Dear Community Member of Raymond Cree Middle School,

As part of our Phase 2 Marquees at our Middle Schools, the Palm Springs Unified School District is proposing to replace the existing marquee and install a video message board along Avenida Caballeros in Palm Springs. The message board will provide several key benefits, including:

1. Better communications of Raymond Cree Middle School activities with the public and community.
2. Improving Raymond Cree Middle School communication as it relates to public safety announcements and resources.
3. Improve parents and student awareness of any school deadlines or activities.

The overall video message board will be 8 ¼" feet (99") wide and the top of the marquee will stand at 11 ¾" feet (141") it will be replaced with a new 41" x 99" 16MM Digital Display and a 23" x 99" LED illuminated Arch top I.D. The existing frame will be refurbished as the video display will sit on top of the base. (Please see renderings).
