Article 1. Parties and Date

This Agreement shall be effective from **July 1, 2022 through June 30, 2025**, between the Palm Springs Unified School District (hereinafter “District”) and the Palm Springs Teachers Association, a chapter of the California Teachers Association/National Education Association (hereinafter “Association”). Either party may reopen negotiations to bargain new legislation and its impact during the period of this Agreement.

Article 2. Recognition

2.1 Representation. Pursuant to the requirements of Government Code Section 3544.1, the District recognized the Association as the exclusive representative for the unit described as follows:

“All full-time and regular part-time certificated employees in the Palm Springs Unified School District, excluding management, supervisory or confidential employees.”

Excluded from this unit are all substitute employees. When used hereinafter, the word “employee” shall mean certificated employees within the unit covered hereby unless otherwise stated.

Article 3. District Rights

- 3.1 Rights and Responsibilities.** It is agreed that the District retains all of its power of direction, management and control to the full extent of the law. Included in these powers are the exclusive rights to (a) determine its organization; (b) direct the work of its employees; (c) determine the hours of District operations; (d) determine the kinds and levels of services to be provided, as well as the methods and means of providing them; (e) establish its educational policies, goals and objectives; (f) insure the rights and educational opportunities of students; (g) determine staffing patterns; (h) determine the number and kinds of personnel required; (i) maintain the efficiency of District operations; (j) determine District curriculum; (k) design, build, move or modify facilities; (l) establish budget procedures and determine budgetary allocation; (m) determine the methods of raising revenue; (n) contract out work; and (o) take action as required by, and for the duration of, emergencies that may arise. In addition, the District retains the right to hire, classify, assign, evaluate, promote, terminate (for reasons other than "lack of funds") and discipline (pursuant to Ed. Code Section 44944) employees. This recital in no way limits other District powers as granted by law.
- 3.2 Limitations.** The exercise of the foregoing powers, rights, authority, duties and responsibilities by the District, the adoption of policies, rules, regulations and practices in furtherance thereof, and the use of judgment and discretion in connection therewith, shall be limited only by the terms of this Agreement and the law.

Article 4. Wages

4.1 Wage Scales. The wage provisions for the term hereof shall be as set forth on Appendix C, attached hereto and by this reference incorporated herein.

The bargaining unit salary schedules shall be increased by 4.5% for the 2023-2024 school year, retroactive to July 1, 2023.

- Retroactivity will be on base pay only (including preparation period buyouts as outlined in article 5.3.3)
- Increase to Appendix A stipends shall be effective 2024/25 school year
- District and per diem hourly rate increases shall be effective upon ratification

Implement a restructured salary schedule (per the attached addendum) effective July 1, 2024. This concludes negotiations through the 2024-2025 school year. If the funded COLA for 2024-2025 exceeds 2%, PSTA shall have the right to reopen Article 4.

All remaining contract language shall be effective at the start of the 2024/25 school year.

4.2 Fringe Benefits

4.2.5 The District's annual contribution to the actual cost of Health and Welfare Benefits (medical, dental, and vision) will be a maximum of \$18,425 per eligible member effective October 1, 2023. Costs that exceed the District's contribution shall be the responsibility of the Association and may be covered through plan changes, increased co-pays, increased deductibles, premium contributions and/or offsets to salary. The establishment of the maximum contribution does not constitute a waiver of the Association's right to negotiate increases to the District's contribution. Should the Association fail to act or the parties fail to reach agreement on this issue, the default mechanism shall be individual payroll deductions based upon composite rates per plan selected.

4.2.6 Effective January 1, 2003, coverage will be modified to include Domestic Partner coverage according to definition determined by the State of California.

4.2.7 Internal Revenue Code Section 125 will be implemented prior to June 30, 2003.

This credit is not retroactive and will be applied prospectively effective July 1, 2015.

4.8 Professional Development Stipend. The professional development stipend for sessions in excess of four (4) hours and not more than eight (8) hours shall be \$270. Sessions up to and no more than four (4) hours shall be \$135.

Article 5. Hours of Employment All Schools; Programs

5.1 Work Week. It is the policy of the Palm Springs Unified School District, insofar as possible, to assign all personnel so that an equitable workload exists for each. It is expected that assignments normally performed by an individual will average forty (40) hours per week during the school year, including time spent at the school site, and professional activities and preparation work performed off the school site.

