Enrollment Checklist

In order to make the right benefit decisions for you and your family members, you need to be prepared. Here is a step-by-step list of actions you should take during your enrollment period.

☐ Step 1	Read this Enrollment Guide to understand your benefits for 2025 – 2026. Please review the Palm Springs Unified School District Benefits Website at www.psusd.us/benefits for additional information.
☐ Step 2	Collect necessary documentation, such as Social Security numbers, a prior year's Federal Tax Return that shows the couple was married, and/or Birth Certificates for eligible dependents.
☐ Step 3	Gather a summary of your 2024 health and childcare expenses to help you estimate your Flexible Spending Account (FSA) elections.
☐ Step 4	Log in to Ease at psusd1.ease.com to verify your personal information, elect benefits and upload required documentation.

Who May Enroll

If you are a full-time employee, you and your eligible dependents may participate in the the PSUSD Benefits Program.

Your eligible dependents include:

- Legally married spouse
- Domestic Partner
- Children under the age of 26 (regardless of student or marital status)
- Children under Legal Guardianship, up to age 18

***** If you are a Primary Tricare Member, you have the options to:**

- Waive medical coverage and elect Vision and Dental coverage only, or
- Enroll in all plans

Important Note: If you are covered through another health plan and therefore do not wish to enroll in the SISC medical plan, the **WABE** premium option is now available. The **WABE** premium allows you to decline the SISC Medical coverage while the **WABE** premium is paid to SISC on your behalf. This option allows you to maintain your membership in SISC as a full time employee without enrollment in a SISC medical plan. This option would not affect dental, vision, or life enrollment. If you choose this option, the election is made for the entire plan year. You and your eligible dependents will not be allowed to enroll in a SISC plan until the next Open Enrollment Period or as the result of a qualifying event. A Declination of Coverage and Proof of Insurance Letter will need to be completed by the employee in order to be eligible for the WABE option. Please contact the benefits office to request a form.

Important Domestic Partner Benefits Information—Health Benefits Enrollment

To enroll a Domestic Partner in PSUSD's Medical, Dental and Vision benefits, employees and their Domestic Partners must:

- Register their Partnership with the Secretary of State in California on the "Declaration of Domestic Partnership" Form pursuant to Division 2.5 of the Family Code.
- Obtain a Notarized and Certified Copy of the "Declaration of Domestic Partnership" Form and provide a copy of the form during the enrollment process.
- Follow all other steps in the health plan and District's enrollment process, including completing enrollment forms and any applicable change forms.

Tax Information

Because the IRS does not recognize Domestic Partner nor their Children, (unless they qualify as Dependents under Section 152) for tax filing purposes, PSUSD is required to "impute" the value of these benefits and report that amount as taxable income. The applicable amount will be added back into your gross pay as taxable income and you will pay taxes on that amount. In addition, the payroll contributions you make on behalf of your Domestic Partner and/or their Children will be taken on a post-tax basis.

Dependent Eligibility Required Documents

The following verification documents are required to enroll a dependent in health benefit plans. SISC requires the Social Security Numbers for all Dependents to be covered on the plans and reserves the right to request additional documentation to substantiate eligibility.

Dependent Type	Required Documentation
Spouse	- Prior year's Federal Tax Form that shows the couple was married (financial information may be blocked out) - For newly married couples where prior year's tax return is not available, a marriage certificate will be accepted.
Domestic Partner	- Certificate of Registered Domestic Partnership issued by State of California (AB 205 Compliant) - SISC Affidavit of Domestic Partnership (when applicable)
Children, Stepchildren, and/or Adopted Children up to age 26	- Legal Birth Certificate or Hospital Birth Certificate (to include full name of child, parent(s) name & child's DOB) - Legal Adoption Documentation
Legal Guardianship up to age 18	Legal Court Documentation establishing Guardianship
Disabled Dependents over age 26	Blue Shield (All items listed below are required) - Legal Birth Certificate or Hospital Birth Certificate (to include full name of child, parent(s) name & child's DOB) - Prior year's Federal Tax Form that shows child is claimed as an IRS dependent (income information may be blocked out) - Completed Declaration of Disability for Overage Dependent Child Kaiser (All items listed below are required) - Legal Birth Certificate or Hospital Birth Certificate (to include full name of child, parent(s) name & child's DOB) - Prior year's Federal Tax Form that shows child is claimed as an IRS Dependent (Income information may be blocked out.) - Completed Disabled Dependent Enrollment Application - Most recent Kaiser Certification Notice (if available)

The District may require additional documentation, but may not require less.

When You Can Enroll

As an eligible, full-time employee, you may enroll at the following times:

- As a new hire. You may participate in the PSUSD Benefits Program on the first of the month following your date of hire.
- Each year, during open enrollment.
- Within 30 days of a qualifying event as defined by the IRS (see Changes To Enrollment below.)

