

PSUSD Annual Verification

2023/2024

MT. SAN JACINTO HIGH

No more packets of paperwork to complete and return to the school office! Palm Springs Unified School District has implemented an online student verification system through ParentVUE.

Step 1 Sign in to your Active ParentVUE account*

•**Computer** - Please sign in to your account through <https://pvue.psusd.us/> and click on the Online Registration option in the top right-hand corner.

•**Phone App** - Sign in to your account and click on the purple OLR-Online Registration option above your student's name and photo. Then click on the OLR option a second time to enter the verification process.

Forgot your password? Use the above link on your computer to reset your password.

Step 2 Begin the Verification process and verify your child's information.

Your student's information need only be verified by on custodial parent/guardian. Any parent/guardian with custody rights can verify and change student enrollment from their ParentVUE account.

Step 3 Review and Submit

Status of Recent Registration Activity will confirm your Annual Verification is complete.

Please complete the online verification as soon as possible, to ensure continued communication regarding the 2023-2024 school year activities,

****If you have not created your ParentVUE account or need help, please contact the school.***
