspended from school and may be expelled from school. At the elementary school level students who bring knives or other weapons to school (including toy versions) usually do not bring them to school with intent to harm other students; however, the fact that they brought the weapon to school is still cause for suspension. Fingernail clippers and other combination tools with a blade are considered to be knives. In addition, laser pointers are dangerous and are considered weapons.

### **F. RECESS - PLAYWORKS**

Playworks was founded in 1995 by Jill Vialet. Students are given opportunities to play games of their choosing, lead the game, and settle disputes. Students use the rock-paper-scissor method to promote positivity, teamwork, and resolution of disputes. Our recess is modeled after the Playworks program and is the inspiration to our recess. CCE recess expectations focus on being safe, positive, and a team player.

## G. BULLYING

It is important that students understand the importance of making good choices and refer to the Cathedral City Elementary PRIDE Expectations Matrix to help guide them. Students attend a School Expectation Assembly within the first days of school to review CCE rules and expectations. You can also reference Appendix B for PSUSD Bullying Definition.

## H. HARASSMENT AND DISCRIMINATION

All students are to be treated equally and with respect at Cathedral City Elementary School. Harassing or bothering students in a sexually inappropriate way, or because of their ethnicity or color is unacceptable and may result in a suspension. Retaliatory behavior against those who report harassment or discrimination is prohibited.

## I. CELL PHONES

Students are not permitted to use cell phones during school hours for any reason. All calls must be made through the school office. Cell phones will be permitted only in students' backpacks and must be off at all times or checked in with the child's classroom teacher. If a student has their phone out or turned on, the cell phone will be confiscated until a parent comes to pick up the cell phone from the office and meets with the principal.

---

*Any student who is found to be responsible for any of these offenses will be subject to appropriate disciplinary action up to and including suspension/expulsion. **The severity of the disciplinary action will be based upon the circumstances of the infraction.***

## Student Discipline

Students are held responsible for their actions. If a student continues to exhibit unacceptable behavior at school, progressive corrective alternatives will be considered that may include suspension from school. This includes any and all actions taking place from the time that the student leaves home until they return home in a timely manner following completion of the school day.

Interventions to support appropriate student behavior might include but not limited to:

- Counseling by the classroom teacher, another teacher, school counselor, mental health therapist, or administrator.
- Loss of privileges and/or assignment of added responsibility.
- Required participation in a structured behavior plan. Each plan will be customized to the specific need of the student in question.
- Referral to a Student Success Team to review concerns and to develop a structure for student improvement.

Things to remember...

- Students are to stay in their assigned grade level areas. Safety cannot be monitored for students leaving their designated areas without permission.
- Students will show respect for others, use good manners, play fair, and use acceptable language, and follow the directions of all school personnel.
- Students will keep their hands, feet, and objects to themselves.

Under California Education Code 48900, the following offenses are grounds for suspension and/or expulsion from school. Students may be suspended or expelled upon the first incident for the offenses listed in sections a-e.

**PROGRESSIVE DISCIPLINE:** Progressive discipline seeks concurrent accountability and behavior change. The goal of progressive discipline is the prevention of a recurrence of negative behavior by helping students learn from their mistakes. It is the training that develops self-control, character, orderliness, and efficiency. It is the key to good conduct and proper consideration for other people. Students are expected to follow acceptable standards of good behavior and to demonstrate good citizenship at all times. Our policies include programs of rewards and honors for appropriate behavior. Students who are unable to follow these standards will receive consequences for their actions.

## **SCHOOL DRESS CODE POLICY**

All schools enforce the Palm Springs Unified School District's Dress Code Policy. Students will be required to follow the dress code listed below at all times. Students should come to school properly prepared for participation in the educational process. Questions regarding this policy should be directed to site administration. Appropriateness of any clothing item will be determined at the discretion of site administration. See PSUSD Dress Code for more information.

1. Shoes must be worn at all times. Sandals must have heel straps. Flip-flops, backless shoes, or sandals are not acceptable for safety reasons.
2. Clothing, jewelry, and personal items (backpacks, fanny packs, gym bags, water bottles, etc.) shall be free of writing, pictures or any other insignia which are crude, vulgar, profane, or sexually suggestive, which bear drug, alcohol, or tobacco company advertising, promotions and likenesses, or which advocate racial, ethnic, or religious prejudice.
3. Hat wearing privileges may be revoked for any student at any time when it is not conducive to the learning environment at the discretion of site administration.
4. Clothes shall be sufficient to conceal undergarments at all times.
5. Glasses must be appropriate for the classroom setting; prescription sunglasses which are prescribed for indoor use may be worn in class. Other types of sunglasses may be worn on campus outside of class.
6. Because gang-related symbols are constantly changing, items that are perceived to be gang-related apparel are prohibited.

The importance of parent participation in preventing gang violence cannot be emphasized enough. A "no-nonsense" attitude has been adopted by staff and administration to keep our schools safe and orderly. Students who may not be involved with gangs may be mistakenly associated with them by the clothing they wear. Therefore, decisions regarding acceptable dress will be made consistently and equitably on campus.