Changes To Enrollment

Our benefit plans are effective October 1 through September 30 of each year. There is an annual open enrollment period each year, during which you can make new benefit elections for the following October 1 effective date. Once you make your benefit elections, you cannot change them during the year unless you experience a qualifying event as defined by the IRS. Examples include, but are not limited to the following:

- Marriage, Divorce, Legal Separation or Annulment
- Birth or Adoption of a Child
- A qualified Medical Child Support Order
- Death of a Spouse or Child
- A change in your Dependent's eligibility status
- Loss of coverage from another health plan
- Loss of coverage through Medicaid or Children's Health Insurance Program (CHIP)
- Becoming eligible for a State's Premium Assistance Program under Medicaid or CHIP

Important Note: Coverage for a new dependent is not automatic. If you experience a qualifying event, you have **31 days** to update your coverage and provide the required documentation. Please contact the Benefits Department immediately following a qualifying event to complete the appropriate election forms as needed. If you do not update your coverage within **31 days** from the qualifying event, you must wait until the next annual open enrollment period to update your coverage.

Medical Plan Options

PSUSD offers all eligible employees medical plans to choose from through SISC.

Kaiser HMO

With the Kaiser HMO plan, you must obtain services at a Kaiser facility, except in the case of an emergency. While all of your care must be directed through your selected physician, you can choose and change your doctor at any time, for any reason. Kaiser Permanente integrates all elements of healthcare such as physicians, medical centers, pharmacies and administration in one convenient facility.

Chiropractic benefits are provided through American Specialty Health (ASH).

For more information, go to www.ashlink.com/ash/kp or call (800) 678-9133.

kp.org
(800) 464-4000

Blue Shield HMO 10 Blue Shield Trio HMO 10

With the Blue Shield HMO plans, you must choose a primary care physician (PCP) or medical group within the plan's network. All care must be directed through your PCP or medical group. Any specialty care you need will be coordinated through your PCP and will generally require a referral or authorization. You receive benefits only if you use the doctors, clinics and hospitals that belong to the medical group in which you are enrolled, except in the case of an emergency.

TRIO HMO

Trio HMO is a limited HMO network where Blue Shield and their best medical groups form an organization designed to lower costs and improve the patient experience. The plan offers Shield's Concierge personalized service to help you with everything from benefits questions to scheduling doctor's appointments.

Blue Shield (855) 256-9404 | Anthem (800) 888-8288

Blue Shield PPO 100 B Blue Shield PPO 80 G Anthem Proactive Care PPO

With the Blue Shield PPO and Anthem PPO plans, you may see any physician you wish. For the highest level of coverage, it is recommended you see physicians that participate in the Blue Shield or Anthem network. You may obtain services from out-of-network providers, but the coinsurance will be higher and you will be responsible for the difference between the covered amount and the actual charges. You may also be responsible for filing claims.

To understand how your medical plan works, read the medical plan term definitions below and take a few minutes to watch the quick benefit videos shown below.

- **Coinsurance:** The percentage of the charges the member is required to pay for a medical or dental service in a plan. For example, with the Blue Shield PPO 80-G plan, Blue Shield pays 80% of the covered claim and the member pays 20% of the remaining amount after the deductible has been met.
- **Copay:** The flat fee paid by the member when a medical or dental service is received. This is usually associated with doctors office visits, prescription drugs or certain dental services under the DeltaCare plan.
- **Deductible:** The set dollar amount a member must pay before insurance coverage for medical or dental expenses can begin. For medical plans with a deductible (not including the HSA plan), there is a **4th-Quarter Carryover**. This means that any money you pay toward the deductible between October 1 and December 31 will be credited toward your deductible for the following year.
- **Out-of-Pocket Maximum:** The maximum amount the member will have to pay in a calendar year for eligible expenses in the medical plan. After reaching the Out-of-Pocket Maximum, the plan pays 100% of the allowable charges for covered services for the remainder of the calendar year.

What Expenses Apply to the Out-of-Pocket Maximum?

Plan	Coinsurance	Copay: Medical Care	Copay: Rx	Deductible
Kaiser Plan	N/A	Yes	Yes	N/A
Blue Shield HMO Plan	N/A	Yes	Yes	N/A
Blue Shield PPO Plans	Yes	Yes	Yes	Yes

Accessing Care Out-of-Network

A network provider is a hospital, doctor, medical group, dentist or other health care provider contracted to provide services to members at a contracted or discounted rate. Health care providers who are not contracted are considered to be Out-of-Network providers.

