The Palm Springs High School Alma Mater

In the silence of the desert
Where the sands of silver shone
Stands our glorious
Alma Mater
'Tis our Haven
and our Shrine
Be we humble in her presence
For her blessings never fail
Palm Springs is our Alma Mater
So to her, All Hail, All Hail!

General School Information

Closed Campus. Palm Springs High School is a closed campus. All visitors during school hours must check in at the security desk at the entrance of the high school and obtain a visitor badge. Students may not bring guests to school. Once students arrive at school, they may not leave campus at any time unless specific parent and school administration permission has been granted. Students leaving campus prior to dismissal time, for valid reason, must first obtain authorization and appropriate documentation from the Attendance Office and/or administration.

Outside Vendors. Student deliveries from outside vendors, which include food, balloons and flowers are not allowed and will not be delivered to students during class time, before school, during school or after school.

Emergency Drills. Emergency drills are held periodically. Total student cooperation is required to promote and protect the safety of everyone in the event of a real emergency.

PSUSD is diligent in providing a safe learning environment every day. PSHS will conduct the following drills during the school year: fire, earthquake, active shooter, and lockdown. By conducting the drills staff and students will be better prepared when they have to react or respond to an event.

Student Emergency Information. As a condition of enrollment each student must have a signed emergency card on file that contains current information. **Only persons listed on the emergency card may authorize a student's leaving campus or excuse an absence. Please contact the Records Office immediately if there is a change of address, phone number, or emergency contact person.**

Student Parking on Campus. All students must display a student parking permit. Vehicles are subject to search. At the beginning of the year, only seniors who purchased a parking space are guaranteed parking on campus in the student parking lot. Students who park in staff spaces may have their vehicles ticketed.

Student ID Cards. For identification purposes, each student is issued a Student ID Card, students must carry their ID Card at all times while on campus and at every event or activity. The student ID is utilized for the following reasons: campus safety, admission to school events, technology access, off-campus lunch pass (seniors only), textbook check-out, and for participating in testing. A student who cannot produce their PSHS ID is subject to progressive disciplinary consequences. A replacement card can be purchased for \$5.00 at the ASB Office.

Technology and Internet Access. Palm Springs High School is a Digital High School and is offering access to computers and the Internet in every classroom. Student use of networked computers at PSHS is governed by the PSUSD "Student Acceptable Use Policy." Violations will result in the loss of internet/Network privileges, along with possible disciplinary action.

ASB and Class Officers for 2021 - 2022:

ASB President Keona Corona
ASB Vice President Riley Keane
Senior Class President Dezirey Blodgett

A guest pass must be obtained from the Discipline or ASB office prior to the dance and returned by the Friday of the week before the Dance (not the day before). **Any pass returned after that time cannot be guaranteed and must have the approval of administration.** The guest is subject to the approval of the administration. The guest must enter the dance with the student who obtained the guest pass. Guests are responsible for obeying all school rules and will not be admitted without a picture ID. Guest passes will not be issued at the door.
5. All school and District rules and policies are enforced at all student activities.
6. Students should make prior arrangements for rides home after a dance when necessary. Students not picked up within 30 minutes may lose the privilege to attend the next dance. Late arrivals may not be granted admission to the dance.

Athletic Eligibility

Palm Springs Unified School District Board policy requires that all high school students participating in extracurricular athletics must maintain a 2.0 grade point average, with no more than two "F's" for each grading period. If the Student is at risk academically, they will be required to have a weekly progress report until they have stabilized their grades. Athletic eligibility also includes completion of the athletic packet, proof of insurance and a yearly physical. If a student has less than a C average or more than one F, he or she is placed on probation.

We encourage all students to tryout regardless of their ability or talent. Students are encouraged to talk to the coaches of the sport, PE teachers, or the Athletic Director at any time during the year, if interested in participating in athletics. Students participating in the sports program must ride the bus to and from all athletic activities. A student must be present in school on the day of an event if they wish to participate.

If you are planning on playing sports at the college level, your counselor and the Career Guidance Specialist will help you complete information on the National College Athletic Association's requirements for athletic scholarships. For further information, see the NCAA Website (www.ncaa.org).