5.1.1 The District shall implement a “late start/early release” schedule one day per week District wide (commonly referred to as the “2-1-2” schedule). One of the instructional days shall either be a later start or early release day. Minutes banked to create the late start/early release day will be distributed across the other four days.

5.2 Work Day. The standard work day for unit member shall consist of seven and one half hours (which includes instructional time, reporting time and flexible time). Unit members have responsibilities for professional and adjunct duties beyond the work day as delineated below.

5.2.1 As part of the district-wide full day Kindergarten program, each Kindergarten class will be provided two-hours of instructional aide support per day. At school sites where full day Transitional Kindergarten (TK) classes are offered, two-hours of instructional aide support per day will be provided for the full day TK class. Should the instructional aide be absent, a substitute may be provided if there is a classified substitute available from the substitute pool managed by Human Resources. Unit members assigned to TK through 8th Grade school site shall be on site for no less than forty (40) minutes beyond the instructional day. Unit members assigned to grades TK through 8th Grade shall report to work no later than ten (10) minutes prior to the start of the instructional day and the remaining thirty (30) minutes shall be flexible and can be adjusted at the individual’s discretion. Unit members assigned to grades 9 through 12 shall be on site for no less than twenty (20) minutes beyond the instructional day. Unit members assigned to grades 9 through 12 shall report to work no later than ten (10) minutes prior to the start of the instructional day and shall not leave earlier than ten (10) minutes after the end of the instructional day. In addition to the foregoing, classroom teachers and other unit members shall be responsible for professional duties and regularly scheduled extra duty assignments. Professional duties include IEPs, SSTs, 504s, Staff Meetings, Parent Conferences, and conferences with administration and/or trainings mandated by Assistance Plans. Extra duty assignments include and are not limited to supervision of after school student needs and events and other school site adjunct duties. Insofar as practical, extra duties will be equitably assigned. In the event the Principal determines that it is necessary for teachers to remain on campus due to an emergency, e.g. student unrest, actions off campus, etc., teachers can be required to remain on campus

until student safety is assured. Teachers shall not be required to sign in or sign out. Every teacher shall be entitled to one (1) duty free uninterrupted lunch period per day. Teachers may be required to use their preparation period for substitute duties in which case they shall be paid at 1/8 per diem rate.

5.2.1.1 **Elementary Duties.** Elementary teachers will not be required to provide any yard or bus duties prior to the beginning of their first class, although they shall respond to requests for assistance during said period. This provision will not be applicable if it conflicts with reasonable requirements on field trip days. After school supervision duty shall not exceed twenty (20) minutes beyond the instructional day.

5.2.1.2 **Substitute Coverage.** Should there be a situation where there is a lack of substitute coverage, every effort will be made to have other certificated personnel cover classes in elementary schools before assigning students to other classroom teachers.

The elementary teachers who are assigned from 1 to 4 students shall be paid 1/8 of their per diem, elementary teachers who are assigned from 5 to 8 students shall be paid 1/7 of their per diem and elementary teachers who are assigned 9 or more students shall be paid 1/6 of their per diem. Elementary teachers who substitute during their prep period will be paid 1/8 of their per diem.

5.2.1.3 **Uninterrupted Workday.** One of the workdays prior to the first day of school with students shall be an uninterrupted day for certificated teachers to work in their classrooms and/or assigned areas. For the uninterrupted work day provisions for school counselors, librarians, school nurses, and SLP's, see 5.3.1, 5.3.2, 5.3.3, and 5.3.4.

5.2.1.4 **Course Offerings.** High School Teachers in regular education core subject areas (Math, English, Social Studies and Science) will not be required to plan for more than three different regular education core subjects. Should there be a necessity for a teacher to teach more than three different regular education core subjects, the teacher shall be paid a \$2,000 stipend per semester. Any regular education core subject which requires a separate pacing guide and/or unit of study shall be deemed an additional subject. Academy courses are not considered separate units of study. The District will attempt to avoid having teachers new to the profession teach a fourth subject. This section shall not apply to online courses. This section shall also apply to Special

Education teachers that are required to co-teach in more than three different regular education core subjects.