***Styles of clothing may vary from school to school, and may change from year to year. Consequently, prior to disallowing the wearing or displaying of questionable clothing, each school reserves the right to make the determination that particular styles may, in fact, disrupt the educational environment.***

Violation of the dress code may warrant one or more of the following actions: parents/guardians being notified, shirts being loaned to students in lieu of inappropriate attire, and/or shirts being worn inside-out or covered with an outer garment.

## **ATTENDANCE INFORMATION**

**Making every effort to have your child in school on time, every day, all day is one of the greatest contributions a parent can make to their child's education.**

Compulsory laws mandate that children between the ages of 6 and 18 must attend school. The definition of "truancy" is any student who is absent or tardy from school without a valid excuse. Students who are tardy in excess of 30 minutes on any three days, in one school year, will be considered truant. Attendance interventions will be put into place for students who become classified as truant. Excessive early dismissals will also be given this classification. The compulsory attendance laws of the State of California determine whether or not an absence may be excused.

Please call the school office on the day of absence, submit the online form where available, or send a note to explain the absence. Please try to schedule doctor and dental appointments after school or during vacation time as much as possible. The school receives state funds every day your child is in school. If your child is not in school, he/she is missing valuable instruction. If students are not in school, they cannot learn. We often reward students for attendance, those who are at school every day, on time, and do not leave early.

State law requires schools to have communication from the home for each absence. Reasons for absences must be reported and verified within two weeks of the date of absence.

If absences, tardy notations, and truancy become excessive, a family will need to attend a School Attendance Review Team (SART) meeting with site administration or designee. Should attendance not improve following the SART meeting, a SART meeting is missed by a family, or the attendance issues are considered egregious, the case will be referred to the Palm Springs Unified School District School Attendance Review Board (SARB) for further action. Parents of students who have habitual absences, regardless of reason, may be referred to the Riverside County District Attorney by the Child Welfare and Attendance Office.

Please remember that when you arrive late or pick up your child early it disrupts the entire class.

The compulsory attendance laws of the State of California determine whether or not an absence may be excused. The only reasons for absences to be excused are:

1. Illness (doctor's note is required for absences of more than three days)
2. Quarantine by health officer
3. Medical, dental, optometric, or chiropractic services for the student
4. Funeral for a member of the immediate family

**EARLY RELEASE OF STUDENTS:** The parent, guardian, or person authorized on the emergency card must come into the school office to sign out the student. Students will not be called out of class until the parent / guardian arrives to pick him / her up. All adults **MUST** be listed on the emergency card and may be asked to present a picture ID in order to check a student out of school. ***Please do not pick up your child early to avoid traffic in our parking lot. We will not release students during the last 30 minutes of the school day to avoid disruption to the classrooms.***

**PLEASE KEEP YOUR STUDENT'S EMERGENCY CARD CURRENT FOR THE SAFETY AND PROTECTION OF YOUR CHILD/CHILDREN INCLUDING THE PARENTS' CORRECT WORK PHONE NUMBERS, HOME PHONE NUMBERS, AND THE NAMES AND TELEPHONE NUMBERS OF PEOPLE WE MAY CONTACT IN THE EVENT OF AN EMERGENCY. WE WILL RELEASE YOUR CHILD TO ONLY**

**THOSE PEOPLE WHO ARE LISTED ON THE EMERGENCY CARD. ALSO BE AWARE THAT WE CANNOT RELEASE CHILDREN TO MINORS DURING SCHOOL HOURS OR AFTER THE DISMISSAL PERIOD.**

**MOVING:** If you are going to move out of the Cathedral City Elementary School attendance area, parents should notify the school office by calling or sending a note stating the date the family is moving and the new address. At that time, the student will have to return any books or materials that belong to the school.

### **NUTRITION, HEALTH, & WELLNESS**

**STUDENT WELLNESS:** The Palm Springs Unified School District Board of Education adopted a Board Policy for student wellness. This policy discusses nutrition and physical activity. The food served in the cafeteria at breakfast and lunch will have new nutritional guidelines. Low-fat and fat-free milk will be served as well as providing more whole grains. A variety of fruits and vegetables will also be served.

If your child is bringing a lunch, it is important to pay attention to the nutritional value as it relates to sustaining their performance throughout the day.

- Do not send carbonated soft drinks or sugary beverages or candy.
- **Fast food lunches** are not allowed at school.
- Students are not to share their food or beverages with one another during meal or snack time, due to concerns about allergies or other restrictions on some children's diets.
- **Red Hot Cheetos, Takis, or other foods with red dyes are not permitted to be brought to school as a snack and/or as part of a lunch.**

According to the policy, schools should limit celebrations that involve food during the school day to no more than one party per class per month. Each party should include foods that meet nutrition standards. For food-safety reasons, all items brought from home for class celebration must be prepared in an approved commercial facility and pre-wrapped. **Food prepared at home shall not be served in the class. Please refer to your child's teacher for classroom guidelines when it comes to celebrations including birthdays.**

For copies of the nutrient analysis of school lunches, please refer to the school menu. For a copy of the Student Wellness Board Policy in its entirety, go online to [www.psusd.us](http://www.psusd.us) or contact the Food Service Department. You can also reference the PSUSD Wellness Policy Highlights in Appendix A of this handbook.