Absence - School-related Business/Sports

General School Information

Attendance Policy and Procedure

The staff at Palm Springs High School believes that punctual, regular attendance directly impacts school pride, improves academic progress, and develops responsibility in students. PSHS staff is committed to working with students and parents/guardians to improve attendance. Because poor attendance negatively affects academic achievement, parents are encouraged to monitor their students' attendance through Parent Vue (access to Parent Vue is available in the Registrar's office). Parents or legal guardian should call the attendance office (760) 778-0400 between 7-9 a.m. each day of the absences to avoid an auto-dialer call from the school. The Compulsory Education Law requires that children 6 to 18 be enrolled and attending a full-time education program (E.C 48200) and requires parent/guardians to submit to the school reasons for all students' absences. Unexcused absences could result in the student being deemed "truant" which is a violation of the Compulsory Education Law. (E.C. 48200). School absences must be cleared, by note or phone call, within THREE days of students return to school to prevent possible grade reduction. If absence is NOT cleared, after THREE days it becomes an UNEXCUSED absence and the school policy will be initiated. Class work missed, as a result of an unexcused absence may not be accepted. Unexcused absences are absences not meeting the criteria for legally excused absences Such absences may include, but are not limited to:

1. Parent or student-initiated absences not included in 1-9 under Excused Absences.

Definition of Excused Absences

1. Short-Term Independent Study- excused only if the assigned work is completed upon return
2. Personal illness or injury
3. Medical, dental, eye care, or chiropractic appointments
4. Quarantine under the direction of county or city health officer
5. Funeral services for a member of the immediate family:
 - a) No more than one day, if the service is in California
 - b) No more than three days, if the service is conducted outside of California
6. Jury Duty
7. School Activities
8. Health office – if excused by the school Nurse
9. Pupil is custodial parent of a child who is ill or has a medical appointment. Upon written request from a parent/guardian AND prior approval of the principal or designee, a student's absence may be excused for justifiable personal reasons including, but not limited to:
 - a) Court appearances
 - b) Employment conferences & college visitations
 - c) Family emergencies
 - d) Appearance at SARB
 - e) Religious holiday or ceremony
 - f) Religious retreat (not to exceed 4 hours/semester)

2. Truancy

Truancy Defined

“Any pupil subject to compulsory full-time education who is absent from school without valid excuse three full days in one school year or tardy or absent for more than any 30-minute period during the school day without a valid excuse on three occasions in one school year, or any combination thereof, is a truant and shall be reported to the attendance supervisor or to the superintendent of the school district.” (E.C. 48260)

Excused Absences

Students are allowed to make-up work missed for credit. A pupil with an excused absence from class shall be allowed to complete all assignments and tests missed during the absence that can be reasonably provided and, upon satisfactory completion, shall be given full credit. The tests and assignments shall be reasonably equivalent to, but not necessarily identical to, the tests and assignments that the pupil missed during the absence. Absences can only be cleared within the same semester

Consequences of Excessive Absences

It should be noted that a student may fail a class because of excessive absences and unsatisfactory academic progress, including, but not limited to, poor test scores and failure to complete class requirements as outlined in the class syllabus. The teacher will send a progress report to parents when the student is in danger of failing the course.

Chronic Absentee

A “Chronic Absentee” has been defined in California Education Code (EC Section 60901 I (1)) as a pupil who is absent 10 percent or more of the school days enrolled in the school year.

Short-Term Independent Study

Any students who must be absent from school for 5 consecutive days or more (except for medical reasons) must complete the application for Short-Term Independent Study prior to leaving school. The process includes obtaining work assignments from teachers to be completed by the student during the absence. When the student returns to school, the student’s teachers will determine the percentage of work completed by the student during the absence. Absences will be prorated and excused according to the amount of assigned work completed by the student during the absence, i.e., if 80% of the assigned work was completed, 80% of the absences accrued during the leave will be coded as excused. The teacher evaluating the quality of the work completed will record letter grades. Due to best practice, it is not recommended to use Short-Term Independent Study the first or the last week of school because students are losing valuable instruction time.

Passports (Doctor, Dental, Court, Appointments, etc.)