- 5.2.2 **Counselors.** The regular workday for counselors shall be determined by the site administrator after consultation with site counselors but, in any event, it is expected that assignments normally performed by an individual will average forty (40) hours per week during the school year, including time spent at the school site, and professional activities and work performed off the school site. Upon direction of the site administrator, daily duty hours will be adjusted to accommodate assignments outside the standard work day such as FAFSA, orientations, college nights, etc.
- 5.2.3 **School Nurses.** The regular work day for school nurses shall be determined by the district supervising nurse after consultation with the school nurse but, in any event, it is expected that assignments normally performed by an individual will average forty (40) hours per week during the school year, including time spent at the school site, and professional activities and work performed off the school site. Upon direction of the supervising nurse, daily duty hours will be adjusted to accommodate assignments outside the standard work day.
- 5.2.4 **Speech Language Pathologists (SLP's).** The regular work day for SLP's shall be determined by the Director of Special Education and/or designee after consultation with the SLP but, in any event, it is expected that assignments normally performed by an individual will average forty (40) hours per week during the school year, including time spent at the school site, and professional activities and work performed off the school site. Upon direction of the Director of Special Education and/or designee, daily duty hours will be adjusted to accommodate assignments outside the standard work day.
- 5.2.5 **Preparation Time/Middle School and High School.** All full-time middle school and high school teachers shall have a six period day, one of which shall be a duty-free preparation period equal in length to one class period. These preparation periods shall be used for preparation for classes, grading of materials, conferences with students and/or parents and/or other personnel and are not intended to be free periods.
- 5.2.6 **Preparation Time/Elementary School.** Elementary teachers shall be provided with four (4) preparation periods per week, for no less than

four separate days of the week, totaling no less than two hundred (200) minutes. No single preparation period shall be less than thirty (30) minutes. Preparation time lost due to minimum days, vacations, field trips, or unusual circumstances, need not be rescheduled.

- 5.2.6.1 To the extent that the District employs elementary STEAM, P.E. and Music teachers to facilitate the preparation time for classroom teachers, the STEAM, P.E. and Music teachers shall be provided with no less than four (4) preparation periods per week, for no less than four separate days of the week, totaling no less than two hundred (200) minutes. No single preparation period shall be less than thirty (30) minutes. There shall be a passing period of no more than five (5) minutes between classes for elementary STEAM, P.E. and Music teachers. Elementary special education teachers shall be provided with sixty (60) minutes per week for the purpose of IEP Case Management. The IEP Case Management period shall be used for IEP related needs such as, but not limited to: scheduling and planning meetings; conducting special education student assessments; conferences with students, parents, and personnel; etc.
- 5.2.8 **Parent Teacher Conference:** Parent conferences per semester at the Middle School will be structured as follows:
- (a) Wednesday parent conferences will begin forty-five (45) minutes following conference day dismissal. This first session of conferences will end two (2) hours and thirty (30) minutes after it begins;
 - (b) Thursday parent conferences will begin forty-five (45) minutes following conference day dismissal; the first Thursday session of parent/teacher conferences will end two (2) hours and thirty (30) minutes after it begins; Thursdays will have a thirty (30) minute break between the two sessions; the second session on Thursdays will be three (3) hours in duration; and
 - (c) on the third minimum day, unit members will be released at the conclusion of the instructional day unless assigned to a regularly scheduled extra duty assignment.
 - (d) as long as there is sufficient parental demand for video conferencing, the site administrator will designate at least one (1) session for video conferencing while the remaining one (1) or two (2) sessions may be designated as in person conferencing.

- 5.2.9 Beginning in the 2015-2016 school year, the instructional minutes at the Middle School will increase by eighteen (18) minutes per day, thus adding three (3) additional minutes to each of six periods (this daily increase is subject to “banking of minutes” when a 2-1-2 schedule is in effect). The increase would remain in effect each year thereafter.
- 5.2.10 Beginning in the second semester of the 2016-17 school year, the elementary schedule shall be as set forth in Appendix G.

5.3 Extended Work Year and/or Work Day. Employees required by the District to work more days than the regular work year or more hours than the regular workday shall receive appropriate compensation by being assigned to an additional salary schedule (for example: department heads, coaches, secondary band directors, and so forth) or paid at their regular hourly rate. The District shall determine which method of payment is appropriate for each employee who is required to work an extended year or day. The District shall also determine which assignments qualify for extended work year or extended workday remuneration.