**CAFETERIA:** Breakfast and lunch is served free daily in the cafeteria. Students must eat their breakfast at the tables with the designated supervision.

**MEDICATIONS:** Instructions (Board Policy 5141.21) (Ed. Code 49423)  
Any student who must take medication (prescribed or over the counter) during the school hours must submit a written statement of instructions from the physician and parental request for assistance in administering the physician's instructions. All medication brought to school must be in an appropriate pharmacy container as packaged by the manufacturer and labeled with the student name, name of medication, exact dosage, time medication is to be given, name of prescribing physician, and the

date the prescription was filled. This includes inhalers for asthma. The school nurse will verify all medication forms and procedures. Questions regarding medication issues should be directed to the school nurse.

### **STUDENT ILLNESS OR INJURY:**

If your child becomes ill or injured at school, the school will contact you to pick up your child for your own observation or examination by your family physician. If we cannot reach parent and or guardian, the student will be discharged to a person named on the emergency card. Ill or injured students cannot remain at school. Under emergency circumstances, the school may contact emergency services to tend to the child. ***It is important for parents to keep medical emergency cards up to date in case a parent or designated alternate adult needs to be called.***

### **EMERGENCY CARDS AND INFORMATION:**

Each year, parents/guardians must complete a new emergency card, which is filed in the school office. Current addresses ensure the delivery of information from the District Office, important notices, etc. Current telephone numbers enable the school to contact parents or guardians for emergency purposes, to clear absences or other circumstances as needed.

**It is essential that the information on the card is kept current throughout the school year for the school to contact parents when necessary.**

In an emergency, parents/guardians will be the first person called. When parents/guardians are unavailable, the emergency numbers will be used. If you or the emergency contacts cannot be reached, the only option is to use the site administrator's judgment in obtaining medication attention for a seriously ill or injured child.

### **EMERGENCY SITUATIONS:**

In the event of an emergency situation, students will be moved to a safe assembly area. Communication from the school will be authorized by PSUSD and made to parents once student safety has been assured. No communication will originate from the school site until such authorization has been granted. Parents must not enter campus during emergencies, which can compromise student safety. Parent patience during emergencies is appreciated. Parents arriving to pick up students will report to a check-in location. Parents will not be allowed in the Emergency Assembly Area. A staff member will take a name request from the parent and send for the student. **Parents will be required to show government-issued identification during emergency pick-up routines.** This process is intentionally slow and methodical, allowing the school to ensure student safety throughout the process.

## **ARRIVAL TO SCHOOL AND DEPARTURE FROM SCHOOL**

**SAFE WALKING AND BICYCLING ROUTES TO SCHOOL:** Students should follow safe walking and bicycling procedures at all times. Students are to cross at street corners, rather than in the middle of a block. The following suggestions are made to help your child walk safely to and from school:

1. Walk with a buddy or group.
2. Walk on the main street, where there are likely to be other people.
3. Avoid strangers.
4. Never accept food or gifts from strangers.
5. Make sure that you let your parents know where you are.
6. Walk away from stray animals.

**BICYCLES & SCOOTERS:** Generally, we recommend only those students in grades third through fifth ride their bikes or scooters to school; however, students in first and second grade may with parental permission. All bicycles must be parked on the bike rack and locked during the school day. **THE SCHOOL IS NOT RESPONSIBLE FOR DAMAGED OR STOLEN BIKES OR SCOOTERS.** Additionally, parents are responsible for ensuring that students know bicycle and scooter safety rules. The Helmet Law makes wearing a helmet mandatory for children under 16 years of age.

**TRANSPORTATION:** You must send a note if your child is to change their regular routine (bus, walk, or being picked up). For instance if your child is not supposed to ride the bus home as he/she normally would, and is to wait for you to pick him/her up in the parking lot, we must have a note. Please do not wait until the last moment. We are not able to communicate any changes in how a student is going home within 30 minutes of dismissal. We may not have the time or manpower to get a last minute phone message delivered on time. Parents or other adults are NOT allowed to wait by the bus line to pull their child out of the bus line, prior notice must be given. Please keep your child's teacher informed at all times of the pick up routine for your child.

**SCHOOL BUS RULES:** Bus Service provided by First Student (760) 320-8822. Bussing is only for students who live in the designated area.

1. Obey the bus driver and do not argue with him/her.
2. Remain seated at all times facing the front of the bus.
3. Keep all parts of the body inside the bus at all times.
4. Do not throw things or yell out of the bus windows.
5. No fighting or pushing.
6. Do not eat food of any kind inside the bus.
7. No loud talking, shouting, or other noises.

**BUS TICKET CONSEQUENCES:** Please review these consequences with your student. If a bus rule is broken, the student will receive a bus ticket. Below are possible consequences depending on the frequency or severity of the infraction.

