

Student Drop Off And Entrance Locations

Please note that traffic is really bad in the mornings at JWMS.

- Students can enter in one of 3 locations: Soccer Park Gate, Marquee Gate at the corner of 30th and our parking lot or at the front of campus near the office and room 601.
- Students must cross using the crossing guard at the corner of San Eljay and 30th.
- The bus zone is for busses only.

Northgate Community Church at the corner of 30th and Date Palm have offered their parking lot for a safe location for student drop-off and pick-up.