- 5.3.1 Counselors shall work an additional ten (10) days at their regular per diem rate. Such employees may work more than the additional ten (10) days with the preapproval of the site administrator at their regular per diem rate. The uninterrupted work day for school counselors will be scheduled within the ten (10) additional work days.
- 5.3.2 Middle school and high school librarians shall work an additional ten (10) days at their regular per diem rate. Such employees may work more than the additional ten (10) days with the preapproval of the site administrator at their regular per diem rate. One of the workdays prior to the first day of school with students shall be an uninterrupted day for certificated teachers to work in their classrooms and/or assigned areas. The uninterrupted work day for middle school and high school librarians will be scheduled within the ten (10) additional work days.
- 5.3.3 School nurses shall work an additional five (5) days at their regular per diem rate. Such employees may work more than the additional five (5) days with the preapproval of the District Supervising Nurse at their regular per diem rate. The uninterrupted work day for school nurses will be scheduled within the five (5) additional work days.
- 5.3.4 SLPs shall work an additional five (5) days at their regular per diem rate. Such employees may work more than an additional five (5) days with the preapproval of the Director of Special Education and/or designee at their regular per diem rate. - 5.3.5.1 service is voluntary;

- 5.3.5.2 must be an experienced teacher (two or more years of teaching and with most recent evaluation that reflects an overall rating of “meets Standards”). A non-tenured teacher with previous teaching experience (two or more years) shall meet with the Association Vice President and/or Association Director prior to accepting the additional teaching period. When a teacher with two or more years of experience is not available, a teacher with at least one year teaching experience may be permitted to teach during their preparation period;
- 5.3.5.3 must be certificated in subject area;
- 5.3.5.4 no site will exceed 10% of total regular classroom teachers teaching during their prep period;

- 5.3.5.7 assignments shall be on a rotational basis to attempt to equalize them amongst unit members who desire them. Consideration will be given to a unit member's qualifications, certification, classroom experience at the appropriate instructional level, and District-wide seniority in establishing and maintaining the rotational list;
- 5.3.5.8 compensation for teachers “selling their prep” shall be paid 1/6 their per diem rate.

This section shall not be used as precedent-setting in future negotiations regarding preparation time.

- 5.4 Part-Time Work Year.** An employee working fewer days than the regular work year shall be a part-time employee and shall be remunerated at the same ratio the employee's total number of workdays bears to the total number of work days in the regular work year. Regular work year means the same as the work year of a full-time employee. A classroom teacher employed for one semester shall receive fifty percent (50%) of the appropriate annual salary listed on the Teachers' Salary Schedule.
- 5.5 Part-Time Work Day.** An employee who works fewer hours than the total included in the regular work day shall be a part-time employee and shall be remunerated at the same ratio the employee's regular daily work hours bear to the total included in the regular work day, as determined at the time of hire or upon modification of employee's contract.
- 5.6 Job Sharing.** Upon agreement among two unit members and the District, the unit members shall be allowed to share one position. Each unit member shall earn 50%

of his/her salary and insurance benefits for the position and shall be responsible for payment for the remaining 50% of the insurance benefits. Upon agreement between the District and the unit members, all of the insurance benefits shall accrue to the benefit of one of the unit members.

5.7 Days of Employment/Minutes of the School Day

5.7.1 **Schedule.** It is understood that scheduling of instructional days, instructional minutes, passing times, lunch periods and other such minutes shall be substantially in accordance with past practice except where regulations relating to the implementation of California Education Code Sections 46200-46204 otherwise provide, in which event the schedule shall be in compliance with such regulations. The scheduling of scheduled days and/or minimum days, if any, shall likewise be modified in accordance with said regulations. It is the intent of this Agreement that the instructional days and instructional year within the District shall comply with or exceed the requirements of Sections 46200-46204, and in the event any provision of this Agreement would result in the District's failure to meet or exceed such requirements then the parties agree that the requirements of said Sections 46200-46204 shall apply as if set forth herein in full in place of the nonconforming provision.

5.7.2 Effective with the 2016-17 school year the certificated work year will consist of 184 days.

5.8 Summer School Program/Intersession Program

5.8.1 **Eligibility.** All unit members employed full-time by the District, except for those who have received an overall rating of "Does Not Meet Standard" on their most recent evaluation, are eligible for and may apply for summer school program assignments.

