Dear Indians,

As many of you have already heard, I, Michael Ventura, was appointed tonight as the new Principal at Palm Springs High School. When our great Principal, Mr. Hendra was promoted, I decided to apply for the principalship of PSHS to continue the great work that he has done. You are a special group of young students and I will strive to continue to support you, our staff, and our community.

I started my career at Palm Springs High School nineteen years ago as the Athletic Trainer. Since then I taught sports medicine classes, built the PALM Academy and served as the Assistant Principal/Athletic Director. During these 19 years I have learned a lot and built many relationships. As the next principal of Palm Springs High School, I will strive to continue to learn, make our relationships stronger, and continue to move Palm Springs High School in a positive direction.

I will have an open door policy. I want you all to know that your opinion is important to me. I enjoy seeing you all everyday, saying hi, smiling, and talking about all the great things happening at PSHS. I will work hard every day to make sure you feel safe and supported. I will also make sure that PSHS will be a school that will challenge you and make you a better person, because I believe in each and every one of you.

Please enjoy the rest of your Thanksgiving Break. I look forward to seeing you all on Monday, the 29th as the new Principal of Palm Springs High School. Come to school with a great, positive attitude and let's rock the next three weeks before the Winter Break!

Mr. Ventura,
Principal, Palm Springs High School.

MISSION STATEMENT

To prepare students to assume responsible adult roles as citizens, family members, workers, and lifelong learners by providing for their intellectual and developmental needs.
