Please encourage your child to comply with our rules and expectations. These rules are important in securing your child's safety and academic progress. We encourage you to visit the school and take an active part in your child's education. Throughout the year, you will have many opportunities to be involved in school activities. We use a system called Raptor to help promote a safe environment when receiving visitors. We believe working together will provide a positive educational experience for your child.

The faculty and staff at Katherine Finchy Elementary constantly strive to provide the best education for your child. We are pleased to announce that **every** student at Katherine Finchy Elementary is provided with a free breakfast and lunch. We are very excited to begin the new school year and we have many fun and educational activities planned.

## **General Information**

### Attendance

Good attendance and promptness is vital to learning. Please help your child understand the importance of attending school and getting to school on time. Students coming in to class late, or leaving early, miss out on important instruction and cause unnecessary distractions for the other students in the classroom. Making every effort to have your child in school on time, every day, all day is one of the greatest contributions a parent can make to their child's education.

**\*\*\*Perfect Attendance is defined as being in school all day, every day.**

### Notification of Absence

All absences are to be reported to the school on the same day as the absence. The school office is open from 7:00 a.m. to 3:00 p.m. to receive phone calls. The school telephone number is 416-8190. If the absence is not verified by telephone, a written reason is required upon the student's return to school. The note should state the child's first and last name, the day of the absence, the reason for the absence, and parent signature. You can also report absences through the ParentVue app.

### Absences

School attendance is compulsory in California. Children are excused from attending school only for illness, medical or dental appointments, a court appearance (for the child), or death in the family. Excuses such as missing the bus, visiting with friends, or personal reasons are unexcused by the State and are considered instances of truancy.

### **EXCUSED ABSENCES:**

(a) Notwithstanding Section 48200, a pupil shall be excused from school when the absence is:

- (1) Due to his or her illness.
- (2) Due to quarantine under the direction of a county or city health officer.
- (3) For the purpose of having medical, dental, optometric, or chiropractic services rendered.

- (4) For the purpose of attending the funeral services of a member of his or her immediate family, so long as the absence is not more than one day if the service is conducted in California and not more than three days if the service is conducted outside California.
- (5) For the purpose of jury duty in the manner provided for by law.
- (6) Due to the illness or medical appointment during school hours of a child of whom the pupil is the custodial parent.
- (7) For justifiable personal reasons, including, but not limited to, an appearance in court, attendance at a funeral service, observance of a holiday or ceremony of his or her religion, attendance at religious retreats, attendance at an employment conference, or attendance at an educational conference on the legislative or judicial process offered by a nonprofit organization when the pupil's absence is requested in writing by the parent or guardian and approved by the principal or a designated representative pursuant to uniform standards established by the governing board.
- (8) For the purpose of serving as a member of a precinct board for an election pursuant to Section 12302 of the Elections Code.
- (9) For the purpose of spending time with a member of the pupil's immediate family, who is an active duty member of the uniformed services, as defined in EC § 49701, and has been called to duty for, is on leave from, or has immediately returned from, deployment to a combat zone or combat support position. Absences granted pursuant to this paragraph shall be granted for a period of time to be determined at the discretion of the superintendent of the school district.

### **Independent Study**

Independent study is approved by the principal for important absences lasting 1 or more days up to a maximum of 15 days per school year. First, Contact the KFES front office and speak with Mrs. Nicole Villalobos in the front office. After approval and completing the independent study form the office will request a study packet from the teacher. The teacher will need two days to prepare the packet. After the packet is prepared it will be available in the office for pick-up. When it is completed return it to the school office.

### **Arrival at School**

Students should not arrive at school before supervision begins. Supervision begins at 7:15 a.m.

### **Tardies**

School begins promptly at 7:45 a.m. Parents are responsible for getting children to school on time. When a student is tardy he/she disturbs the rest of the class and misses part of the instructional program. Students who arrive after 7:45 a.m. must report to the office to obtain a permit to enter class.