5.8.2 **Assignments.** Summer school/intersession program employment preference shall be given to those applicants who taught full-time the previous school year in the District. Assignments shall be on a rotational basis to attempt to equalize them amongst unit members who desire them. Each committee shall be composed of two teachers and three administrators.

5.8.3 **Rotational Lists.** Consideration may also be given to a unit member's qualification, certification, classroom experience at the appropriate instructional level, and District-wide seniority in establishing and maintaining the rotational list.

- 5.9.1 The maximum length of the Back to School Night shall be one and one-half (1½) hours and shall start no later than 6:30 p.m.
- 5.9.2 Site administrators and staff at each site will consult about safety and the need for security for Back to School Night. The District shall provide security if requested.
- 5.9.3 There shall be no meetings on instructional days the week of Back to School Night for any grade level or department involved in the event. Teachers participating in the scheduled Back to School Night shall remain on campus during the 2-1-2 collaboration time for that corresponding week.

5.10 Staff Meetings. There shall be an eight (8) hour limitation per four week period on staff meetings scheduled beyond the work day. Staff meetings include faculty, department/grade level, District and professional development meetings.

While the “2-1-2” District wide schedule is in effect, administration shall determine the structure of the work day before the “late start” or after the “early release” of students. Article 6. Peer Assistance and Review

6.1 Preamble

The Palm Springs Teachers Association (Association) and the Palm Springs Unified School District (District) strive to provide the highest possible quality of education to the students of the District. Both parties agree that optimum student performance can be achieved only if there is a fully qualified teacher in every classroom. In order for students to succeed in learning, teachers must succeed in teaching. The parties believe that all teachers, even the most skilled, must focus on continuous improvement in their professional practice. Therefore, the parties agree to cooperate in the design and implementation of a professional development program to improve the quality of instruction through expanded and improved staff development, peer assistance, and professional accountability.

Teachers participating in the Peer Assistance and Review (PAR) Program are viewed as valuable professionals who are entitled to have resources available to them to enhance continuous performance improvement.

Article 11. Leaves of Absence

11.1 Definition. Leave of absence is hereby defined as any absence authorized by law or by advance approval of the Board of Education or the administrator delegated authority to approve such absences.

11.2 Renewal of Leaves of Absence

11.2.1 Leaves of absence for any purpose may not be renewed.

11.2.2 No later than March 1 of any given year, any teacher on leave of absence shall notify the Superintendent of Schools in writing of intent to return the following school year.

11.2.3 Any absence not so authorized shall be unexcused, and may be subject to disciplinary action up to and including termination.

11.3 Application for Approval of Leaves of Absence. Any certificated employee of the School District desiring a leave of absence (excluding 11.5, and 11.11) shall submit an application in advance as follows:

11.3.1 Applications for sick leave not to exceed ten (10) days; bereavement leave as authorized by law; religious leave; and personal necessity leave because of illness, death, or accidents involving employees or members of immediate family not to exceed three (3) days may be submitted to the respective principal or deputy superintendent for approval.

11.3.2 Applications for sick leave more than ten (10) days; personal necessity leave for purposes other than short-term family illness mentioned above; personal leave (20 or less days); sick leave for maternity purposes; jury service and subpoena leave shall be submitted to the Superintendent of Schools, or his designated representative for approval. 11.4 Position Upon Return From Leave. An employee returning from a leave of absence other than sick leave in excess of twenty (20) days is entitled to a position within the District covered by the employee's teaching credential, but not necessarily the same position held just prior to receiving the leave of absence. The provisions of this paragraph shall not apply to employees on sick leave. To the extent that the Family and Medical Leave Act (FMLA) applies to an employee returning from a leave of absence, the District shall comply with the provisions of the FMLA when placing a returning employee.

11.5 Sick Leave

11.5.1 **Definition.** Sick leave is a leave granted to an employee who is unable to assume and perform duties because of personal illness, injury and/or quarantine whether or not the absence arises out of, or in the course of, employment.

11.5.2 **Length of Sick Leave.** In each fiscal year an employee is entitled to ten (10) days of sick leave for illness or injury without loss of pay. Unit members on extended work year will accumulate additional sick leave in direct proportion to that of employees on regular work year. If an employee does not take the full amount of leave allowed in any school year, the amount not taken shall be accumulated from year to year. To sick leave accumulated in the District shall be added any sick leave transferred from another public school in California.