- 1<sup>st</sup> notice sent home with student for parent to sign
- 1 day suspension from the bus
- 3 to 10 day suspension from the bus
- Suspension from the bus for the semester
- Suspension from the bus for the rest of the year

Eligibility for riding the school bus is determined by the PSUSD Transportation Department. Transportation zones are established by PSUSD policy. Bus transportation to and from school is a district-provided service, not an educational right. Appropriate behavior is expected at all times when riding the bus. Additional information can be found at: <https://www.psusd.us/Page/4536>

**SCHOOL PARKING LOT:** For the safety of our children, please demonstrate courtesy and respect in the parking lot, especially during the afternoon release time. During the afternoon release time, students will be supervised by CCE personnel in the designated grade level areas at the northwestern section of our parking lot. Students will not be allowed to wait for their ride in any other area. Parents are NOT allowed to pick up in the bus loading zone. Please do not encourage your child to wait for you anywhere else on our campus since we cannot provide supervision in all areas. Do not double park or ask children to cross in the middle of the street. All students must use the crosswalk. Please drive slowly at all times through our parking lot and in the school zone. Watch for children at all times. We understand it can get congested, so please be patient!

**VAQUERO STREET GATE:** This gate is exclusively for students and families who live directly in the neighborhood behind the school and walk to school. Parents can walk to this gate to accompany their children. An agreement form must be signed and filed in the office for permission to use this gate. If the agreement is not followed, the student may lose the privilege of using this gate. Parents are not to drive to this gate to avoid the parking lot congestion. Our neighbors in the area have kindly requested that everyone respect their property including their yard, landscaping, and driveway. Please talk to your children about demonstrating respect to the homes and property of the local residents.

**STUDENT DISMISSAL:** During student dismissal, safety is of primary concern. Following all school staff directives and dismissal plans is vital to ensuring the safety of students, family members, and staff. Students will not be released from school 30 minutes prior to dismissal. In addition, parents or other family members MAY NOT wait in the office until the bell rings or walk through the office when the bell rings. Given that we are a closed campus, anyone on campus to pick up a student must be outside the main gates.

When picking up a child, remember to:

- Park in appropriate/legal places to walk and meet your child.
- Pick your child up at the curb where your child's grade level dismisses.

- Please pull forward along the curb to pick up your student in any loading zones.
- Parking in the loading zone, fire lane or handicap parking spaces is prohibited and can result in a citation and fine. Handicap parking is designated for cars with displayed placards only.
- Crosswalks are expected to be used when crossing the street. Do not allow your child to cross in front of or between any vehicles. Parent support in demonstrating use of crosswalks is appreciated.
- Avoid blocking any school bus and/or crossing area.
- Demonstrate courtesy and safe driving while on or near our school grounds.
- Students must be picked up no more than 15 minutes after the dismissal bell.
- Students who have after school programs (such as interventions, clubs, or athletics) must report to their designated activity immediately following the school day.
- Late pickups are monitored by the main office. Excessive late pickups will lead to SART or Child Protective Services referrals.

**STUDENTS WHO ARE PICKED UP LATE:** Dismissal is 2:35pm on Mondays, Tuesdays, Thursdays, and Fridays. Wednesdays and minimum day dismissal is 12:10pm. The office is open 7:15am - 3:15pm daily. If a student remains after school for more than 30 minutes, security and/or police will be contacted. Students who are continually picked up late will be tracked and a report will be filed with CPS. If you know you are going to be late due to an emergency, please call the office and we will work with you.

### **SAFE SCHOOL ENVIRONMENT**

**CLOSED CAMPUS:** Cathedral City Elementary is a closed campus. Please know that we want our school to be a welcoming environment to parents; however, campus safety is our utmost priority for our students and staff. Please contact the administration with any concerns or special needs. The bullet points below outline information pertaining to the implementation of our closed campus.

- Only students and staff may enter the gates between 7:15am and 7:45am. A supervisor will stand at all three entrance gates (Vaquero Street back gate, kindergarten gate, and the door near the library located in the front parking lot. All school gates will be locked after 7:45am.
- The front office is open 7:15am-3:15pm daily, however, the doors to enter the office will remain locked, with the exception of shortly before the start of school and at dismissal. If you'd like to enter the office, ring the bell located to the right of the office doors and let the office know your purpose for visiting the school. They will then unlock the door for entry.
- All parents, visitors, or volunteers must enter through the office administration door and will not be allowed on campus except for arranged school business. They must sign in and out in the office, and wear a visitor's badge. A government issued ID may be required in order to obtain a visitor's badge through the site's Raptor system. This system ensures that the visitor is not a registered sex offender. All volunteers must be cleared through the PSUSD volunteer process. Any parent or outside observations of classrooms must be

approved by administration prior to the visit, be accompanied by administration throughout the visit, and can last no longer than 30 minutes in length.