For the Blue Shield HMO plan, there is no coverage outside the network except in case of an emergency. While access to Out-of-Network providers is allowed for the Blue Shield PPO and HSA plans, the coinsurance you pay for benefits is higher and you are subject to **balance billing**. Out-of-Network providers can charge any amount they wish for a service. However, if that amount is higher than what the insurance company says is "Reasonable & Customary," the member is responsible for paying the difference.

Before seeking care with an Out-of-Network provider, it is recommended that you find out what their charges are and check with the insurance company to make sure they are considered "Reasonable & Customary."

Benefit Videos – Medical Plan Terms

Medical plan terms, such as coinsurance, copays, deductibles, and out-of-pocket maximums can be confusing. For a quick video that shows how these work, visit <http://video.burnhambenefits.com/terms>.

Dental Plan Options

PSUSD offers eligible employees three dental plans to choose for all groups.

DeltaCare USA DHMO

You choose a primary care dentist from the Delta Care network. All services must be provided or coordinated by your primary care dentist, and must be with DeltaCare Providers. Copays vary depending on the service being provided; please see the next page for an overview of copays.

Delta Dental PPO

With the Delta Dental PPO plan, most In-Network services are covered at a higher level than Out-of-Network services.

When you obtain services from In-Network dentists, your out-of-pocket costs are lower. In-Network dentists agree to discount their charges and benefit payments are based on the discounted fees.

When you obtain services from Out-of-Network dentists (dentists who do not participate in the PPO network), eligible expenses are paid based on Reasonable & Customary (R&C) fees. Since the expenses are not discounted, your out-of-pocket expenses may be greater.

Delta Dental PPO Incentive

The Delta Dental PPO Incentive plan is similar to the PPO plan in regard to using In-Network and Out-of-Network dentists. However, the coinsurance is very different for the PPO Incentive Plan.

Delta Dental pays 70% of allowed fees for covered services the first year you are eligible. Coverage then increases by 10% each year (to a maximum of 100%) for each family member, provided the covered individual accesses dental care at least once during the year. If a family member becomes ineligible for benefits and later regains eligibility, the percentage will drop back to 70% for that individual.

Important Facts About Beneficiaries

Beneficiaries are individuals or entities that you select to receive benefits from your policy. If you do not have a beneficiary, benefits are paid to your estate. Here's what you need to know about beneficiaries:

- You can change your beneficiary designation at any time
- You may designate a sole beneficiary or multiple beneficiaries to receive payment in the percentage(s) allocated
- To select or change your Life Insurance beneficiary, call the Risk Management Department for a copy of the Beneficiary Designation Form

Accident Only Insurance**American Fidelity**

American Fidelity's Limited Benefit Accident Only Insurance Plan may help you with the rising costs associated with an accident injury or death. Benefits include accident emergency treatment, medical imaging, inpatient confinement, ambulance and more. Several benefit plan options are available.

Cancer Insurance**American Fidelity**

If you are diagnosed with cancer, American Fidelity's Limited Benefit Cancer Insurance plan may help you maintain your standard of living. Benefit payments can be used however you'd like, including house payments, utilities, and meals/lodging expenses. This policy is portable, which means that you can keep it should you change jobs or retire, with no increase in premiums. Please note, this policy must be in place prior to a cancer diagnosis.

Long Term Care Insurance**Transamerica**

Transamerica Long Term Care Insurance provides benefits to help you pay for care during a chronic illness or if you are unable to perform, without substantial assistance from another individual, two or more activities of daily living such as eating, bathing, continence, dressing toileting, transferring, or if you require substantial supervision by another individual to protect your health and safety due to severe cognitive impairment (such as Alzheimer's disease or mental illness).

Employee Contribution

You pay the full cost for all coverages you elect

Legal Benefits**Voluntary Legal Services Plan****Voluntary Legal Services Plan — MetLaw Legal Services**

Palm Springs Unified School District offers you the opportunity to purchase MetLaw Legal Services through Hyatt Legal Plan with after-tax dollars at discounted group rates. This plan provides coverage for a number of legal matters such as will preparation, buying or selling a primary home, document review, civil litigation defense by telephone and office consultations for numerous matters (except employment related), business or pre-existing matters.

Employee Contribution

You pay the full cost for all coverages you elect

The Flexible Spending Account (FSA) Plan, administered by American Fidelity, allows you to pay certain qualifying expenses with pre-tax dollars. Because deductions for these expenses are subtracted from your gross pay, your taxable income is reduced, less taxes are withheld, and your take-home pay may increase.

The District provides employees with a debit card for use with the Medical Expense Account. This card allows employees to purchase and immediately pay for eligible expenses (e.g., copays, coinsurance).

Employees enrolled in the FSA Plan contribute to their account(s) during the 12-month Plan Year (October 1 – September 30).

Benefit Video – How FSAs Can Help Save You Money

For a better understanding of how Flexible Spending Accounts work, watch this quick video at <http://video.burnhambenefits.com/fsa>.