11.5.3 General Provisions

11.5.3.1 An employee serving less than a full school term or on a part-time basis shall be entitled to sick leave in the proportion that the time served bears to a full school term of full-time service.

11.5.3.2 The District reserves the right to determine and ascertain the verity of the facts or conditions causing the employee to remain away from duty. In the event of absence due to illness for a period of five (5) days or less, the employee shall file with the school principal or supervisor a statement in writing, as to the reason for the absence and the general nature of the illness. An employee absent from duties exceeding five (5) working days on account of illness or injury shall, upon return to work, present to the appropriate principal or supervisor a certificate from a competent medical authority certifying physical and emotional competency to return to service. Failing in the presentation of such a certificate when the illness has been for a period of more than five (5) working days, the employee shall not be allowed to resume employee's duties and shall have said employee's pay warrant withheld as of the date of first occurrence of applicable absence. The employee shall receive withheld warrants upon the filing of the required medical certificate and the approval of the school principal or supervisor.

11.5.3.3 The District reserves the right to require proof of illness. Further, the District may refer any claim for sick leave benefits to a competent medical authority designated by the District, at District expense, for a decision as to the eligibility of the employee for said benefits. If the employee objects in writing to the doctor chosen by the District, the District shall provide a list of three doctors from which the employee shall choose one.

- 11.5.3.4 The District further reserves the right, irrespective of whether or not sick leave benefits have been claimed or received, to require a health examination by a competent medical authority, at District expense, of any employee whose physical or mental health, in the judgment of school officials, is such as to endanger the health, safety or welfare of pupils subject to the supervision of said employee. If the employee objects in writing to the doctor chosen by the District, the District shall provide a list of three doctors from which the employee shall choose one.
- 11.5.3.5 No employee shall be entitled to sick leave benefits while absent from duty on account of any of the following:
- a. Sickness or disability sustained while on leave of absence.
 - b. Disability or illness to the family, relative or friend of the employee except as provided in the Education Code, relating to emergency leave.

11.5.4 **Compensation.** When an employee is absent from duty on account of illness or accident for a period of five (5) school months or less, whether or not the absence arises out of or in the course of the employment of the employee by the District, the amount deducted from the salary due the employee for any month in which the absence occurs shall not exceed the sum which is actually paid a substitute employee to fill the position during the absence; however, in no event shall the amount deducted from the regular teacher's salary exceed the cost of a regular or long-term substitute. In any given fiscal year, the computation of the five (5) school months shall begin with the date of expiration of accumulated sick leave, if any. If an employee with a long-term illness is in a position for which no substitute is assigned, the amount of the salary due the employee for any month in which the absence occurs shall be the difference of the cost of a long-term substitute or the difference of the cost of the YRE teacher sub rate.

11.6 Catastrophic Leave

11.6.1 To be an eligible participant of the Catastrophic Sick Leave Bank ("Bank"), a bargaining unit employee or certificated management employee must donate one (1) day of sick leave during the open enrollment period. If the total number of days in the Bank exceeds 500 on the first day of September of any year, members who have previously donated will be exempted from donations that year. Total withdrawal from the Bank in any one-year will not exceed 200 days, however, the Committee may vote to exceed the 200 days if the need arises.