- If your child is tardy, please bring them to the office for a tardy pass; however, parents will not be allowed to walk their child to the classroom.
- In order to minimize classroom interruptions, the office **WILL NOT** call classrooms to tell students their lunch, homework, snacks, water bottles, clothing items, and other messages are in the office. Arrangements should be made with your child before school. Fast food restaurant lunches are not allowed at school.
- If you would like to meet with a teacher before or after school, please go to the office and they can assist you with contacting the teacher to arrange a meeting.
- All parents must wait outside for their children at dismissal near the child's exit area. Parents will not be allowed on campus early to wait outside their child's classroom. Students do not exit through the office doors. The exit areas are the back gate, parking lot gates near the 4<sup>th</sup> & 5<sup>th</sup> grade pods, the front gate next to the office, and the kindergarten gate. Bus riders exit a supervised bus gate.
- During special events that occur during the school day, the outside Multipurpose Room door will be unlocked and monitored for parents and guests to enter 10-15 minutes before the event. Parents and guests are to exit through that same door to the parking lot immediately after the event.

**SAFE SCHOOL STATEMENT:** The Palm Springs Unified School District and Cathedral City Elementary are committed to a safe environment for all students and staff and will not tolerate **any** weapons, or substances used as weapons, unauthorized drugs, violence, gang activity, or vandalism on any campus. "Weapons" shall include but are not limited to guns, "look-a-likes", any knife, martial arts tools, razor blades, or mace. Any student who is found to have initiated an attack, assault, use of force or threat to a school employee or peer can be suspended / expelled. The appropriate law enforcement agency can be contacted, and a report filed.

**SMOKE-FREE, DRUG-FREE ENVIRONMENT:** Cathedral City Elementary provides a smoke-free, drug-free environment. **ILLEGAL DRUGS AND / OR SMOKING IS NOT PERMITTED ON ANY SCHOOL PROPERTY, AT ANY TIME, WITHIN THE STATE OF CALIFORNIA.** Prohibited products include electronic cigarettes, electronic hookahs, and other vapor-emitting devices, with or without nicotine content that mimic the use of tobacco products.

**EMERGENCY PREPAREDNESS:** A school site committee develops a comprehensive school safety plan relevant to the needs and resources of our school. Cathedral City Elementary School practices monthly fire, earthquake, active shooter, and lockdown drills where all persons present must follow established drill procedures. During an actual emergency situation, a central student release station will be established once it is safe to do so, and no student will be released to anyone without proper identification from the person requesting the student and until emergency authorities declare it safe to do so.

**CHILD PROTECTIVE SERVICES:** Child abuse / neglect is a very serious issue. If any school district employee suspects that a child is being physically, emotionally, or

sexually abused or neglected, it is our legal responsibility to report this to Child Protective Services (CPS).

**BULLYING:** All types of bullying are prohibited. These include physical, verbal, social, and cyberbullying. Please see Appendix B for the PSUSD Bullying Definition. Students (victims and bystanders) should report bullying to a staff member. There is also an online reporting form at [www.sprigeo.com](http://www.sprigeo.com)

**HARASSMENT & DISCRIMINATION:** All students are to be treated with respect at Cathedral City Elementary. Harassing or discriminating against others is unacceptable. School programs and activities shall be free from discrimination, including harassment, with respect to actual or perceived race, color, ancestry, nationality, national origin, immigration status, ethnic group identification, ethnicity, age, religion, marital status, pregnancy, parental status, physical or mental disability, sex, sexual orientation, gender, gender identity, gender expression, genetic information, or any other legally protected status or association with a person or group with one or more of these actual or perceived characteristics. **POSITIVE REINFORCEMENT:** At Cathedral City Elementary School, we support our Cathedral City Elementary PRIDE Matrix that encourages positive behaviors. Students may receive PRIDE Tickets and will be rewarded for demonstrating the behaviors that are part of the PRIDE matrix. The goal of PRIDE Tickets is to encourage students to repeat and continue positive behavior; therefore, the distribution of PRIDE Tickets will be up to the discretion of our CCE Staff.

## **ACADEMIC AND CURRICULAR INFORMATION**

**STATE STANDARDS/RETENTION POLICY:** Students must meet the minimum proficiency requirements adopted by the Board of Education. Students who do not meet the District's standard of proficiency may be at risk of retention.

**REPORT CARDS & PROGRESS REPORTS:** Teachers are required to keep parents informed of their child's progress. You will be receiving a progress report each trimester. If you do not receive one, please notify your child's teacher and/or the

office. Three report cards will be sent home during the school year, one at the end of each trimester.

**PARENT CONFERENCES:** During the school year, parents will be invited to meet with their child's teacher for an individual conference at the end of the first and second trimester, and at any time necessary throughout the school year. If you have any questions or concerns, please do not hesitate to request to meet with the teacher at any time

**WHAT TO DO IF YOUR CHILD IS HAVING ACADEMIC PROBLEMS AT SCHOOL:** If you develop concerns regarding your child's progress in school, please make an appointment to discuss the situation with the classroom teacher.

The teacher may recommend that a Student Study Team Meeting (SST) be held to discuss your child's academic strengths and weaknesses. If the problem should continue after you and the teacher have tried several solutions, then please make an appointment with the school principal.