Any student leaving school during the school day must clear through the Attendance or Nurse’s Office prior to leaving campus. A PASSPORT will be issued for legitimate requests by parent note or telephone call prior to the appointment time. Students who leave campus without a Passport first will have an UNEXCUSED absence recorded for the classes missed. **Please check our testing schedule before you schedule an appointment.** No students will be dismissed before the end of testing. Please do not call to release your child. **We will not interrupt students during the test, NO EXCEPTIONS.**

Tardy Procedures

Period 1:

8:00 – 8:15 am, Students tardy less than 15 minutes, will go directly to class. Teacher accepts students. Teachers' discretion will be used to handle consequences and interventions for the students. The teacher records the tardy in Synergy by the end of period 1. The expectation is the teacher speaks with student and contacts parent regarding tardy issue and documents in Synergy under notes.

Possible Consequences – Teacher Discretion:

- Verbal warning
- Written warning
- Teacher detention
- Seat change
- Natural consequences
- Positive praise and or incentives
- Celebrate attendance progress and improvement
- Parent notification

8:15 am – 8:30 am student goes to ISS/OTL to get a tardy pass. ISS/OTL will enter attendance in Synergy and provide student with a tardy slip to give to teacher.

If the student arrives after 8:30 am, the student will go directly to Opportunity to Learn (ISS/OTL) for the remainder of period 1. The following action may be taken:

- Speak with student
- Contact parent and document in synergy
- Assign lunch detention and or after school detention
- Notify administration and or support staff
- Consult with support staff

If attendance issues persist, ISS/OTL will notify the office. The following action may be taken:

- Student and parent will be notified of attendance concerns and possible behavior consequences
- Detention before school, lunch and or after school
- Saturday school
- Weekly progress monitoring
- Positive praise and or incentive – celebrate attendance progress and improvement
- SART – School Attendance Review Team
- SARB – School Attendance Review Board – District

Students with excessive attendance issues may be referred to School Attendance Review Team (SART). A meeting will be held with student and parent/guardian and a SART contract is signed. If attendance issues continue, the student may be referred to Palm Springs Unified School District Attendance Review Board (SARB) for further disciplinary action and resolution. Attendance can negatively impact seniors and their ability to leave campus during lunch. Seniors are required to have 95% attendance for the previous quarter.

Excessive tardiness may result in detention, parent conference, revocation of transfer privileges, Saturday School, loss of activities and lunch privilege for seniors.

Period 2-6:

A student who is tardy will go to ISS/OTL to get a tardy pass. ISS/OTL will enter the tardy in Synergy and write the student a tardy pass. No student should be allowed to enter class without a tardy slip.

Possible interventions:

- Reach out to frequently absent students to find out in a supportive manner why they are missing school and what would help them attend more regularly.
- Work with parents to stress the importance of education and to learn about any barriers to good attendance.
- Encourage families to work with school staff and community agencies to get support to help student solve barrier to getting to school.
- Greet students and parents.
- Nurture positive relationships with students and families.
- Provide information to students and parents regarding the importance of attendance.
- Send home positive postcards.

- Call home when a student is absent.
- Connect planned events and activities to attendance.
- Communicate with parents – letters, phone calls, email, Parent Vue and Back to School Night.
- Provide attendance incentives.
- Welcome students back and identify any academic support needed
- Explain expectations for attendance and how it adds up and why it is important.

General School Information

ADMINISTRATION of PRESCRIBED and NON-PRESCRIBED MEDICATION for STUDENTS:

Any student who is required to take, during the regular school day, medication prescribed by a physician or surgeon, must provide the school nurse a written statement of instruction from the physician detailing the method, amount and time schedules by which such medication is to be taken. For example, but not limited to, inhalers, allergy medication, antibiotics, pain pills, etc. Students may not carry any prescribed or non-prescribed medication/vitamin.

Tardy Procedures

Students are expected to be on time for all classes in order to benefit from the instructional program and to develop habits of punctuality, self-discipline and responsibility. A student who is not in their assigned classroom seat assigned by the teacher at the beginning of the class period will be considered tardy.

Illness at School

If a student becomes ill during school hours, he/she should obtain a pass from the assigned teacher and report to the Nurse's Office. The nurse will ascertain the seriousness of the complaint and, if necessary, will call a parent/guardian to obtain permission to release the student or have a parent/guardian come to school to transport the student home. A Passport will be issued at that time.