Excessive tardies can result in a referral to School Attendance Review Team (SART), or the School Attendance and Review Board (SARB). Tardies count against perfect attendance. Arriving more than thirty minutes late and unexcused is a truancy.

Tardies for a doctor appointment can be excused by bringing a note from the doctor's office.

### **Leaving Campus During School Hours**

Katherine Finchy Elementary is a closed campus. Once students arrive, they may not leave the campus until dismissal except for a legally excused reason. Parents are urged to make every effort to schedule doctor or dental appointments during non-school hours. When early dismissal is necessary, a parent or guardian must come into the office before 2:20 to sign out a student. Students will be called from class only after being signed out. 2:20-2:35 is a hectic time in the classroom; students can't be called out during that time. *The person escorting the student from school grounds must be on the Emergency Card and must show valid identification.*

### **Beginning of the School Day**

Student safety is important before school. Students are allowed in the cafeteria if they are having breakfast at 7:15 a.m. and all students will be allowed on campus at 7:30 a.m.. There is no supervision in the front of the school before 7:15 AM. Drop off students or send them to school so that they arrive at or after 7:15 for breakfast or 7:30 if they have breakfast at home. **It is unsafe to leave or send your child before these times. Instruction starts at 7:45.**

### **Parent on campus before school**

The cafeteria is limited to students and staff during this period. If you prefer, you can have your child arrive right before 7:45 and proceed directly to the classroom. Parents' complete cooperation is important at this time. The minutes used by supervision staff to interact with parents on campus, takes important time away from supervising children.

### **End of the School Day**

**Students are supervised in the pick-up area for 15 minutes after the dismissal bell.** Please do not ask your child to go to the park or any other area for pick-up. All supervision is on the grassy pick up area on the northeast side of the school. Please arrange to pick-up your child at 2:35 p. m. dismissal.

All students being picked up by car will be loaded curb side in the pick-up area. Day care vans will wait and pick-up in the kindergarten pick up area. Students in day care vans will be escorted by drivers. No other student will be allowed to walk in or through the parking lot. It is not safe to have students attended or unattended walking through the parking lot to load in cars. Students who are walking or being picked up away from school property must exit the school using the sidewalks. Students riding the school bus will walk to the bus loading zone.

When picking up a child, by car, remember to:

- a. Arrive at school eastbound on Tachevah.
- b. Begin the car cue at the parking lot entrance and proceed through the loading area directly in front of the office. Please no double parking.
- c. Follow the direction of the staff to pull forward or wait for loading.
- d. Remember it is **Right Turn only** when exiting the parking lot.

### **Telephone Calls**

The Katherine Finchy telephone number is 416-8190. Calls to the office will be answered from 7:00 A.M. until 3:00 P.M. Students will not be called out of class for phone calls unless it is an emergency. We understand that there may be a time when you must get a message to your child during the school day. To avoid classroom interruptions messages will be sent by email in the AM and by student courier in the PM.

### **Please write a note to the teacher if there is going to be a change in the procedure for how your child gets home.**

The school phone is for school business purposes. Students may not use the phone except in an emergency. Please speak to your child and make arrangements with you before school about staying after school, visits to friends, etc.

### **Breakfast and Lunch**

Breakfast is served daily in our cafeteria from 7:15 - 7:45 a.m. Breakfast is FREE, Lunch is served daily and is also Free.

### **Student Wellness**

The food served in the cafeteria at breakfast and lunch meet nutritional guidelines. A variety of fruits and vegetables are available in the salad bar. **This policy strongly encourages parents not to bring fast food lunches to school.**

According to the Student Wellness Policy celebrations with food during school hours is very limited. The school allows interested teachers to have one 30 minute “nutritious snack” party per month. These can be at the end of the day on the last Friday of each month to celebrate the birthdays during that month or similar celebrations.

The wellness policy allows the following “sweet treat” parties:

Halloween

Christmas

Valentine’s Day

Easter

End of the school year

Please plan birthday celebrations away from school instructional time. The office and teachers will no longer accept treats and other arrangements for birthday parties. The school will provide a list of nutritious snack ideas for rooms that have an end of month party. We need to maximize the time we provide instruction to every student. Stopping instruction of all students for an individual’s birthday party reduces instructional time and makes party attendance a mandatory experience for the entire class.