**TEXTBOOKS & LIBRARY BOOKS:** Students will be provided with all necessary textbooks. Each child is responsible for giving them proper care. In case of lost or damaged textbooks or library books, the parent is held responsible, and charges will be made.

**HOMEWORK POLICY:** Homework is an essential part of the educational program. It may consist of the completion of class work and / or special assignments appropriate to the grade level at which the child is working. Homework may be assigned on a regular basis. It may be a long-term project or a short-term assignment designed to develop good study habits, responsibility, and emphasize critical thinking skills. Homework will be assigned to reinforce concepts taught in class and is expected to be returned. Parental support is essential in having homework be a successful experience for your child. Please have proper supplies and a quiet place for your child to complete homework at home. Please check over homework with your child before returning it to school. When students know homework is important to you, they will see it is important as well and take responsibility in completing it and returning it to school.

**INDEPENDENT STUDY PROGRAM:** If you are planning a trip that will require a period of time away from school, (at least five days) you may be granted school credit by arranging an independent study program. Under this plan, your child would complete assignments on the trip and would receive school credit. You must contact your child's teacher and the office at least one week in advance to make arrangements and obtain administrative approval. All of the work must be completed and will be due on the student's first day back to school in order to receive full credit. Short-Term Independent Study is limited to 14 days in a given school year.

**FIELD TRIPS:** Field trips are an extension of the classroom. All trips will be curriculum based and include all classes at a grade level. Teachers may need to bring chaperones and will ask for volunteers that have completed the volunteer application process. Spaces are limited, so filling out the application does not guarantee a spot as a chaperone. \*Due to insurance reasons and board policy, chaperones may not bring siblings on the field trip. Additionally, chaperones MAY NOT follow the bus on a field trip or meet the class at the location.

Teachers may ask for donations for field trips. All donations given toward a field trip are **non-refundable** and will not be returned, even if your child does not end up going on the field trip.

## **RECOGNITION OF ACADEMIC ACHIEVEMENT**

### **Awards Assembly**

Student of the month  
Language Arts/Reading  
Mathematics  
PRIDE Award  
Creative Cub  
PE/Music/STEAM Award

## **PARENT INVOLVEMENT**

**VOLUNTEERING & VISITING CLASSROOMS:** Parents are welcome to observe their child's classroom for no longer than 30 minutes. Please speak with your child's teacher and the site administrator prior to the observation to arrange an agreed upon time so that instruction will not be interrupted. You will be required to be accompanied by an administrator.

We welcome visitors to Cathedral City Elementary School; however, to protect our students from unauthorized people on campus, we require that all visitors pre-arrange their visits, stop by the office, provide a government issued ID, and obtain a visitor's badge. For visitors who are not cleared through the volunteer process, you must be escorted by an administrator during your visit. Visits are limited to 30 minutes in length. Parents or community members who volunteer in the classroom must complete the district volunteer process online at [www.psusd.us](http://www.psusd.us) under the "parents" tab. The process includes completing an online application, uploading a government issued ID, completing the district's mandated reporter training, and possibly fingerprinting if seeking supervisory clearance. The volunteer must be district-approved prior to the start of his/her volunteering. The school site administration reserves the right to deny a visitor or volunteer if he/she demonstrates inappropriate conduct or is disruptive to the learning environment or safety of others.

## **VOLUNTEER PROCEDURES:**

1. The volunteer completes the requirements to become a Supervisory or Non-Supervisory volunteer. (Please see policy above for details.)
  - a. Clearance and approval must be received from PSUSD before a volunteer can begin serving as a volunteer.
  - b. Once PSUSD sends clearance documentation, the volunteer can contact staff and teachers to let them know you are available and approved to volunteer when the opportunity presents itself.
  - c. The volunteer must complete the district's mandated reporter training prior to being approved as a volunteer. As a mandated reporter, it is the volunteer's duty to act when a child shares information that may indicate they are in danger or experiencing personal problems. If a student confides in a volunteer about family matters or personal issues and the volunteer believes there is a safety concern, it is important that the volunteer takes immediate action. If volunteers need assistance with the Mandated Reporting of Child Abuse Procedures, contact the child's teacher, counselor, and/or administration.
2. Teachers and staff typically request parent volunteers through ParentSquare, email, phone calls, etc. When opportunities arise, they may also contact parents based on the approved/cleared volunteer list.
3. Volunteers sign up or respond with their availability, and the staff member will confirm that a volunteer is still needed.
4. Plans for volunteering are usually set up with a minimum of 24-hour notice so both parties can prepare and plan accordingly. Changes may occur that require plans for volunteering to adjust:
  - a. Changes in the classroom may occur that no longer require a volunteer. The staff member is responsible for informing the volunteer of those changes.
  - b. Volunteers who cannot attend the planned activity should notify the staff member they have been communicating with on volunteering as soon as possible.

On the day/time of volunteering: Each volunteer must sign in and out in the school office each time he/she comes on campus to volunteer. The school must have a record showing the days and hours each volunteer works. The sign-in will include the classroom where the volunteer will be working. For security reasons and in case of emergency, administrators need to know who is on campus, where, and their purpose.