Students who leave campus without clearing through the Nurse or Attendance

Office will have an UNEXCUSED absence recorded for each class missed and students may receive a behavioral consequence.

Auto-Caller (Attendance)

The school often utilizes an Auto-Caller (computer generated message) to alert parents of all absences recorded on each student's daily attendance record. The attendance office staff cannot personally call parents each time a student is reported absent from school. After being notified by an Auto-Call, parents should contact the attendance office to determine the period(s) their student was reported absent.

Open/Closed Campus (Lunch Passes)

Palm Springs High School has a closed campus for grades 9, 10, and 11. These students are not to be off campus during school hours without a PASSPORT issued through the attendance office or school nurse.

1. Senior Lunch passes are approved based on grades (2.0 GPA), attendance (95%), and parent/administration approval.
 - a) An off-campus lunch permission slip must be signed BY THE STUDENT'S PARENT and kept on file.
 - b) A signed Senior Contract must be on file.
2. Grades for the most recent grading period are used to determine eligibility:
 - a) For 1st quarter, the students' GPA from their final report card for their 11th grade year will be used.
 - b) For 2nd quarter, the students' GPA from their 1st quarter will be used, 2nd quarter will be used for 3rd quarter eligibility, and 3rd quarter will be used for 4th quarter eligibility.
 - c) Any student carrying a GPA below 2.0 will not be eligible for off campus lunch privileges.
3. Attendance will be tracked by the following guidelines:
 - a) For 1st quarter, the student's full-year attendance rate for the previous school year will be used. For 2nd quarter, the students' 1st quarter attendance rate will be used. For 3rd quarter, the students' 2nd quarter attendance will be used. For 4th quarter, the students' 3rd quarter attendance rate will be used. Attendance rate will reset at the beginning of each quarter.
 - b) Any student with an attendance rate below 95% will not be eligible for off-campus lunch privileges.
 - c) Excused, unexcused, and unverified full day absences are all counted when determining attendance rate. Only School Business absences will be excluded from this percentage.

The privilege will be revoked if the student habitually returns late to school from lunch and by parent request. Seniors, who do not have a lunch sticker and wish to secure a passport for medical/dental

appointments at lunchtime, are required to show verification of the appointment.

Verification of absences: Students 18 Years of Age or Older

For purposes of any procedure for verification of absences from school, a student 18 years of age or older, with respect to his/her absences from school, shall have all of the responsibilities and powers which, in the case of a minor, would be charged to the parent, guardian, or other person having charge or control of the minor (E.C. 46012). An 18-year-old may call or write a note, but the school still determines the reliability. This school site may refuse to excuse the absence.

AR 5131.41 Children of Military Families

EXTRACURRICULAR ELIGIBILITY

The following are the eligibility procedures for participation in extracurricular activities and are to be followed in conjunction with PSUSD Board Policy. *(BP 6145)*

1. All students' grades will be checked at the time they are cleared for participation on a team or activity. The grades from the previous quarter will determine eligibility for the next quarter. This grade check is conducted by the Athletic Director and designated site vice principals. If a student is eligible at this time, no further grade check will be initiated for said student until the next school grading period (quarter).
2. All CIF eligibility requirements must be met for student athletes.
3. Entering ninth graders' first quarter eligibility and probation will be based on eighth grade second semester/third trimester and summer school grades.
4. All students who have less than a "C" (2.0) average or have more than one "F" are put on probation for a quarter. For students on block scheduling, a quarter refers to a nine-week period starting with the first day of school.
 - a) Coaches and extracurricular advisors will be notified of names of students who are placed on probation.
 - b) Students placed on probation will be told of their status and the probationary process as it affects them.
 - c) Students are limited to three probation periods during four years of high school.
5. Schedule of eligibility checks for probationary students:
 - a) Eligibility will be checked every three weeks throughout that sport (season) or activity for those students on probation.
 - b) Grade forms will be issued by Friday at the end of the three-week period. If school is not in session on the Friday in which a grade check is scheduled to fall, then the grade check will fall on the following Monday.