- 11.6.1.1 New members wishing to enter the Bank will be required to donate one (1) day during the open enrollment period in the year they join regardless of the total number of days in the Bank.
- 11.6.2 The sick leave day contribution will be authorized on the appropriate form and continue from year to year under the provisions addressed below until canceled by the certificated employee. No sick leave may be surrendered or drawn for the purposes of summer school.
- 11.6.3 Following the initial enrollment, a certificated employee may only join the Bank during the annual open enrollment period during the month of September. Employees hired after September 1 will have an open enrollment period of thirty (30) days following the date of hire.
- 11.6.4 Certificated employees otherwise eligible for catastrophic sick leave during the initial open enrollment period may apply for a donation from the Bank without making a prior donation.
- 11.6.5 Donations of sick leave days to the Bank shall be irrevocable. Sick leave that is donated under this section shall be deducted from accrued sick leave authorized under section 11.5.2 above.
- 11.6.6 A catastrophic injury or illness shall be defined as: Any injury or illness which may incapacitate a certificated employee for an extended period of time (in excess of sixty (60) consecutive calendar days) based upon competent medical opinion. Request for catastrophic leave should be made within the first twenty (20) workdays of leave. This may be waived by the Committee under extenuating circumstances.
- 11.6.7 The first fifteen (15) days of illness or disability must be covered by the employee's own sick leave, differential pay or leave without pay. After fifteen (15) days, employees who have exhausted their sick leave but still have differential leave available are eligible for a withdrawal from the Bank. The District shall pay the employee's full pay and the Bank shall be charged one sick leave day. Differential leave runs consecutively with catastrophic leave. The employee may use the remaining differential leave after exhausting the catastrophic sick leave.
 - 11.6.7.1 Leave from this Bank may not be used for illness or disability for which the certificated employee is receiving Workers' Compensation benefits.
 - 11.6.7.2 The maximum number of days allowed for a member of the Bank for a single catastrophic injury/illness shall not exceed forty (40) workdays. If there are insufficient days in the Bank, there is no obligation to grant leave hereunder, in whole or in part. Neither the District, Association and/or Committee shall be legally responsible if there are insufficient days in the Bank to provide a catastrophic sick leave donation.

- 11.6.8 The certificated employee who receives leave from the Bank shall furnish all requested medical information deemed necessary by the Joint Catastrophic Sick Leave Bank Committee (to be referred to as the Committee, as defined in section 11.6.11). The Committee determines the certificated employee's eligibility to receive donated leave under this section. Upon request by the Committee, the certificated employee shall submit a "Certificated Sick Leave Bank Request for Withdrawal" form for the release of medical information to determine the right to receive leave from the Bank.
- 11.6.9 A certificated employee who wishes to donate sick leave shall submit a "Certified Sick Leave Bank Deposit" form to the Human Resources Office. This form authorizes the donation to the Bank. No surrender shall go into effect until approved by the Joint Catastrophic Sick Leave Bank Committee. The decision of the Committee shall not be subject to the grievance procedure, but may be reviewed upon appeal to the committee.
- 11.6.10 A certificated employee who has submitted a request to donate sick leave, and a certificated employee who receives leave from the Bank, shall each execute an agreement satisfactory to the committee. The agreement will confirm understanding of each that the donation of sick leave is voluntary. The agreement will also provide that each certificated employee agrees to indemnify and hold the Committee, the District and the Association harmless from any claims, demands, or causes of action related to the donation or to the granting or denial of any leave pursuant to this article.
- 11.6.11 No action taken by the Committee under this section shall be subject to the grievance procedure of this Agreement. The Committee shall be composed of four (4) members, two (2) of which are appointed by the District and two (2) of which are appointed by the Association. Committee members must be members of the Bank. A certificated employee dissatisfied with any action taken or decision made by the Committee concerning the Catastrophic Leave Plan herein provided may submit a request for an appeal for reconsideration with additional supportive documentation. No request for appeal shall be considered by the Committee unless the request for appeal is submitted no later than ten (10) days after the action or decision in question. A tie vote represents a denial of the request. The Committee shall have no jurisdiction to hear any request which is not submitted within the required time frame.
- 11.6.11.1 The Committee shall review, in a timely manner, matters that are submitted to it. The Committee shall prepare a written report regarding the matter submitted to it.
- 11.6.11.2 The Committee shall be responsible for informing certificated employees of solicitation for donations earmarked for the Bank.

11.6.12 If any provision of this section is held to be unlawful then this entire section shall be null and void. The section supersedes any obligation of the District under Education Code section 44043.5.

11.7 Leave for Maternity Purposes

11.7.1 Bargaining Unit Members who give birth to a child shall receive up to six (6) weeks of paid leave during the school year in which the Bargaining Unit Member gave birth. Paid Leave shall be allowed during consecutive work-weeks within the same school year and cannot be continued from one school year into the next school year. This leave shall not be deducted from unit member's accrued sick leave.

11.7.2 Procedure

15.2.2 In any instance where the Association is not participating in a grievance, the District shall not agree to a resolution of the grievance until the Association has received a copy of the grievance and the proposed resolution and has been given the opportunity to file a response.