- The office will call to confirm that the volunteer is here and signed in before sending the volunteer to the classroom.
- Volunteers should only be in the room where they were scheduled and the room that they signed in to.
- If volunteering in back-to-back locations, the volunteer must return to the office to check in and sign into the new location for safety/security purposes.

Teachers/staff (who agreed to have the volunteer) will be prepared and provide a plan for what the volunteer will assist with, materials, etc. so that it does not interrupt instruction and provides the most benefit to students and the classroom.

## **VOLUNTEER GUIDELINES:**

### **Supervision of Volunteers:**

School volunteers always work under the direct supervision of the professional staff at each school and only with those teachers who have requested the services of the volunteer. The school is responsible for students' education, safety, and well-being. For this reason, you can understand why the teacher or administration must dismiss any volunteer whose actions are not in the best interest of the classroom, school, or student.

### **Confidentiality:**

As you work with the staff and students, you will get to know the students on a different level. The problems, abilities, relationships, and confidences of students, their parents, and the staff should never be discussed with anyone who does not have a professional right or need to know them. Like teachers, volunteers are bound by a code of ethics to keep confidential matters within the school. The staff and students need to know that they can trust you.

Please do not discuss the information about students you assist with anyone outside of the staff member you are working with, including a child's school progress/difficulties with his/her parents. This is the teacher's responsibility.

Occasionally, a child might confide in you about family matters or personal problems. If you feel a safety concern or the information shared needs to be directed to staff, bring the student to the staff personnel in charge to have the conversation (in private).

### **Discipline:**

Students rarely have behavior problems while working with volunteers. However, our schools have detailed discipline plans, and the responsibility for discipline rests with the professional staff. **Volunteers may not discipline students.** Please inform the teacher of any disciplinary problems while working with a student.

### **Restrooms:**

Staff restrooms are available for volunteers; we ask that you do not use student restrooms.

### **Field Trips:**

All field trip volunteers need supervisory clearance approval to attend the trip. Volunteers are expected to be in attendance and at the school site, ready to serve in their volunteer roles before the trip begins through the end of the trip. (The teacher in charge of the trip will provide the exact times for volunteering.) All volunteers are expected to ride with students on the bus while returning from the field trip to assist with supervision. Students and siblings not part of the class, including young children, cannot attend the field trip with the volunteer.

Volunteers are important to the educational team, and their suggestions and opinions are welcome. However, the professional staff is legally responsible for student instruction and school management decisions. For this reason, volunteers always work under the direct supervision of school personnel.

The professional staff at the school is responsible for everything that goes on in the building, including student instruction, safety, and discipline. Volunteers supplement and support the program but may not:

- Provide the curriculum or teaching plans
- Discipline students
- Take charge of the classroom for any length of time
- Have access to materials in student's educational file
- Diagnose student needs
- Evaluate achievement
- Counsel students
- Discuss student progress or other information with others

A volunteer is never considered a substitute for a school staff member.

As a volunteer, you not only serve the needs of the children, but you also provide a vital link between the school and community. Students, their parents, and the community will view you as a representative of the school. They will pay close attention to what you say about the staff and the educational programs.

**PARENT GROUPS AND COMMITTEES:** Parents can get involved through the school's Parent Teacher Group (PTG), English Learner Advisory Council (ELAC), or School Site Council (SSC). In PTG, parents and teachers work jointly hosting community events and fundraising to help provide funds for field trips, additional school supplies, and student incentives. ELAC helps advise the school on programs and opportunities for our English Language Learners. The SSC is an elected committee of 5 parents and 5 staff members who develop, monitor, and revise the school plan including how the school site funds are spent. Please consider joining one of these groups. Parent involvement is crucial and plays a role in the success of our students.

### **UNIFORM COMPLAINT PROCEDURE**

**PARENT COMPLAINT PROCEDURE:** Sometimes problems arise that need to be resolved. If you have a concern, please follow these steps:

1. Step One--Make an appointment with the classroom teacher to explain the problem. If it is not resolved satisfactorily, go to Step Two;
2. Step Two--Make an appointment with an administrator to explain the problem. If it is not resolved satisfactorily, go to Step Three;
3. Step Three--Call the Palm Springs Unified School District Office at (760) 883-2700. If it is not resolved satisfactorily, go to Step Four;
4. Step Four – Complete a Uniform Formal Complaint Form. They are available on the district website: <http://www.psusd.us> or you can obtain one from the district office.

We look forward to a fun and exciting school year filled with wonderful learning experiences for your child. We appreciate your support and invite you to become involved in any way possible. It is the collaboration between our school, parents, and community that makes Cathedral City Elementary School such an outstanding environment for students to succeed!

### **Title I, Part A School-Level Parent and Family Engagement Policy 2024-25**

Cathedral City Elementary School (CCES) has developed a written Title I parental engagement policy with input from Title I parents. This policy is reviewed annually at parent meetings including the annual Title I meeting, School Site Council meeting, and English Learner Advisory Council. The policy is distributed at these meetings and available for review or copies in the school site office. The policy describes the means for carrying out the following Title I parental involvement requirements [20 USC 6318 Section 1118(a)-(f) inclusive].