Medical Expense Reimbursement Account

The Medical Expense Account allows you to set aside pre-tax dollars to pay for qualifying out-of-pocket medical, dental, vision and Rx expenses, including deductibles, coinsurance and copays for yourself or your dependents. The maximum amount you can contribute to the Medical Expense Reimbursement Account is \$3,200.

Please note you cannot enroll in the Medical Expense Reimbursement Account if you are enrolled in the Blue Shield HSA plan.

Dependent Daycare Reimbursement Account

The Dependent Daycare Reimbursement Account allows you to set aside pre-tax dollars to pay for eligible dependent care expenses to a maximum of \$5,000 per plan year, per household. This includes child care, elder care, or other eligible dependent care.

Important Note About the FSA

FSAs offer sizable tax advantages. The trade-off is that these accounts are subject to strict IRS regulations, including the use-it-or-lose-it rule. According to this rule, you must forfeit any money left in your account(s) after your expenses for the year have been reimbursed. The IRS does not allow the return of unused account balances at the end of the plan year, and remaining balances cannot be carried forward to a future plan year. We encourage you to plan ahead to make the most of your FSA dollars. If you are unable to estimate your health care and dependent care expenses accurately, it is better to be conservative and underestimate rather than overestimate your expenses.

Flexible Spending Account (FSA) Plan

Spending Account Rules

You must designate how much money you wish to contribute annually to each account at the beginning of the plan year (October 1 or date of hire). Money set aside for one account cannot be moved to another account.

You may change your annual contributions within 30 days of experiencing a qualifying “change in family status,” such as marriage, divorce, addition or loss of a dependent, a change in your spouse’s employment, etc.

It is important to carefully review your estimated expenses since any unclaimed funds remaining in each account as of **December 31** of the following plan year will be forfeited, with exception of \$610, which can be rolled over into next plan year. Expenses must be incurred between **October 1** of the current plan year and **December 15** of the following plan year. All expenses must be submitted by **December 31** of the following plan year to qualify for reimbursement.

The FSA Debit Card/Direct Deposit

The FSA Debit Card enables you to pay for eligible health care expenses directly from your Health Care Spending Account. Your Spending Account is electronically debited whenever you use the card. IRS regulations require that you provide documentation to verify eligibility of certain expenses but you don’t have to wait for reimbursement. The FSA Debit Card is accepted by eligible merchants and providers who use the Mastercard or VISA system.

You may also elect to have reimbursements deposited directly into your bank account.

Example: How You Can Save Money With an FSA

	Without the Health Care FSA	With the Health Care FSA
Gross Annual Pay	\$45,000	\$45,000
Pre-Tax Health Care FSA	Not Elected	\$1,200
Taxable Gross Income	\$45,000	\$43,800
Payroll Taxes (at 30%)	\$13,500	\$13,140
Health Care Cost	\$1,200	\$0
Net Pay	\$30,300	\$30,660
Annual Net Pay Increase	\$0	\$360

Important Note: Your FSA elections expire each year on September 30. If you plan to participate in the FSA for the upcoming plan year, you are required to re-enroll.

The Affordable Care Act and You

Beginning December 31, 2018, the Affordable Care Act (ACA) required nearly every American to be enrolled in medical coverage or pay a penalty. Even though the Affordable Care Act (ACA)'s penalty for not having health coverage (known as the individual mandate) has been reduced to zero, if you are a taxpayer in California, you will still be required to have health coverage (unless you qualify for an exemption) or pay a penalty for the current tax year. In addition, several other states, including Massachusetts, New Jersey, and Vermont, as well as the District of Columbia, have reinstated an individual mandate requirement, and others are considering doing so. You may consider these options below to satisfy this requirement:

- Enroll in a medical plan offered by Palm Springs Unified School District or another group medical plan meeting the requirements for minimum essential coverage;
- Purchase coverage through a health insurance marketplace;
- Enroll in coverage through a government-sponsored program, if eligible.

However, if you choose to purchase coverage through the marketplace, because Palm Springs Unified School District's medical plans are considered affordable and meet minimum value under the Affordable Care Act, you may not be eligible for a subsidy, and you may not see lower premiums or out-of-pocket costs through the marketplace. In addition, employer contributions to your medical benefits will be lost and your portion of medical premiums will no longer be paid via payroll deductions on a pre-tax basis.

To learn more about the Affordable Care Act, visit www.healthcare.gov.

Annual Notices

Various state and federal laws require that employers provide disclosure and annual notices to their plan participants. The District has posted all federally required annual notices on our district website for you to download and read at your convenience, go to www.psusd.us/benefits.

Annual notices include the following:

- Medicare Part D Notice of Creditable Coverage
