

APPENDIX B

NOTICE OF INTENT

NOTICE OF INTENT TO ADOPT A MITIGATED NEGATIVE DECLARATION

Notice is hereby given that the Lead Agency named below has completed an Initial Study of the following described project at the following location:

Lead Agency: Palm Springs Unified School District
Project Name: Desert Learning Academy 500 Building
Project Description: The Palm Springs Unified School District (District) is proposing to demolish and reconstruct the existing 500 Building on the Desert Learning Academy (DLA) campus to meet current code requirements (proposed Project).
Project Location: The DLA is located at 2248 East Ramon Road and immediately adjoins the Palm Springs High School (PSHS) campus on a joint campus.

This Initial Study was completed in accordance with the Lead Agency's Guidelines implementing the California Environmental Quality Act. On the basis of the Initial Study, the Lead Agency's Staff has concluded that the project, with the incorporation of mitigation measures, will not have a significant effect on the environment, and has therefore prepared a Draft Mitigated Negative Declaration.

- Checkboxes for project site status, significance, and meeting requirements. Includes options for whether the site is on a list compiled pursuant to Government Code section 65962.5, whether it is considered a project of statewide, regional or areawide significance, and whether a scoping meeting will be held.

Copies of the Initial Study and Draft Mitigated Negative Declaration are on file and are available for public review online at www.pusd.us and at the Lead Agency's office, located at 150 District Center Drive, Palm Springs, CA 92262

Lead Agency Address: 150 District Center Drive, Palm Springs, CA 92262

The review period for this project starts on February 19, 2019 and ends on March 21, 2019. Comments will be received until March 21, 2019. Any person wishing to comment on this matter must submit such comments, in writing, to the Lead Agency prior to this date.

Date: April 9, 2019 Time: 6:00 PM

If the Lead Agency finds that the project will not have a significant effect on the environment, it may adopt the Mitigated Negative Declaration. This means that the Lead Agency may proceed to consider the project without the preparation of an Environmental Impact Report

Date Received for Filing: 2-14-2019