For copies of the nutrient analyses of school lunches, please refer to the school menu. For a copy of the Student Wellness Board Policy in its entirety, please contact the school office or district office.

### **Cell Phones, Electronic Devices and Toys**

Electronic devices and toys are not permitted at school. iPods, cd players, cell phones, smart watches, and electronic games such as Game Boys are not allowed. Such items can be confiscated and will remain in the school office until picked up and signed out by parents. **Basketballs, tetherballs, playground balls and soccer balls are provided for playground use. Soccer balls, basketballs and soft playground balls can be brought from home, but must be shared. No footballs or hard balls are allowed.**

### **Textbooks and technology**

Students are responsible for all books checked out to them. They are expected to take care of them and return them at the end of the year. If a textbook, technology or other school property is lost, stolen, or destroyed, it must be paid for. A bill will be sent to parents for any lost, damaged or destroyed item.

### **Parental Rights Regarding Custody Issues**

By law, if parents are legally separated or divorced, each parent has equal rights to the custody of the child/children UNLESS a parent has a court order that indicates which parent has custody of the child/children. **The school MUST HAVE A COPY OF THE COURT ORDER on file, otherwise, either parent may check the child out with proper identification.**

## **School Uniform Policy**

The Palm Springs Unified School District recognized in Board Policy that, “There is a generally held belief by educators that school dress significantly influences pupil behavior,” and “Schools that have adopted school uniforms have experienced a sense of pride, ‘ coming together feeling’ and better behavior in and out of the classroom.”

### **Rationale**

At Katherine Finchy we continue to strive to build and enhance a positive school environment and community. Consistent meeting of the School Uniform Policy will enhance the school community. We will continue to work to praise and recognize students for meeting the uniform expectations. Our goal as a school has been to positively reward students meeting expectations to encourage adherence to this policy. Parent and student support of this school wide expectation would be greatly appreciated.

The adoption of a school uniform policy reaffirms the concept that students should be properly prepared for participation in the education process. School uniforms in a public school setting have been shown to enhance school safety, promote good behavior, and improve the learning environment. Uniforms at Katherine Finchy will support the academic focus, positively influence student behavior and provide the students with a safe and healthy environment.

## **Academic Procedures**

### **Report Cards, Progress Reports and Conferences**

Report cards are issued in November, March and June. Progress Reports are sent home mid-trimester. Marks will reflect your child's progress toward mastering the Common Core State Standards.

Additional meetings can be scheduled between the parent and teacher as needed. Please contact your child's teacher if you have any concerns throughout the year.

### **Immediate Requests for homework and make-up work**

Except for pre-approved Short-Term Independent Study (SIS) teachers will notify parents of school work and homework that NEEDS to be completed.

When parents request homework or make-up work from the school the teacher will get back to the parent within 24 hours if there is work that NEEDS to be completed. The teacher will provide the work before or after school instructional hours. Teachers cannot stop instruction for the whole class to get requested work for one student.

Please know that make-up school and homework is helpful when emergencies and illness have students away from school. However, it is not a replacement for daily instruction from an effective teacher. Please make every effort to have your child at school each school day to maximize learning.

### **Homework**

The purpose of homework is to provide opportunities to read and practice being responsible to work independently and complete tasks. It is prepared to encourage reading practice and reinforce already taught skills. Every child needs to develop good study habits in order to be successful at school.

Homework is an integral part of the Palm Springs Unified School district's education policies. The weekly homework requirement is no more than one hour. Assignments are given Monday through Thursday. Occasionally, weekend work may be given to complete assignments or work on projects.

### **State Testing**

Smarter Balanced Assessment Consortium is given in the spring of each year to third through fifth grade students. This test measures how well your child has learned the material that has been taught that year. The results are released at the beginning of the following school year. These results help us to guide your child's learning for the following year. If you have any questions regarding your child's performance or the school's performance, please contact your child's teacher or the principal.

