What a School Counselor Does....

A school counselor:

- Designs and delivers school counseling programs that improve student outcomes
- Leads, advocates, and collaborates to promote equity and access for all students by connecting their school counseling program to the school's academic mission and school improvement plan
- Upholds the ethical and professional standards of ASCA and promotes the development of the school counseling program based on the following areas of the ASCA National Model: define, deliver, manage, and assess.

Services We Provide

- We provide services in Academic, Social-Emotional (SEL), and College/Career Development
- We provide our services through many different interventions. The most known and common are:
 - In-Class Instruction
 - Hosting School-wide Activities
 - Group Counseling
 - Individual Counseling
 - Referrals to services
- We use data to identify the needs of our students and base our interventions on what is happening at our site and with our students
