

Facilities Planning & Development

Julie Arthur, Executive Director

December 13, 2019

Dear Community Member of Edward Wenzlaff Education Center,

As part of our Phase 2 Marquees at our Middle Schools, the Palm Springs Unified School District is proposing to replace the existing marquee and install a video message board along West Drive in Desert Hot Springs. The message board will provide several key benefits, including:

1. Better communications of Edward Wenzlaff Education Center activities with the public and community.
2. Improving Edward Wenzlaff Education Center communication as it relates to public safety announcements and resources.
3. Improve parents and student awareness of any school deadlines or activities.

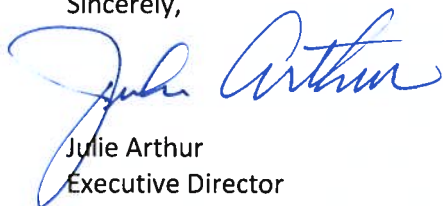

The overall video message board will be 8 feet (96") wide and the top of the marquee will stand at 7 ½ feet (90") it will be replaced with a new 40" x 96 ¼" 16MM Digital Display and a 12" x 96 ¼" LED illuminated top I.D. The existing frame will be refurbished as the video display will sit on top of the base. (Please see renderings).

If you have questions and comments on this project, please send to: facilities_planning@psud.us.

Written comments and suggestions should be received by January 3, 2020. The comments and suggestions received will be shared with the Board of Education ("Board") and community members can speak directly to the Board at the January 14, 2020 meeting. The Board meeting will be held at the District Office located at 150 District Center Drive, Palm Springs beginning at 6:00 p.m.

If you have questions or need further information, please contact us at (760) 883-2710.

Sincerely,

Julie Arthur
Executive Director
Facilities Planning and Development