15.2.3 The failure of the grievant or the grievant's representative to act within the prescribed time limit stated in this Article will act as a bar to any further appeal. The failure of the District or its agent to give a decision within the time limits shall permit the grievant to proceed to the next step.

15.2.4 Hearings and conferences under this procedure shall be conducted at a time and place that will afford an opportunity for all persons entitled to be present to attend. When such hearings and conferences are held during the regular workday, all employees whose presence is required shall be released without loss of pay for those hours they are required to attend such hearing or conference.

Article 19. Severability

19.1 Agreement Validity. Each section, part, term and provision of this Agreement shall be considered severable. If, for any reason, any section, part, term or provision herein is determined to be invalid and contrary to, or in conflict with, any law or regulation by a court or agency having valid jurisdiction, such determination shall not impair the operation or affect the remaining portions, sections, parts, terms or provisions of this Agreement, and the latter will continue to be given full force and effect and bind the parties hereto. The invalid section part, term or provision shall be deemed not to be a part of this Agreement, and subject to immediate negotiation.

Article 20. Concerted Activities

20.1 Concerted Action Pledge. It is expressly agreed by both parties that there will be no strike, work stoppage, slowdown, job action, picketing other than informational picketing, or refusal or failure to perform fully and faithfully all job functions and responsibilities, nor will there be any concerted action or other interference with the operations of the District, by the Association or by its officers, agents or members during the term of this Agreement, including compliance with the request of other union organizations to engage in such activity.

20.2 Compliance. The Association recognizes the duty and obligation of its representatives to comply with the provisions of this Agreement and to make every effort toward inducing all employees to do so. In the event of a strike, work stoppage, slowdown, concerted action or other interference with the operations of the District by employees who are represented by the Association, the Association agrees in good faith to take all necessary steps to cause those employees to cease such action upon written notice to the Association, by delivery to any Association officer, in hand, by telegram, or otherwise.

20.3 Violation. It is understood by the parties that any employee violating this Section may be subject to discipline, including termination, by the District.

Article 21. Support of Agreement

- 21.1** The District and the Association agree that it is to their mutual benefit and to the benefit of the educational program and the pupils of the District to encourage the resolution of differences through the meet and negotiation process. Therefore, it is hereby agreed that the Association and the District will support this Agreement for its term.
- 21.2** The District shall provide copies of the contract for all bargaining unit members to be distributed by the Association.

Article 22. Effect of Agreement; Entire Agreement

22.1 The specific provisions of this Agreement prevail over District practices and procedures and over state laws to the extent permitted by state law. This written Agreement sets forth the full and complete agreement between the parties concerning the subject matter hereof and supersedes all prior informal agreements thereon. There are no valid or binding representations, inducements, promises, or agreements, oral or otherwise, between the parties that are not embodied herein.

During the term of this Agreement, the Association expressly relinquishes the right to meet and negotiate further. However, negotiations as to the school calendar and orientation period are excepted from this provision, and shall be negotiated between the parties outside of this Agreement.

This Article is not intended to relieve the District of the obligation to bargain prior to changing any matter not referred to in this Agreement related to wages, hours or other terms and conditions of employment as defined in Article 3543.2 of the Rodda Act nor to waive the Association's right to insist upon such negotiations.

Article 23. Site-Based Restructuring Program

- 23.1** The procedures set forth below shall apply when a school site staff desires to implement a Site-Based Restructuring Plan (SBRP).
- 23.2** At the site where the principal and the certificated bargaining unit staff voluntarily elect to enter into a pilot SBRP, the plan shall be included in the annual schools plan submitted to the Governing Board for approval.
- 23.3** It is agreed that any financial assistance necessary to implement SBRP must be funded from the existing school site budget.
- 23.4** Whenever a SBRP requires a modification of the Collective Bargaining Agreement, the plan must be forwarded to the District and Association for pre-approval. If the District and Association approve the plan, a vote of the certificated bargaining unit members shall be scheduled at the school site in question. At least 75% of the certificated bargaining unit members assigned to the site must vote to approve the plan. If the plan is approved by the required percentage, the plan will take effect for one year and the site shall vote again by March 15 of the implementation year for continuation in the following year. The plan must be submitted for pre-approval by February 1 of any given year and any vote must be conducted by March 15 of any given year. All votes shall be by secret ballot and conducted by the Association.
