

Raymond Cree Counseling Services

Core Counseling Curriculum or Primary Prevention (all students)

- School-wide and classroom guidance prevention activities
- Visible presence on campus and in classrooms

Intentional Guidance or Secondary Prevention (some students)

- Using data to identify, address and monitor students' academic/behavior needs for students with at-risk behaviors

Individual/Referral or Tertiary Prevention (few students)

- Specialized individualized system for students with high-risk behaviors and/or academic needs, SSTs, 504 plans and supporting IEPs.
- Short-term individual counseling
- Referrals to outside resources
- Response to Intervention (RtI) levels of support to meet academic development, personal/emotional development, and college and career readiness development

Mission Statement

The mission of Raymond Cree Middle School counseling department is to empower all students to reach their fullest potential. We strive to promote and support academic achievements, personal and social development, and career planning of every student. We advocate for student success by offering individual counseling, group counseling, and core curriculum class lessons.