6. Eligibility grade check:

- Probationary students must: on Friday at the end of the three-week period, have their Eligibility Grade Check Forms completed by all their teachers.
- Student Eligibility Grade Check Forms must be turned into the coach, athletic director, or the extracurricular advisors at the end of that (Friday) day.
- If the student has a "C" average with no more than one "F" he/she is eligible to remain on the team or participate in the affected activity.
- If the student has less than a "C" average or has more than one "F", he/she is ineligible for the next three-week period or next quarter grading period, whichever comes first, to determine eligibility.

7. Grade checks will be made during the four quarters of the school year.

A student cannot be on probation for two consecutive quarters. A student will be declared ineligible for extracurricular activities if a second violation occurs. Eligibility will be determined the following quarter. If a student has a "C" average with no more than one "F", he/she is eligible to participate in the extracurricular activity.

For example: A student is on probationary status during the first quarter of an extracurricular activity. The same student cannot be placed on probation in the second quarter, but instead will be ineligible to participate in second quarter extracurricular activities. He/she may again, if necessary, be placed on probation for a third quarter.

EXTRACURRICULAR PERMISSION

School officials may limit participation in any extracurricular opportunities based on attendance, academic, and behavioral concerns. This policy includes any activity where the student will be out of class and participate in a school-sponsored activity.

Progressive Discipline Policy and Procedures

DISCIPLINE PROBLEMS IN THE CLASSROOM

There are three categories of student discipline:

LEVEL I. Chronic and continual classroom disruptions (such as defiance, disruptive behavior, excessive talking, being uncooperative, loud, out of assigned seat, etc.) which necessitate assignment to OTL, with a parent conference and/or dialogue (no phone machine) by the teacher within 24 hrs.

1. The teacher has documented the attempt to correct the student's behavior through the following progressive steps:
 - Student is warned
 - There is a teacher/student conference (possible change of seat)
 - Parent contact (actual conversation, if there is a difficulty, check with the Discipline Office)
 - Detention is assigned (24 hr. notice to student and parent)
Use of Discipline Referral Form for failure to show for Detention.
 - Use of OTL (Opportunity to Learn) Referral Form and parent conference
(The teacher and the form given to the student, when sent to OTL must fill out the top part of the form)The above steps should be reflected in the teacher's syllabus.
2. The teacher may elect to use a "time out" with teacher supervision, such as sending the student to a pre-arranged teachers room to work on an assignment.

LEVEL II. Counseling – chronic unproductive work habits behaviors that need to be addressed – and an intervention needs to be made by the student's counselor

1. Progressive corrective steps as outlined in Level I number 1 are followed by the teacher.
2. The teacher fills out a Counselor Referral Form and forwards it (do not send the student) to the student's counselor
3. A student will receive a Counselor Referral Form for any of the following behaviors:

GRADE POINT AVERAGE

Grade Point Average (GPA) is used to indicate a student's grade average. A 1.51 grade point average (GPA) is required for graduation. This GPA is computed in the following manner: convert letter grades to numbers, an A = 4, B = 3, C = 2, D = 1, F = 0. Add all the numbers and divide by the number of classes taken. All Honors and Advanced Placement (AP) courses are awarded an additional point value for a weighted 5.0 - point scale.

The following is an example of a GPA figured on one year's grades.

A's = 1 x 4 points = 4 points

B's = 2 x 3 points = 6 points

C's = 2 x 2 points = 4 points

D's = 0 x 1 points = 0 points

F's = 1 x 0 points = 0 points

14 points divided by 6 classes

$14/6 = 2.33$ GPA

GRADE CORRECTIONS

When grades are given for any course, the grade given to each student shall be determined by the teacher of the course. The determination of the student's grade by the teacher, in the absence of error, shall be final. If teacher or data entry errors occur, only the teacher of the course in question shall correct the grade(s) using the proper form, obtainable from the Registrar. Corrections will be made to the student's permanent record after receiving administrative approval.

ADVANCE PLACEMENT AND HONORS COURSES

Students who want an academic challenge to better prepare for education beyond high school should strongly consider taking Honors and Advanced Placement (AP) courses. AP classes prepare students to take the College Exams in May, if the exam is passed with a score of 3, 4, or 5, most institutions of higher education will award the passing grade as the equivalent of course work completed and give college units (check your intended college for specifics) saving money and time in college. There is a fee for this exam.