### **GATE Testing (Gifted and Talented Education)**

In March all third grade students are tested for the GATE program. Second, Fourth, and Fifth graders are screened when requested by the parent.

## **Health and Safety**

### **Emergency Cards**

Each year you must complete a new emergency card. Information must be kept up-to-date in order for the school to contact you. Please keep us updated when you change your phone number. This is very important in the case of an emergency. If the information changes, it is your responsibility to contact the office and update the card. A child will only be released to person(s) listed on the emergency card. No exceptions will be made.

### **Medications**

The parent of “Any student who must take medication (prescribed or over-the-counter) during the school hours must submit a written statement of instructions from the physician and a parental request for assistance in administering the physician’s instructions. All medication brought to school must be in an appropriate pharmacy container as packaged by the manufacturer and labeled with the student’s name, name of the medication, exact dosage, time medication is to be given, name of prescribing physician, and the date the prescription was filled.” (Education Code 49423 Board Policy 5141.21)

Students *may not* have any medication (not even such medications as Tylenol, cough drops, etc.) in their pockets, backpacks, etc.

You, as the parent/guardian, may administer medication to your child before, during, or after school but without written medication authorization from a physician, *no medications may be taken by the students nor administered by any member of the school staff.*

### **Emergency Procedures**

In case of an earthquake, or other disaster, all students will be evacuated to the playground. You will pick up your child at the gate by the Headstart classroom. If you are unable to reach the school your child will be provided with care and shelter. Schools will remain open indefinitely until every child has been released to a parent or authorized person or transported to an emergency center. **Students will only be released to persons listed on their emergency card so please keep it up to date.** Please discuss emergency plans with your child.

### **Tobacco and Drugs**

Katherine Finchy School is a tobacco and drug free school. Students and adults are not allowed to smoke or be under the influence of drugs when on campus. Students and adults may not possess, use or sell drugs or alcohol. Students will be suspended and possibly expelled according to Education Code.

### **Illness at School**

If your child becomes seriously ill or injured at school, we will contact you immediately to pick up your child for your own observation or examination by your family physician. It is important for parents to keep medical emergency cards up to date in case a parent or designated alternate adults needs to be called.

## **Parent Involvement**

Parent involvement is a high priority at Katherine Finchy Elementary. Student success and parent involvement are closely linked. Many opportunities for education, service, and family fun are provided throughout the school year. All notices are sent to families, in English and Spanish, of meeting dates for School Site Council, English Language Learner Committee, Back to School Site Nights, parent educational nights, PTA meetings, and all other functions where parents have the opportunity to have a voice. Translators are provided for meetings, evening special events, and parent-teacher conferences.

Also teacher web pages can be accessed from the school page. Please take the time to listen to our automated phone messages from time to time with important current information.

## **School Climate and Discipline Program**

### **Expectations**

The Katherine Finchy staff is dedicated to providing a safe, consistent, and respectful child-centered school environment where children can happily experience the joy of learning. We will strive to maintain high academic expectations for the students and high professional standards for ourselves. Our desire is that our students and their parents embrace Katherine Finchy as a place for learning and growth. We believe that the true reward of learning is the sense of achievement fostered in each child, each day.

One of the most important lessons education should teach is responsibility and self-discipline. While discipline does not appear as a subject, it underlies the whole education structure. It is the training that develops self-control, character, orderliness, and efficiency. It is the key to good conduct and proper consideration for other people.

Katherine Finchy students are expected to follow acceptable standards of good behavior and to demonstrate good citizenship at all times. It is the responsibility of the staff and parents to provide input into the development of specific sets of rules, to review self-discipline programs and to generate new ideas for a system of rewards and honors for appropriate behavior. Included in this section are common sense rules for the safety of all students on the playground, in the cafeteria, on the bus, and in the classroom. These rules may be modified to meet the school-wide expectations for appropriate behavior.

