November 23, 2021

Dear Palm Springs High School Families,

It gives me great honor to share with you that the PSUSD Board of Education has appointed me, Michael Ventura, as the new Principal of Palm Springs High School. Some of you may already know me from my previous role as the Assistant Principal/Athletic Director at PSHS. I am extremely excited to continue the excellent traditions at Palm Springs High School.

I started my career at Palm Springs High School nineteen years ago as the Athletic Trainer. Since then I served as the CTE Teacher for Sports Medicine, as I built the Palm Springs Academy for Learning Medicine (PALM) Academy, as well as the Assistant Principal/Athletic Director. During these 19 years I have learned so much about our community and have built many valuable relationships. As the next principal of Palm Springs High School I will continue to strengthen our relationships, continue to be an avid learner, and continue to move Palm Springs High School on our path towards success.

We have an amazing community around Palm Springs High School. I look forward to taking advantage of every opportunity presented to us. I will ensure Palm Springs High School is a place where students realize anything is possible, feel safe and supported, and grow each and every day.

Throughout the years I have been supported by so many in the Palm Springs community. Thanks to this support I fully understand the unique and valuable role our school plays in the community. With that in mind please know that I will work very hard every day to support you, your children, and honor the traditions, history, and role our campus plays in our city. Together we can provide a special place for our students to grow into great adults and community members. I look forward to serving you as your new principal!

Sincerely,

Mr. Ventura
Principal, Palm Springs High School

MISSION STATEMENT

To prepare students to assume responsible adult roles as citizens, family members, workers, and lifelong learners by providing for their intellectual and developmental needs.