There will be a meeting in the spring for parents and their students who are interested in enrolling in AP classes. This meeting provides the opportunity to learn more about the courses, their contents, and the requirements for being in this program. The students enrolled in the AP classes will be expected to sign a contract which states the AP course requirements and guidelines.

The Board prohibits sexual harassment of students by other students, employees, or other persons, at school or at school-sponsored or school-related activities. The Board also prohibits retaliatory behavior or action against persons who complain, testify, assist, or otherwise participate in the complaint process established pursuant to this policy and the administrative regulation.

The Board strongly encourages any student who feels that he/she is being or has been sexually harassed on school grounds or at school-sponsored or school-related activities or who has experienced off-campus sexual harassment that has a continuing effect on campus, to immediately contact his/her teacher, the principal, or any other available school employee.

The Board is committed to complying with Title IX of the Education Amendments of 1972 (Title IX), 20 U.S.C. 1681 et seq. and its implementing regulations, which prohibit discrimination on the basis of sex in education programs or activities operated by federal financial assistance recipients. Sexual harassment, including sexual violence, is a form of sex discrimination prohibited by Title IX.

The Coordinator or designee shall ensure that all district students receive age-appropriate instruction and information on sexual harassment. Such instruction and information shall include:

1. What acts and behavior constitute sexual harassment, including the fact that sexual harassment could occur between people of the same gender
2. A clear message that students do not have to endure sexual harassment
3. Encouragement to report observed instances of sexual harassment, even where the victim of the harassment has not complained
4. A clear message that student safety is the district's primary concern, and that any separate rule violation involving an alleged victim or any other person reporting a sexual harassment incident will be addressed separately and will not affect the manner in which the sexual harassment complaint will be received, investigated, or resolved
5. Information about the district's procedure for investigating complaints and the person(s) to whom a report of sexual harassment should be made
6. Information about the rights of students and parents/guardians to file a civil or criminal complaint, as applicable
7. A clear message that, when needed, the district will take interim measures to ensure a safe school environment for a student who is the complainant or victim of sexual harassment and/or other students during an investigation and that, to the extent possible, when such interim measures are taken, they shall not disadvantage the complainant or victim of the alleged harassment.

Complaint Process

Any student who feels that he/she is being or has been subjected to sexual harassment shall immediately contact his/her teacher or any other employee. A school employee to whom a complaint is made shall, within one school day of receiving the complaint, report it to the principal or the District Coordinator.

Any school employee who observes any incident of sexual harassment involving a student shall take immediate steps to intervene when safe to do so and report this observation to the Coordinator, whether or not the victim files a complaint.

In any case of sexual harassment involving the Coordinator or any other district employee to whom the complaint would ordinarily be made, the employee who receives the student's report or who observes the incident shall report to the Superintendent.

District Coordinator:

Asst. Supt. of Educational Services or Designee

Upon receiving the complaint, the Coordinator or designee shall immediately initiate the complaint investigation procedures in accordance with AR 1312.3 - Uniform Complaint Procedures. Where the Coordinator or designee finds that sexual harassment occurred, he/she shall take prompt, appropriate, effective action to end the harassment and address its effects on the victim. The Coordinator or designee shall also advise the victim of any other remedies that may be available and take steps to prevent further harassment. The Coordinator or designee shall file a report with the Superintendent or designee and refer the matter to law enforcement authorities, where required.

Disciplinary Measures

Any student who engages in sexual harassment of anyone at school or at a school-sponsored or school-related activity is in violation of this policy and shall be subject to disciplinary action. For students in grades 4 through 12, disciplinary action may include suspension and/or expulsion, provided that in imposing such discipline the entire circumstances of the incident(s) shall be taken into account.

Response Pending Investigation

When an incident of sexual harassment is reported, the principal or designee, in consultation with the Coordinator, shall determine whether interim measures are necessary pending the results of the investigation. Such measures shall be those necessary to stop the harassment, if still ongoing, and to ensure a safe school environment for a student who is the complainant or victim of sexual harassment and/or other students during an investigation. To the extent possible, when such interim measures are taken, they shall not disadvantage the complainant or victim of the alleged harassment.

All complaints and allegations of sexual harassment shall be kept confidential except as necessary to carry out the investigation or take other subsequent necessary action. The Coordinator or designee will discuss confidentiality standards with the student when the complaint is initiated.