#### **Involvement of Parents in the Title I Program**

To involve parents in the Title I program at Cathedral City Elementary School the following practices have been established:

- The school convenes an annual meeting to inform parents of Title I students about Title I requirements and about the right of parents to be involved in the Title I program. CCES offers three options to obtain Title I information – during the beginning of the year Title I meeting, the first ELAC meeting, or the first School Site Council meeting. The principal presents information regarding the Title I program at these meetings.
- The school involves parents of Title I students in an organized, ongoing, and timely way, in the planning, review, and improvement of the school's Title I programs and the Title I parental involvement policy.

*This occurs during CCES's Title I Meeting, School Site Council Meeting, and English Learner Advisory Council.*

- The school provides parents of Title I students with timely information about Title I programs.

*Information regarding Title I is provided to CCES parents during the first two months of school at the annual Title I meeting, School Site Council, and English Learner Advisory Council meetings.*

- The school provides parents of Title I students with an explanation of the curriculum used at the school, the assessments used to measure student progress, and the proficiency levels students are expected to meet.

*These explanations occur during Back to School Nights, Report Card Conferences, at School Site Council Meetings, and English Learner Advisory Council.*

- If requested by parents of Title I students, the school provides opportunities for regular meetings that allow the parents to participate in decisions relating to the education of their children.

*At CCES parents are invited to participate in School Site Council and the English Learner Advisory Council where programs and funding are discussed, and data is analyzed.*

### **School-Parent Compact**

Cathedral City Elementary School distributes to parents of Title I students a school-parent compact. The compact, which has been jointly developed with parents, outlines how parents, the entire school staff, and students will share the responsibility for improved student academic achievement. It describes specific ways the school and families will partner to help children achieve the State's high academic standards. It addresses the following legally required items, as well as other items suggested by parents of Title I students.

- The school's responsibility to provide high-quality curriculum and instruction
- The way parents will be responsible for supporting their children's learning
- The importance of ongoing communication between parents and teachers through, at a minimum, annual parent-teacher conferences; frequent reports on student progress; access to staff; opportunities for parents to volunteer and participate in their child's class; and opportunities to observe classroom activities.

*Parents and staff are provided opportunities to provide input on the School-Parent Compact at the annual Title I meeting, at the first School Site Council Meeting, and the first English Learner Advisory Council Meeting. The document is then finalized and provided to every student. Teachers review the compact in the classroom and it is sent home and are asked to verify their agreement either through signature or electronic approval.*

### **Building Capacity for Involvement**

Cathedral City Elementary School engages Title I parents in meaningful interactions with the school. It supports a partnership among staff, parents, and the community to improve student academic achievement. To help reach these goals, the school has established the following practices.

- The school provides Title I parents with assistance in understanding the State's academic content standards, and assessments, and how to monitor and improve the achievement of their children.

*CCES does the following:*

- *Back to School Nights*
- *Holds regular meetings such as School Site Council and English Learner Advisory Council*
- *Parent trainings*
- *Parent Conferences*

- The school provides Title I parents with materials and training to help them work with their children to improve their children's achievement.

*CCES hosts or provides information on a variety of district-sponsored parent trainings. Online academic programs are available for home use and information on how to access these programs from home are sent home.*

- With the assistance of Title I parents, the school educates staff members about the value of parent contributions, and in how to work with parents as equal partners.

*The district volunteer process and information is provided to both parents and staff at the beginning of the school year. At the end of each year, the school hosts a volunteer luncheon recognizing the contributions of parents and community members.*

- The school coordinates and integrates the Title I parental involvement program with other programs, and conducts other activities, such as parent resource centers, to encourage and support parents in more fully participating in the education of their children.

*Cathedral City Elementary has a dedicated classroom as the parent resource center.*

- The school distributes information related to school and parent programs, meetings, and other activities to Title I parents in a format and language that the parents understand.

*CCES uses the following methods to distribute information. All methods are in both English and Spanish.*

- *Monthly newsletters (teachers)*
- *Parent Square messages and emails*
- *Paper notices*
- *Peach jar email system*
- *CCES website with parent tab and information*
- The school provides support for parental involvement activities requested by Title I parents.

## **Accessibility**

Cathedral City Elementary School provides opportunities for the participation of all Title I parents, including parents with limited English proficiency, parents with disabilities, and parents of migratory students. Information and school reports are provided in a format and language that parents understand.

*CCES provides the following:*

- *Bilingual front office staff available to translate notes, phone calls, or conferences*

- *Bilingual School Community liaison to support parents with school and community resources*

# Cathedral City Elementary

## Title I, Part A School-Parent Compact

The Cathedral City Elementary School and the parents of the students participating in activities, services, and programs funded by Title I, Part A, agree that the School-Parent Compact outlines how the parents, the entire school staff, and the students will share in the responsibility for improved student academic achievement and the means by which the school and parents will build and develop a partnership that will help children achieve the State high academic standards (Every Student Succeeds Act [ESSA] Section 1116[d]).