### **Common Area Behavior Expectations and Practices**

#### **Playground**

1. During recess, students are to stay in supervised areas only.

2. When the bell sounds ending recess, students are to stop, freeze, and listen for the whistle. They are then to walk to their line, if the teacher is present, or to their classroom.
3. Students are not to bring or eat/chew candy, gum, lollipops, etc. to school.
4. Hitting, kicking, horseplay, or throwing objects is not permitted.
5. No vulgarity or profanity.

A bus driver shall not require any pupil to leave the bus en route between home and school. Bus transportation to and from school is a **privilege**, not a right. Inappropriate behavior on a school bus or while waiting for the bus at school or at a community bus stop may result in temporary or permanent removal of the privilege to ride a school bus. *Serious violations may result in immediate loss of bus-riding privileges as well as suspension from school.*

### **Cafeteria Rules**

Teachers will keep parents/guardians informed of all disciplinary actions. In cases of extreme behavior, or when all alternatives have been exhausted the teacher will refer the student to the principal for appropriate action. Due process will be followed. Actions by the principal may range from counseling to suspension in accordance with investigation of the circumstances of the incident.

Actions taken by the principal, as a result of a referral, will be reported back to the classroom teacher and to the parents. A copy of the referral with documentation of the action must be signed by the parent and returned to the office.

**CHILD PROTECTIVE SERVICES:** If any school district employee suspects that a child is being physically and/or sexually abused or neglected, it is our legal responsibility to report this to Child Protective Services (CPS). We would like you to also report any of your suspicions to a school administrator, teacher, or counselor if you have any concerns, so they can guide you through the reporting process; however, this is not required, because abuse reports are, by law, confidential. (Penal Code 11174.3). If a child is to be interviewed at school, Penal Code 11743.3 will be followed. The child shall be afforded the option of being interviewed in

private or selecting any adult who is a member of the staff of the school. The Children's Services Division representative shall inform the child of that right prior to the interview. If a child is released from school as a victim of suspected child abuse into the custody of a **CSD** representative, the school shall provide the CSD representative with the address and telephone number of the minor's parent or guardian. The agency will notify the parent or the guardian that the minor is in custody. (Education Code 48906). The school is not allowed to notify parents/guardians of a **CPS** representative's visit at a school site.

**SEXUAL HARASSMENT:** If a student feels that he or she has been sexually harassed by an adult or a student, the pupil needs to immediately tell an adult. The adult is to send the student to the principal. The site administrators will then investigate the complaint, determine the validity, and take appropriate action.

**BULLYING:** Bullying is a serious action that can have a negative impact on a child's emotional and physical wellbeing. Unfortunately, it is also a term that is frequently misapplied to other inappropriate behavior. Bullying is defined by Education Code 48900 (r) as severe or pervasive physical or verbal conduct that has, or could have, the following effects:

- Placement of a student in fear or harm to person or property
- Substantially detrimental effect on physical or mental health
- Substantial interference with academics or with school services, activities, or privileges.

Bullying also includes an act of cyber sexual bullying by a student through the dissemination of or the solicitation or incitement to disseminate, a photograph or other visual recording that depicts a nude, seminude, or sexually explicit photograph or other visual recording of an identifiable minor, when such dissemination is to another student or to school personnel by means of an electronic act and has or can be reasonably predicted to have one or more of the effects of bullying described above. Cyber sexual bullying does not include a depiction, portrayal, or image that has any serious literary, artistic, educational political, or scientific value or that involves athletic events or school-sanctioned activities (AR 5144.1).

Do the following if you suspect your child is being bullied:

1. Get as much details as you can about the incident(s) (frequency and duration of actions) and:
  1. Notify the teacher, or
  2. Notify the school counselor, Mrs. Perczak, or
  3. Submit a sprigeo report at [www.sprigeo.com](http://www.sprigeo.com), or
  4. Notify the principal or assistant principal

It is important to note there is a difference between mean behavior and bullying. Please read the official operating definition of bullying for the Palm Springs Unified School District on the next page.
